Collocation: 2500+ Collocations List From A-Z With ...

Collocations List Collocations are very common in English, and learning them is important. A collocation is two or more words that often go together, like hard work or make a mistake. Collocations sound "right" or "natural" to native speakers, so the more collocations you use, the more natural your English will sound.

Collocations List | Vocabulary | EnglishClub

Collocations List A collocation is a group of words that go well together. There is no single rule showing us which words go well together, but we can just say that the collocations are determined by the virtue of those words sounding "right" together to native English speakers.
