When the venerable Assassin for the Order of the Red Cross of Gold finds himself unable to recall the details of his latest mission, he becomes the victim of a ruthless woman bent on prying ancient secrets from his head by any means necessary. While he searches his muddled mind for answers, he becomes involved in a sort of erotic warfare with two of his captors. He has to fight for his life when his Brothers come to fetch him home?? with or without his head. A photographic survey of the Spanish Revival style and its impact on American architecture traces its origins from the colonial churches of the Southwest to its impact on the 1915 Panama-California Exposition in San Diego and beyond.

Industrial Archaeology uses the techniques of mainstream archaeological excavation, analysis and interpretation to present an enlightening picture of industrial society. Technology and heritage have, until recently, been the focal points of study in industrialization. Industrial Archaeology sets out a coherent methodology for the discipline which expands on and extends beyond the purely functional analysis of industrial landscapes, structures and artefacts to a broader consideration of their cultural meaning and value. The authors examine, for example, the social context of industrialization, including the effect of new means of production on working patterns, diet and health.

Right-wing conservative and card-carrying member of the Silent Majority, Francis Scott Key is the shirttail relative of the national anthem's author. A former SEAL and current venture capitalist in Menlo Park, California, Scotty becomes involved with Ali Woo, a beautiful NSA agent. Scotty becomes suspicious when a Berkley grad who developed a way to revolutionize mining goes missing, and localized earthquakes in Canada and Mexico kill their prime minister and president. He teams up with a Royal Canadian Mountie to discover if these natural disasters are truly "natural." Shortly after the deaths of the Mexican and Canadian officials, a cataclysmic 8.8 earthquake takes 242,000 lives in California. Are these events linked? A guessing game ensues as to the real entity pulling US President Rasheed's strings. What is the true motivation to rack up debt to the point of the country's ruination? From San Francisco to D.C., Vancouver, and Cozumel, Mexico, Red House explores in humorously irreverent, gritty detail, the tipping points between treachery, incompetence and ideology against the backdrop of a rich international tapestry of intrigue. Is corruption or narcissistic megalomania driving the bus hurtling the US towards bankruptcy?

A beautiful, young bride is murdered at her wedding reception. The next day, one of the wedding guests makes a terrified call to her boyfriend, Neil. She claims to have seen a shadow wearing the blood-covered bridal veil found at the murder scene. Then, the girl disappears. There are many suspects in these two

tragedies. Maybe it was Peter, the groom with the wandering eye. Perhaps it was Michelle, the Maid of Honor who seems a bit too fond of Peter. Maybe Neil found out his girlfriend's secret. Perhaps it was the angry psychiatrist, his wife or her new lover. Most people think it might be Dylan. He's the creepy office worker with a few unnatural, disturbing tastes of his own! The police must work their way through a growing number of shady suspects as rumors fly and tempers flare. But when more veil sightings and deaths occur, everyone must consider the possibility that nobody wants to face. Perhaps the bride has come back from the dead to take revenge on those who have wronged her!
