Dsc PowerSeries Manuals

My home security system (DSC Powerseries 433) is chirping. It did this at the same time last night - I tried everything I could to make it stop and eventually ended up setting off the panic alarm. After the alarm timed out, it eventually stopped. But now its started again and I don't know how to make it stop. It seems to be the fire alarm system.

My home security system (DSC Powerseries 433) is chirping ...

Your DSC Security System is made up of a DSC control panel, one or more keypads and various sensors and detectors. The control panel, which is a metal cabinet, will be mounted out of the way in a utility closet or in the basement.
