The second volume of the hilarious antics of an RAF Regiment Gunner and his fellow Penguin counterparts. This volume contains the real nitty gritty life of training, exercises, deployments, war, and the general mayhem that ensued. Join us now in a trip down memory lane being cold, hungry, and still laughing through it all. Per Ardua.

In "The War of the Apocalyptics," the first book in the Launch 1980 story cycle, a number of acknowledged devils breaks out of the Sedon Sphere, the dimensional barrier between the Inner and the Outer Earth. In response, the Supranormals re-emerge whole, bodies with minds, from nearly a quarter century in Limbo.

Androcles and the Lion is a 1912 play written by George Bernard Shaw. Androcles and the Lion is Shaw's retelling of the tale of Androcles, a slave who is saved by the requited mercy of a lion. In the play, Shaw makes Androcles out to be one of many Christians being led to the Colosseum for torture. Characters in the play exemplify several themes and takes on both modern and supposed early Christianity, including cultural clash between Jesus' teachings and traditional Roman values.

It was just another day for award winning documentarian and army brat, Kat Delbath. Late hours in the dark, editing her latest project were nothing new; but little did she know that tonight she was on a collision course with terrorists that would flip her life upside down and prove to her that everything she knew was a lie. In the midst of a series of terror attacks, she's learning that the universe is a little more crowded than she realized. Kat owes her life to her very own version of a knight in shining armor: An Armada Centurion in Black Armor. Meet Ranger. Her world will never be the same. From the book: And how do you plan on making your escape?" "Sir, do you really think you could stop me if I wanted to leave? When the time comes, I will walk out that door under my own power and whether or not you leave with me as my friend or are left lying unconscious in the corner there will be your choice. For my part in this, I'd like for us to be friends because we do have a mutual enemy."

Born out of necessity in the dark days of the War, the RAF Regiment found itself in the thick of the action supporting the vital operations in all theatres. This comprehensive record of their operations gives the clearest indication of the contribution that the Regiment made and includes many first hand accounts of the fighting, including the first shooting-down of a jet aircraft, the Me 262A-2a Sturmvogel in November 1944. As a result of their outstanding contributions to the success of RAF operations in WW2, the Regiment became a permanent part of the RAF.

AUTHOR: A former member of the RAF Regiment, Kingsley Oliver served widely. He wrote the first full history of the Regiment in 1970 and also The History of the Worshipful Company of Saddlers. Now retired he lives in Bromley, Kent.

The Wisdom of Prince Phillip is a carefully selected collection of His Royal Highness Prince Phillip's most impressive public statements and a fitting tribute to Australia's favourite Knight. Edited by Sir Antony A. Butt, Australia's foremost Monarchist, and illustrated by Oslo Davis, it will be available in March 2015 as a timely celebration of the momentous occasion of Phillip receiving his Knight of the Order of Australia, no doubt his most illustrious honour to date.

Before there was an England, there was Roma Mater . . . Before King Arthur, there was the King of Ys . . . In the wild and eldritch time between the fall of Rome and the rise of our own age, the kingdom of Ys was ruled by the magic of The Nine and the might of the king, their husband. How the Nine conspired with their gods to bring him to them, though he belonged to Mithras and to Rome, is only the beginning of an enchanted saga that weaves together Celtic myth with distant memories of Roman Britain - and adds a magic of its own.

Forty stories by the popular British novelist show his mastery of narrative, suspense, and atmosphere

Joined by his Myrmidon Team, Centurion Ranger prepares to continue his war against the alien Rochack that have invaded Kat Delbath's homeworld. First, though, he needs to gather new allies and new resources and prepare them for a battle unlike any the world has seen before. Alongside old friends and new, Ranger will destroy this threat to Humanity's safety. From the book "You are Cobbald, yes? Son of the late Minister of War?" Zeno asked. He frowned when Edgar nodded confirmation. "My condolences, Mister Cobbald. If I understand Ranger's metaphor, you more than most, uh, 'have a dog in the fight'." "No, sir," Edgar said.

"What I have is a duty. A duty to my fellow man to protect them from these alien ass clowns that have dared to land on our world, sir." He pointed a thumb at Ranger. "These aliens may be jerks, but they're friendly jerks. They're willing to pay us to work for them. With their tech. Equal shares to governments that sign on, special deals to business partners in the private sector. Imagine, sir, being able to have bases on Huginn and Muninn, to mine asteroids for metals and minerals that are exceedingly rare here. You should see the fusion plants on that little ship. The size of a tractor tire but able to put out more energy than the nuclear plant powering New Inisfrack."

A gruesome discovery leads Libertus on a dangerous quest . . . - Wealthy Volus, ex-lictor to the Imperial Governor of Gaul, is retiring to the town of Glevum. Libertus is sent to his new apartment, where he is informed that one of the ex-lictor's treasure carts has been intercepted, the guards and horses brutally butchered. When his actions are misinterpreted by a network of spies, Libertus is suspected of involvement in the massacre and marched to the garrison to await trial. But after daringly escaping, Libertus embarks on a dangerous quest to discover the truth . . .

