'Hard-hitting and hilarious' - James Acaster 'Funny, moving and compelling' - Mike Costello A heart-warming, hilarious true story about fighting and family, based on the acclaimed stage show. For fans of books by Dave Gorman, James Acaster and Danny Wallace, along with boxing tales from the likes of Tyson Fury and Ricky Hatton. THE CHAMP Terry Downes - the charismatic cockney known as 'The Paddington Express' - was a world champion boxer, US Marine, gangsters' favourite and later a film star and businessman. THE CHUMP James McNicholas' PE teacher once told him he was so unfit he'd be dead by the time he was 23. James has spent his life pursuing a career in acting and comedy. In reality, that has meant stints as a car park caretaker and river cruise salesperson. After Terry's death, James finds himself in reflective mood, comparing his story of underachievement against that of his world champ grandad. What follows is an increasingly colourful journey through post-war Paddington to the blood-soaked canvases of Baltimore and Shoreditch, via Mayfair parties with the Krays. Along the way, James begins to dig into his own story, confronting the dysfunctional elements of his childhood, describing his often hilarious efforts to make it in the world of showbiz, and attempting to recreate Terry's trials by enlisting in a brutal military boot camp and boxing gym. When James is diagnosed with a frightening and mysterious neurological condition, the two tales of the fighter and the writer suddenly collide, and what began as a nostalgic journey takes on a far more important significance altogether. 'A wonderfully funny and heartfelt story of what family and lineage means. Even made me like boxing' - Josh Widdicombe 'An extraordinary family history, told with warmth and wit. Two remarkable underdog stories - come for the cockney scrapper who conquered the world, stay for the grandson and the fight of his life' - Greg Jenner 'If you like comedy and boxing this is the perfect book. James McNicholas is a very funny man and a brilliant writer' - Rob Beckett

The only translation that shows the original Chinese with a transliteration of each character side-by-side with the English sentence translation. Includes a glossary explaining Sun Tzu's definitions of the key Chinese concepts. There are many translations of The Art of War, but this is only truly accurate version written by America's leading expert on Sun Tzu's system. Winner of the Independent Publishers Book Award for the best Multicultural Nonfiction book of the year! Seven Ways Better Than All Other Translations! 1. More complete: Based on the complete compilation of all historical sources and academic research rather than on traditional fragmentary sources. 2. More accurate: Shows the original Chinese phrases (thousands of characters), individually translates each character (a transliteration), translates each phrase into an English sentence, and provides details of the key concepts that cannot be translated. 3. More concise: Its side-by-side format makes it impossible to add or subtract from the Chinese source or secretly add the translator's editorial opinions. All commentaries are clearly separated from the translation and text. 4. More authoritative: Translated by America's leading expert on Sun Tzu, who has written over two dozen books explaining the strategic concepts in the text. 5. More consistent: Eliminates the imprecise word choices that create the obvious internal contradictions so common in most other translations. 6. More balanced: Offers one English sentence for each Chinese phrase to preserve the balance of ideas in the original work. 7. More organized:

Arnaud Desjardin's "The Book on Books on Artists Books" is a bibliography of books, pamphlets, dealer catalogues and other printed materials on artists' books that takes stock of a wide variety of publications on artists' books since the early 1970s to assess the historical documentation of distribution, circulation and reception in the field.

Together, these materials constitute a unique history of the overlooked ephemera produced by the exhibiting, publishing, disseminating and collecting of artists' books during the last 40 years. Desjardin's criterion for inclusion was to include only informational material on artists' books, rather than critical writing or theoretical texts. Consummately researched, with more than 600 entries, "The Book on Books on Artists Books" constitutes a groundbreaking bibliography that will prove essential for scholars, librarians and fans of artists' books.

