Grade Level Team Meetings

Grade-level data meetings are the cornerstone of successful school renovation. The faculty's commitment to the work of these meetings is a direct reflection of their commitment to ensuring that no child is left behind. In short, these meetings are a time to face the facts and decide what needs to be done.

Grade Level Team Meeting - NYC Charter Schools

We recently spoke to Julia K., an amazing middle school teacher in Washington, D.C. (and incidentally, DC's Teacher of the Year! Go Julia!), about how she plans and prepares as a grade level leader. The Facts: Julia does not receive a reduced teaching load to lead a grade team. Julia does receive a small stipend for her work.

From that point on, grade-level teams set aside their previous agenda formats for the formation of agenda items oriented around lesson planning. As a school, we also acknowledged that there would be difficulties ahead as we spent more time on some priorities and less time on some other items that were once mainstays on our meeting agendas.

Making Teacher Team Meetings Work for Teachers ...

This planning tool provides a means of sampling effective agendas using a tool that highlights four key elements for improving the results of grade level team meetings. As teams develop and refine their meeting procedures, they can review the information individually and then meet as a team to discuss and come to consensus on the most effective agenda structures for reaching their goals.
