The African Union (AU), an international organization comprising all 54 independent states in Africa and Western Sahara, was established in May 2001 to, among other things, promote regional integration, interstate solidarity, peace, good governance and to enhance the African voice in the global system. Pan-African organization is like the proverbial forest that has bad trees dotted around its ...

African Union: Successes and Failures - Oxford Research ...

It was pointed out also that democracy in Africa has been badly hindered by the state's control of the economy: this has meant that the only way to get rich has been through political office, intensifying the problem of corruption, and inducing leaders to cling to political power. This has been disastrous for the economies in African countries.

Democracy and Governance in Africa | Democratization in ...

In Africa we have our own democracy a kind of democracy which is only understood by Africans. Therefore democracies are failing in Africa because we are trying to implement another type of democracy which goes against our cultures thus it becomes incompatible altogether. Also the fact that we are trying to do it the way America does its own.
