Adaptations From Short Story To

A short story tells the

Where To Download

reader what is happening, but the screenplay must show the viewer what is taking place. As a result, directors take liberties with the story while adapting it to the screen, which is inevitable and usually necessary. For instance, screenwriters sometimes change character names and alter plots and endings.

Literary adaptations have always been

Where To Download

popular on the big screen, though every year it seems they're more popular than ever. Most of them are based on novels, or novel series, which only makes sense—there's often a ton of material to work with—and things usually have to be cut, but when movies are based on short stories, there's the trickier business of expansion.
