The Absolute Beginner's Guide to the New York Subway

That's why there has never been a better time to get into the classic art of sourdough. It's a grounding practice for the heavy times we're in and, unlike other long cooking projects like croissants or braises that require hours of hands-on attention, sourdough only requires a few minutes of care each day in the first week. As it matures, you can enjoy the rewarding process of using it to ...

By "absolute beginner", I mean someone who knows how to browse the web and do basic word-processing and maybe use some of the other programs on a typical desktop, laptop, or tablet computer, but that's really all. If you know more than that, it's helpful but isn't necessary here. You may find some of the photos and descriptions overly detailed.
