Grader Champion 720A Parts Hard to find quality items ...

The 720 you are looking at is a Series 2 machine and would have a Champion designed built 8400 transmission with 8 forward and 4 reverse gears This transmission, with a few upgrades (friction plate material and better solenoids) was used from 1984 to Dec 2005 - so parts are readily available but it is a very basic but rugged transmission.
