Exploring Laws Empire The Jurisprudence

Year 1347 was a common year starting on Monday (link will display the full calendar) of the Julian calendar, and a common year starting on Sunday (link will display the full calendar) of the Proleptic Gregorian calendar.. 1347 was a common year starting on Monday of the Julian calendar, the 1347th year of the Common Era (CE) and Anno Domini (AD) designations, the 347th year of the 2nd ...

1347 - Wikipedia

Law is a system of rules that are created and are enforceable by social or governmental institutions to regulate behavior, with its precise definition a matter of longstanding debate. It has been variously described as a science and the art of justice. State-enforced laws can be made by a group legislature or by a single legislator, resulting in statutes; by the executive through decrees and ...

The corpus of jurisprudence that has been produced over centuries by Muslim scholars, which we think of when we imagine 'Islamic law', is fiqh. As it is the result of human effort and interpretation, it is recognised to be fallible and contestable. These terms are often used interchangeably. For the purposes of this article, I use the terms 'shari'a' to refer primarily to God's ...

Sharia, or sharia law, is the Islamic legal system derived from the religious precepts of Islam, particularly the Quran and the Hadith. The term sharia comes from the Arabic language term sharī'ah, Arabic: **شريعة** which means a body of moral and religious law derived from religious prophecy, as opposed to human legislation.

The focus of this article is on exploring the relationship between information technology and privacy. We will both illustrate the specific threats that IT and innovations in IT pose for privacy and indicate how IT itself might be able to overcome these privacy concerns by being developed in ways that can be termed "privacy-sensitive", "privacy enhancing" or "privacy respecting" ...

Administrative Law is concerned primarily with judicial control of the activities of the executive branch of government. The main topics covered are: (1) the grounds on which decisions and rules made by the executive can be challenged in the court - some of these relate to the substance of the decision or rule and others to the procedure by which it was made; (2) the remedies which can be ...
