Anyway, today I'm sharing this fun body outline craft. This is great for pre-k and kinder classes. Lorelai's pre-k teacher sent home a hand-drawn version of this. All of the students decorated their own people and then took it back to school. She had it pinned to a bulletin board with the kids' names above their own little person.

Drawing: Because of the large surface area of body outlines, it is a good idea to think carefully about what type of drawing utensils will make drawing and colouring quick and easy (especially for young children). Felt tipped markers, crayons or oil pastels will take less time than pencils. It can also be fun to add a paint wash over crayons or oil pastels for a colourful crayon resist effect.

### Kids Art: 5 Ways With Body Outlines

Trace around the body with a felt marker. Have your child take over and draw her own features and clothes on the outline. It can be what she is actually wearing, or what she would like to be dressed in a Halloween costume, for instance. The outline can be cut out or left on the large sheet and then hung up.
