Community And Clergy Bristol And

Skeeters examines the clergy of Bristol in its entirety--monks, friars, and the parish clergy--and integrates it into the urban context. She demonstrates that by the early sixteenth century these various sorts of clergy had become co-operative rather than competitive, and formed a community which was a fundamental part of the city's collective identity.

Clergy Spouse Support A place for clergy spouses to find information, advice and links to Facebook support groups. Mind and Soul Foundation Our faith and emotions are often kept separate. Mental health is rarely discussed in churches and Christian spirituality is seen as having little to offer the world of psychology. We want to bridge that gap.

Training | Clergy Wellbeing

Clergy inhabit a role - being the 'vicar' - and in general people de-role before they get home. However, living in the vicarage makes it more difficult to de-role, making clergy marriages difficult. In addition, clergy are effectively married both to the church and to their partners, this is complex and needs to be managed well.

November | 2019 | Clergy Wellbeing

Most priests look to the bishop as their pastor. The bishop ordains and licenses clergy and these moments are profoundly meaningful. Each year most bishops ask their clergy to come to the Maundy Thursday service and renew their vows together, there is a sense of shared vocation and mutual respect. The clergy know that the...
