Double Vision is the second studio album by the British-American rock band Foreigner, released on 20 June 1978 by Atlantic Records. Recorded between December 1977 and March 1978, it was Foreigner's only album co-produced by Keith Olsen and the last recording with bass guitarist Ed Gagliardi who would be later replaced by Rick Wills.. Double Vision was the first in the line of many other ...

Double Vision (Foreigner album) - Wikipedia

Usually, blurry vision simply means you need an updated glasses or contact prescription, or you may need to start wearing reading glasses. However, if you've updated your prescription and followed your doctor's advice and you are still experiencing blurry vision, make a follow-up appointment as soon as you can. [9]

Simple Ways to Cure Blurry Vision: 14 Steps (with Pictures) - wikiHow

He has an understanding of 3D Modeling, Texturing and Digital Sculpting and passion for Game Art along with constantly learning and advancing techniques while staying updated with industry standards. He also has a solid understanding of composition, lighting, colour, form and structure and

the ability to apply this knowledge in a 3D interactive world.
