an increasingly important role in United Nations peacekeeping and this looks set to grow in the years ahead, especially as the international community seeks to develop the rule of law and reform security institutions in States recovering from conflict (Goldsmith and Sheptycki, 2007) With transnational police development-aid the imbalances of power ...

Police - Wikipedia

Police operated in neighborhoods as authority figures, sometimes whipping delinquent boys as a more effective sanction than arrest and incarceration. Police commonly used violence to persuade suspected persons to confess, and newspapers reported interrogations of this nature without unfavorable comment (p. 22). In addition, the police culture of the time supported the use of violence in ...
