China Cummins Marine Diesel Engine KTA50-M for Boats and ...

Cummins offers a complete line of propulsion, generating set and auxiliary power solutions from 6.7 to 95 litre.

Cummins marine diesel engines designed specifically for commercial, recreational and military marine applications. Cummins marine diesel engine power a wide range of applications, such as:

Marine | Cummins Europe

At the core of Cummins' high horsepower marine engines is the reliability and durability derived from diesel powerhouses proven in the toughest, most remote applications in the world. Cummins' range of Quantum electronic engines for recreational propulsion delivers best-in-class power density and fuel economy along with ultra-low emissions and significantly reduced noise.
