Cerberus' parents were the monster Echinda (half-woman, half-serpent) and Typhon (a fire-breathing giant covered with dragons and serpents). Even the gods of Olympus were afraid of Typhon. Among the children attributed to this awful couple were Orthus (or Othros), the Hydra of Lerna, and the Chimaera. Orthus was a two-headed hound

Geryon lived on an island called Erythia, which was near the boundary of Europe and Libya. On this island, Geryon kept a herd of red cattle guarded by Cerberus's brother, Orthus, a two-headed hound, and the herdsman Eurytion. Hercules set off on for Erythia, encountering and promptly killing many wild beasts along

Appearance. Cerberus, like most of the Helltaker cast, is depicted as a short demon girl with pale skin, red irises, a black arrow-tipped tail, and silvery-white hair; however, in her case, she is represented as 3 girls rather than 1, although these traits still apply to all three.

File Type PDF Cerberus

Since all three are identical, any descriptors applied to one of the girls apply to all of them.
