you the reliability you're looking for while providing better performance in most operating conditions*. Precisely engineered and manufactured to provide everyday reliability and efficient performance. The copper-core center electrode allows for a longer insulator tip length for a given heat range, which helps prevent low-speed carbon fouling.

ACDelco | Regular Spark Plugs

The spark plug is what started it all for ACDelco. Now, with over 100 years of innovation behind each spark plug, you know you're covered. From the old to the new and even the nonautomotive, ACDelco has spark plugs to fit just about every need.

ACDelco | Spark Plugs

Insulator tip temperature is influenced by the proper choice of spark plug heat range. One heat range changes the spark plug insulator tip temperature by about 75 - 100 degree Celsius.
