Dials are strange, mysterious devices which have the ability to store energy and matter. They are made from the remains of particular shellfish. The shellfish remains are gathered from the shallows near the shore of the White-White Sea. Though they originate from Skypiea, some of them can reach and be used in the lower seas. Dials store energy and matter itself, usually by that particular type ...

i. "The Valley of Rephaim lay southwest of Jerusalem and formed part of the boundary between Judah and Benjamin (Joshua 15:8). It may correspond to the 'Valley of Baca' (Psalm 84:6), due to the balsam trees that were there (1 Chronicles 14:14-15). These are named, literally, 'weepers' because of their drops of milky sap." (Payne) b.

Some commentators see this as reference to man's humble state: "Man is a very mean thing in his first conception, modestly here set forth by the making of cheeses." (Trapp) Yet other commentators see a reference here to the act of conception: "Thus he modestly and accurately describes God's admirable work in making man out of a small and liquid, and as it were milky, substance, by ...
