poison dart frogs  
Pets  
Poison dart frogs are beautiful and interesting amphibians, who make fascinating vivarium subjects. Although famous for their toxic skin secretions, these colorful frogs stop producing their protective poisons after a brief time in captivity and become safe to maintain. But while most keepers will find poison dart frogs to be fantastic pets, it is important to learn as much as you can about their biology, way of life and the habitats from which they hail to ensure they thrive in your hands. Inside, you will find all of the information you need to care for poison dart frogs and provide yours with a long and healthy life. By incorporating the lessons presented here and doing your best to remain observant of your new pet, success should be within your reach. The author, Ben Team, is an environmental educator and author with over 16 years of professional reptile-keeping experience. Ben currently maintains [www.FootstepsInTheForest.com](http://www.FootstepsInTheForest.com), where he shares information, narration and observations of the natural world. Neon Tetra Care: The Complete Guide to Caring for and Keeping Neon Tetra as Pet Fish The Neon Tetra (scientifically known as *Paracheirodon innesi*) is a freshwater fish that is a member of the Charachin family. The Nenon Tetra is native to southeastern Colombia, eastern Puru and Western Brazil. It can be commonly found in both black water and clear water streams. The Neon Tetra has a bright coloring which makes it highly visible. The fish has a light-blue back and a sheer silvery abdomen. It also has an iridescent blue horizontal stripe that runs along each side of the fish's front half and an iridescent red stripe that runs along the fish's rear half. Its bright coloring is also the main reason that the Neon Tetra is so popular among tropical fish keepers and collectors. Here at Fish Care Manuals we are passionate about fish care. As a brand we have a strong idea of what makes up a good fish care book. We have consulted with multiple experts in the field of fish caring to allow us to create a book filled with cumulative opinions and best practices. The experts we consult range from veterinarians to every day fish keepers who have had years of experience caring for the specific fish each

Everything you ever wanted to know about bettas in one place. The Siamese fighting fish *Betta splendens* (commonly known as the betta) is one of the most attractive and popular tropical freshwater aquarium fish of all time. Despite this,

newcomers to the hobby often struggle to find the information they need to truly master keeping and breeding this spectacular fish for themselves. In this black and white edition of *The Betta Bible*, Dr Martin Brammah combines the collective knowledge of some of the world's most well-respected betta enthusiasts with his own hands-on experience of keeping and breeding bettas, in order to put all of that information within your grasp. Over 300 pages long and containing more than 150 photographs, *The Betta Bible* covers every aspect of the hobby, from taxonomy, anatomy and history right through to the various types of betta, how to breed them and their genetics. Whether you are thinking of buying your first betta, or simply looking to improve your betta breeding skills, this book is for you! "A must-read for both the novice and more experienced betta hobbyist alike." - Dr Joep H. M. van Esch (co-founder of the Bettas4all Standard)

Modern fairy tales of magic, outsiders and lost souls. 'A gem of a book ... deeply moving' *Stylist* 'A darkly clever, beautifully written and deliciously twisted collection of modern fairy tales' *Red* 'Campbell writes beautifully' *Grazia* 'These days, you can find anything you need at the click of a button. That's why I bought her heart online.' Spirits in jam jars, mini-apocalypses, animal hearts and side shows. A girl runs a coffin hotel on a remote island. A boy is worried his sister has two souls. A couple are rewriting the history of the world. And mermaids are

on display at the local aquarium. The Beginning of the World in the Middle of the Night is a collection of twelve haunting stories; modern fairy tales brimming with magic, outsiders and lost souls. 'What a book. It's so strange and magical and the writing is just beautiful. I loved it' Louise O'Neill 'Enchanting and illuminating' Carys Bray 'Like walking through a mirror' Rachel Joyce 'This book is full of character and magic, and I found myself mesmerised' Claire Fuller 'These stories are weaved together like silvery fishing nets. Like shimmering, jewel-bright worlds' Helen McClory 'Magical and sinister at the same time' Kirsty Logan From the author of Weird Things Customers Say in Bookshops series and The Bookshop Book.
