You are "The God Who Sees Me." Discover a close relationship with God—no matter the pain or suffering in your life. Witness the depths of God's compassion through the eyes of Hagar, a runaway slave who meets the living God in a desert of despair, where she gives Him the name El Roi, "The God Who Sees Me." A largely forgotten Old Testament character, Hagar is actually one of only a few people who have ever spoken directly with the LORD. Through this seven week study, you will find that when you surrender your life into God's hands, your trials and triumphs serve a magnificent purpose: to draw you into the arms of the faithful God who sees you.

Many of us tend to live as though Jesus represents the "spiritual part" of our lives. We don't clearly see how he relates to the rest of our experiences, desires, and habits. How can Jesus, the Bible, and Christianity become more than a compartmentalized part of our lives? Highly regarded New Testament scholar and popular teacher Jonathan Pennington argues that we need to recover the lost biblical image of Jesus as the one true philosopher who teaches us how to experience the fullness of our humanity in the kingdom of God. Jesus teaches us what is good, right, and beautiful and offers answers to life's big questions: what it means to be human, how to be happy, how to order our emotions, and how we should conduct our relationships. This book brings Jesus and Christianity into dialogue with the ancient philosophers who asked

the same big questions about finding meaningful happiness. It helps us rediscover biblical Christianity as a whole-life philosophy, one that addresses our greatest human questions and helps us live meaningful and flourishing lives.

For six years, spiritual formation leaders such as Dallas Willard, Bruce Demarest, and Bill Hull came together with other colleagues to create a collection of wisdom and honest personal revelation in the areas of discipleship and spiritual formation. The result is The Kingdom Life, a book that offers a fresh approach to the spiritual disciplines through a three-pronged focus on transformation, community, and outreach. Connect in a unique way with God and His kingdom by understanding how He sees grace and doctrine, brokenness and obedience, outreach and justice. Includes seven highly practical "process" chapters as well as three theological chapters on the Trinity, the Scriptures, and the Holy Spirit.

Single, Married, Separated, & Life After Divorce, Expanded Edition (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding.

Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.

What is true faith? In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always be tested, but because it places its trust in the King of the universe, will always prevail under testing. Kingdom faith, therefore is a triumphant faith that will overcome the world.

He will cover the earth with His glory by pouring Himself into His people. This book is another exciting addition to Dr. Myles Munroe's series on the Kingdom of God. God's Big Idea shows how God wants to make the earth a place of Kingdom harmony and peace beginning with you! You will discover things about God's love and plan, such as how: Your destiny will be fulfilled right here on earth. You can enjoy continuous fellowship with the Lord. You are created to turn the earth into a place filled with His culture! Your decisions make a big difference in what happens on earth. Dr. Munroe explains how you can be directly involved in God's Big Idea by helping plant and multiply His garden communities where all God's children live fruitful and abundant lives. Discover God's Big Idea, and you will find your own destiny! In *Applying the Kingdom*, the third book in his Kingdom series, Dr. Myles Munroe makes the case that the key to abundant living is found in establishing priorities in one's life and living by them. Topping his list is the priority, Kingdom First!

"The Kingdom of God has almost nothing to do with religion. Instead, it has everything to do with the King Himself--with replicating His character and reproducing His will on Earth. Maturing in their citizenship, Kingdom citizens grow to reflect their King's culture, values, morals, nature, and lifestyle."

For those who have pondered the question of why some ethnic groups seem to prosper in America while others fall behind, one only has to read the message presented here by C. Mark Hollomon. In his book, *The Godly Principle of Self-Interest*, Mr. Hollomon gives specific answers to Black America as to how and why other groups with cultures such as ethnicity and language are able to come to America, and in a short period of time manage to establish a strong presence economically and politically. A prime example is the Cuban population of Florida. Since the rise of Fidel Castro in Cuba, dissatisfied Cubans have fled Cuba, practiced cooperative economics, built their economic power base and, thus, transformed this base into a political machine, particularly in South Florida. All this was accomplished using the methods C. Mark Hollomon has described in this book. By simple observation, one can also note the Vietnamese boat people in Garden Grove, California, and the Korean population in Los Angeles as other examples of groups that have practiced self-interest successfully. Hollomon's message is clear. Black America must harness their buying power and invest in their own community. Black dollars are being siphoned out of the inner cities by groups that do not typically re-invest back into the community which sustains them so well. Ownership is the key. Making a determined and conscious effort about how to use your economic clout is what most groups of like culture have been doing for decades. As a Latino American, I can personally endorse the principles in this book as applicable and beneficial not only for Black people, but for all people. The blueprint is here. The examples are easily and readily viewed. C. Mark Hollomon's words ring true.. Richard Roman. Business Owner. B.A., History. University of California, Los Angeles

Abstract theology is overrated. In the contemporary West, we're desperately in need of rediscovering God through ordinary, physical things we see in the world around us. Jesus did it all the time. He mentioned a lily, sparrow, sheep, coin, fish, harvest, banquet, lamp, stone, seed, and vineyard to teach about the kingdom of God. In the Old Testament, too, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, eagle, shelter, cedar, lion, shield, wave, ox, and so on. "Ask the beasts, and they will teach you; the birds of the heavens, and they will tell you; or the bushes of the earth, and they will teach you" (Job 12:7-8). In *God of All Things*, pastor and author Andrew Wilson explores glimpses of the sacred in created things, finding in them illustrations of the character and gospel of God. As humans, we encounter glory through stars and awe through storms. We learn about humanity through dust and about Jesus's death on our behalf through trees and bread and wine. Ultimately, we meet God in his creation. It is a gallery full of sketches, paintings, and portraits
