Evolutionary Paradigm for International Law: Philosophical ...

Full Version An Evolutionary Paradigm for International Law: Philosophical Method, David Hume, shearoeyroey. ... political theory and its understanding of global governance to make the study of the philosophical essence of the international legal system fully accessible.

Full Version An Evolutionary Paradigm for International ...

In a nutshell, the book is a specific application of the SEP to international politics. The majority of social scientists adopt evolution as a metaphor, but Tang pushes it to a new level. He provides an inspiring new paradigm that refreshes our understanding of the world, as did Darwin's theory of evolution.