WINNER OF THE VONDEL PRIZE 2017 LONGLISTED FOR THE 2017 MAN BOOKER INTERNATIONAL PRIZE Selected as a Book of the Year 2016 in The Times, Sunday Times and The Economist, and one of the 10 Best Books of 2016 in the New York Times Shortly before his death, Stefan Hertmans' grandfather Urbain Martien gave his grandson a set of notebooks containing the detailed memories of his life. He grew up in poverty around 1900, the son of a struggling church painter who died young, and went to work in an iron foundry at only 13. Afternoons spent with his father at work on a church fresco were Urbain's heaven; the iron foundry an inferno. During the First World War, Urbain was on the front line confronting the invading Germans, and ever after he is haunted by events he can never forget. The war ends and he marries his great love, Maria Emelia, but she dies tragically in the 1919 flu epidemic. Urbain mourns her bitterly for the rest of his life but, like the obedient soldier he is, he marries

her sister at her parents' bidding. The rest is not quite silence, but a marriage with a sad secret at its heart, and the consolations found in art and painting. *War and Turpentine* is the imaginative reconstruction of a damaged life across the tumultuous decades of the twentieth century; a deeply moving portrayal of family, grief, love and war.

An astounding tale of courage, belonging and endurance from a renowned storyteller. Tree-ear has a dream. He has watched the master potter Min take a lump of clay and shape it into a thing of beauty. For Tree-ear the transformation is a miracle. Someday he wants to perform such a miracle himself. But you cannot just walk up to a master potter and ask him to teach you his craft, especially not if you're an orphan like Tree-ear. First Tree-ear must prove he is worthy of Min's time and teachings. So he asks the honourable master if he can work for him, without pay, for the privilege of being near such talent. Tree-ear has taken his first step toward his dream. If Tree-ear takes it one hill, one valley, one day at a time, just maybe, he'll be able to make his dream come true. 'Readers will not soon forget these characters or their sacrifices.' Publishers Weekly Contains Linda Sue Park's 2002 Newbery Award acceptance speech.

Winner of the Guardian Children's Fiction Award, *GOODNIGHT MISTER TOM* is one of the best-loved stories set during the Second World War. 'Everyone's idea of a smash-hit novel: full-blown characters to love and hate, moments of grief and joy, and a marvellous story that knows just how to grab the emotions' - *Guardian Goodnight Mister Tom* by Michelle Magorian is the unforgettable story of young Willie Beech, evacuated to the country as Britain stands on the brink of the Second World War. A sad, deprived child, he slowly begins to flourish under the unlikely care of grumpy old Tom Oakley. But then his new-found happiness is shattered by a summons from his mother to come back to London. As the weeks pass by Tom begins to worry when William doesn't answer his letters, so he goes to London to find him, and there makes a terrible discovery. A 40th anniversary reissue with a new introduction by the author, Michelle Magorian.

*War Is a Racket* is a famous anti-war book written by retired Major General Smedley Butler. In the book, Butler discusses how businesses profit from conflict.

*The Art of War* is a Chinese military treatise that was written during the 6th century BC by Sun Tzu. Composed of 13 chapters, each of which is devoted to one aspect of warfare, it has long been praised as the definitive work on military strategies and tactics of its time. *The Art of War* is one of the oldest books on military strategy in the world. It is the first and one of the most successful works on strategy and has had a huge influence on Eastern and Western military thinking, business tactics, and beyond. Sun Tzu was the first to recognize the importance of positioning in strategy and that position is affected both by objective conditions in the physical environment and the subjective opinions of competitive actors in that environment. He taught that strategy was not planning in the sense of working through a to-do list, but rather that it requires quick and appropriate responses to changing conditions. Planning works in a controlled environment, but in a competitive environment.

Jonathan Shaw's *Scab Vendor: Confessions of a Tattoo Artist* is a surreal, multi-generational roller coaster ride through the underbelly of modern culture, charting the course of a life measured by extremes, and all the people, places, and events that shaped that life into a survivor's tale of epic proportions. In its pages, Shaw takes the reader deep, not only into the recesses of his extraordinary mind and adventures, but also into the strange and magical process of memoir-writing itself. If truth is indeed stranger than fiction, then, as Shaw's friend

and literary mentor Charles Bukowski once told him, much of this book would have to be lived before it could be written. In that sense, *Scab Vendor: Confessions of a Tattoo Artist* is much more than a fascinating chronicle of a popular outlaw artist's creative evolution. It is a multicolored, cinematic, modern-day *Odyssey*, written in blood, ink, and tears--a kaleidoscopic, visionary roadmap to the journey of the human soul.

