3 On the border between art and knowledge, the map – a tool for explorers and conquerors that is informed today by an incommensurable strategy of producing aerial images – remains an inherently abstract drawing that is a representation of a three-dimensional, spherical world on a flat surface. As a monad of the world, it is both visible as and legible for the purpose of being a ...

The relationship between the artist and advert begins at the advent of advertising, in the late-19th century. Alphonse Mucha was a prolific Czech painter and decorative artist, and his distinctive Art Nouveau style was popularised by his posters for a range of products, from French biscuits to Moët & Chandon champagne.

When artists do advertising | Edology

The day of the creative genius toiling away in isolation is dead, and a new one is dawning, a day of artists without borders working together in "distributed creative production." From 1996 to 2000, the project used digital technologies to livestream dancers and musicians across the miles.