The EMPIRE sequence continues with books IV-VI in Anthony Riches' bestselling series, available in a page-turning collection, including The Leopard Sword, The Wolf's Gold and The Eagle's Vengeance. The Leopard Sword The Roman agents who nearly captured Marcus Aquila have been defeated by his friends. But to protect those friends from the wrath of the emperor, he must leave the province which has given him shelter. As centurion of the second Tungrians, he leads his men from Hadrian's Wall to the Tungrians' original home. There he finds a different world from the turbulent British frontier - but one with its own dangers. A bandit chieftain is robbing with impunity. And now he threatens to destabilize the whole northern frontier of the empire. The Wolf's Gold Marcus Aquila and the Tungrians have been sent to Dacia with the mission to safeguard a major source of imperial power. The mines contain enough gold to pave the road to Rome. They would make a mighty prize for the Sarmatae tribesmen who threaten the province, and the outnumbered auxiliaries are entrusted with their safety in the face of an invasion. The Tungrians will have to fight to the death to save the honour of the empire - and themselves. The Eagle's Vengeance The Tungrians return to Hadrian's Wall to find chaos, with the legions overstretched, struggling to man the northern frontier. The Tungrians are sent into the northern wastes, where a lost symbol of imperial power of the Sixth Legion awaits them. Protected by an impassable swamp, the eagle of the Sixth legion must be recovered if the legion is to survive. Marcus and his men must penetrate the heart of the enemy's strength, if they are to rescue the legion's venerated standard. If successful their escape will be twice as perilous...

Death Sails the Seas. The lost kingdom of Orr lies beneath the ocean waves, an entire civilization swallowed by an ancient cataclysm. For centuries, it has lain dormant in the depths, its ancient secrets lost. Until now. The Elder Dragon Zhaitan has risen. In its wake, the drowned kingdom of Orr is reborn—and another is destroyed. The city of Lion's Arch, for generations a cornerstone of civilization in Tyria, is brutally swept beneath the waves, leaving nothing but ruins. Among the survivors is Cobiah Marriner, a human sailor shipwrecked by the tsunami and stranded at sea. When he is rescued by a ferocious charr, Cobiah knows that he's been plunged into a world forever changed. Now, Zhaitan's undead servants dominate the sea, destroying port after port and slaughtering anything in their path. In the midst of ruin, Cobiah vows to see Lion's Arch rebuilt. Amid the storm of the dragon's rising, Cobiah must become a hero to his crew and an admiral to the pirate fleet, and face the ghosts of his past. Only then will he master the Sea of Sorrows and crush the armada of Orr.

From the 1970s cult TV show, Monty Python's Flying Circus, to the current hit musical Spamalot, the Monty Python comedy troupe has been at the center of popular culture and entertainment. The Pythons John Cleese, Graham Chapman, Eric Idle, Terry Jones, Michael Palin, and Terry Gilliam are increasingly recognized and honored for their creativity and enduring influence in the worlds of comedy and film. Monty Python and Philosophy extends that recognition into the world of philosophy. Fifteen experts in topics like mythology, Buddhism, feminism, logic, ethics, and the philosophy of science bring their expertise to bear on Python movies such as Monty Python's Life of Brian and Flying Circus mainstays such as the Argument Clinic, the Dead Parrot Sketch, and, of course, the Bruces, the Pythons' demented, song-filled vision of an Australian philosophy department. Monty Python and Philosophy follows the same hit format as the other titles in this popular series and explains all the philosophical concepts discussed in laymen's terms.

In an age of science and reason, an unfulfilled prophesy is coming to life. Born without telepathy, Magen is exiled by his people, the mythical "North Ice-Islanders". He becomes ensnared in a long-running interplanetary war. Other, more ancient forces are watching. A spy is sleeping. Expect a motley crew, action, witty banter, romance and some provoked thoughts. His arrival doesn't go unnoticed. The Seaton Guard conscript him and the enigmatic Marshal Damoclus, guessing his origin, makes him - 'Swordmaster'. This anachronistic position causes ripples to the highest level of command. Can Magen be used to tip the tides of the war? The heros of old have left the job half done, a legend is becoming real and has a few loose ends. Magen is "Of North Blood Drawn", that makes him a little different. A red-haired girl in his squad has sword that sings - and turns her into a deadly berserker. The dragon stone lies hidden. A dark shadow dogs his steps. Waiting to see what he might become... Look out for the action packed sequel "Heart of the South" available now!

As a teenager from Sri Lanka, Sunny liked to play cricket. But none of his new friends in Manila were remotely interested. That is until the gorgeous Tina arrived, all poise and perfection. Three decades on, Sunny is settled in London with a teenage son of his own. But despite the quiet comfort of his life, he feels unmoored. Trying to reconnect with his past, he goes to watch the visiting Sri Lankan cricket team play at the Oval. As the sun goes down at the end of the match he realises that love, like cricket, is more than just a game. He sees one last chance to get his life into focus, if only there is time.

Famed playwright George Bernard Shaw's quirky version of the ancient Androcles fable deftly combines elements of satire and humor along with a surprisingly philosophically complex view of Christianity and religious belief systems in general. This playful take on the issues of persecution and martyrdom is as timely today as it was when initially published a century ago.

Britannia has been subdued - and an epic new chapter in Marcus Valerius Aquila's life begins. 'A master of the genre' The Times The murderous Roman agents who nearly captured Marcus have been defeated by his friends. But in order to protect those very friends from the wrath of the emperor, he must leave the province which has been giving him shelter. As Marcus Tribulus Corvus, centurion of the second

Tungrian auxiliary cohort, he leads his men from Hadrian's Wall to the Tungrians' original home in Germania Inferior. There he finds a very different world from the turbulent British frontier - but one with its own dangers. Tungrorum, the center of a once-prosperous farming province, a city already brought low by the ravages of the eastern plague that has swept through the empire, is now threatened by an outbreak of brutally violent robbery. A bandit chieftain called Obduro, his identity always hidden behind an iron cavalry helmet, is robbing and killing with impunity. His sword - sharper, stronger and more deadly than any known to the Roman army - is the lethal symbol of his unstoppable power. And now he has moved beyond mere theft and threatens to destabilize the whole northern frontier of the empire . . .
