Entanglements Or Transmedial Thinking About

"In Rey Chow's own terms, entanglements are "the linkages and enmeshments that keep things apart; the voidings and uncoverings that hold things together." Chow's entanglements are prefaced by her rare command of and facility with the literature of contemporary critical theory.

Entanglements, or Transmedial Thinking about Capture

Entanglements, or Transmedial Thinking about Capture. Rey Chow is Anne Firor Scott Professor of Literature at Duke University. She is the author and editor of numerous books, including The Age of the World Target, also published by Duke University Press. This content is made freely available by the publisher.

Entanglements, or Transmedial Thinking about Capture ...

This paradoxical character of their discursive relations is what Rey Chow intends with the word "entanglements," by which she means, first, an enmeshment of topics: the mediatized image in modernist reflexivity; captivation and identification; victimhood; the place of East Asia in globalized Western academic study.
