HFw's 'impressive dispute resolution practice' is particularly experienced in maritime cases. It also covers shareholder agreements, contracts, company sale and purchase agreements, shareholder and minority rights, and share transfers and share swaps, along with directors' rights and duties, derivatives, wrongful and fraudulent trading liabilities, and schemes of arrangement.

Dispute resolution: foreign firms in China | Law firm and ...

Investor-state dispute settlement or investment court system is a system through which investors can sue countries for discriminatory practices. ISDS is an instrument of public international law, and it contains a number of bilateral investment treaties, in certain international trade treaties, such as the USMCA. A version of it also appeared in the older NAFTA, and the CPTPP and CETA agreements. ISDS is also found in international investment agreements, such as the Energy Charter Treaty. If an

Investor-state dispute settlement - Wikipedia

Under customary international law, a foreign investor is required to seek the resolution of such a dispute in the tribunals and/or courts of the country concerned.