The Art of War (Chump Change Edition)

At forty-three Jeff Winston is tired of his low-paid, unrewarding job, tired of the long silences at the breakfast table with his wife, saddened by the thought of no children to comfort his old age. But he hopes for better things, for happiness, maybe tomorrow ... But a sudden, fatal heart attack puts paid to that. Until Jeff wakes up in his eighteen-year-old body, all his memories of the next twenty-five years intact. If he applies those memories, he can be rich in this new chance at life and can become one of the most powerful men in America. Until he dies at forty-three and wakes up in his eighteen-year-old body again ... and again in a continuous twenty-five year cycle each time starting from scratch at the age of eighteen to reclaim lost loves, make a fortune - or remedy past mistakes. A novel of gripping adventure, romance, and fascinating speculation on the nature of time, *Replay* asks the question: "What if you could live your life over again?"

"Reggae's chief eyewitness, dropping testimony on reggae's chief prophet with truth, blood, and fire." —Marlon James, Man Booker Prize-winning author Renowned reggae historian Roger Steffens's riveting oral history of Bob Marley's life draws on four decades of intimate interviews with band members, family, lovers, and confidants—many speaking publicly for the first time. Hailed by the *New York Times Book Review* as a "crucial voice" in the documentation of Marley's legacy, Steffens spent years traveling with the Wailers and taking iconic photographs. Through eyewitness accounts of vivid scenes—the future star auditioning for Coxson Dodd; the violent confrontation between the Wailers and producer Lee Perry; the attempted assassination (and conspiracy theories that followed); the artist's tragic death from cancer—*So Much Things to Say* tells Marley's story like never before. What emerges is a legendary figure "who feels a bit more human" (*The New Yorker*).

The words of the ancient Chinese sages are as timeless as they are wise. The words of ancient Chinese philosophers have influenced other thinkers across the world for more than 2,000 years, and continue to shape our ideas today. *The Art of War & Other Classics of Eastern Philosophy* includes translations of Sun Tzu's *Art of War*, Lao-Tzu's *Tao Te Ching*, the teachings of the master sage Confucius, and the writings of Mencius. From insights on warfare and diplomacy to advice on how to deal with one's neighbors and colleagues, this collection of classical Eastern philosophy will provide readers with countless nuggets of wisdom. A club-footed orphan struggles for independence, his intellectual development and his attempt to become an artist.

With a scene-setting historical introduction, this newly translated and illustrated edition of a classic work is an essential addition to any home library. Written in 1512, *The Prince* is the masterpiece by Florentine political philosopher, poet, and playwright Niccolò Machiavelli. Although Machiavelli's book has been frequently misunderstood as a manual for unprincipled manipulators and tyrants, careful reading reveals that it actually identifies freedom as an essential characteristic of a good society. In fact, much of Machiavelli's republican thought can be identified in the American constitution, and many of his ideas—such as the belief that life is subject to change and that the winners will be those flexible enough to adapt—remain as applicable today as they were half a millennium ago.

Brilliant illustrations of the first battle cry for American independence spring from the pages of Paul Revere's *Ride*, illustrated by acclaimed artist Charles Santore in this newly redesigned edition of the classic tale. Listen, my children, and you shall hear Of the midnight ride of Paul Revere So begins the classic poem of devoted patriot Paul Revere's midnight ride on April 18, 1775. Henry Wadsworth Longfellow wrote the poem in 1860 as a tribute to the revolutionary hero who rode his horse through Medford, Lexington, and Concord to warn the American patriots that the British were coming to attack. This edition features incredible illustrations that are drawn from extensive research and careful historical consideration. From the hands of New York Times bestselling artist Charles Santore, detailed paintings show the dramatic landscape of the Charlestown shore, the Old North Church, the king's army down to the red-coats and caps, and the streets of Boston and surrounding villages. Santore's research enabled him to draw accurate depictions of everything from Colonial costumes and architecture to the landlord's coat of arms and the furniture at the Wayside Inn. Includes words and phrases from United States history and from such current subcultures as technology and the Internet, the media, recent immigrants, and fashion. This book aims to tell the young convert just what he most needs to know. I hope that pastors and evangelists and other Christian workers may find it a good book to put in the hands of young converts. I hope that it may also prove a helpful book to many who have long been Christians but have not made that headway in the Christian life that they long for.

"There's not a dated maxim or vague prescription in it." — Newsweek Regarded as the world's oldest military treatise, this compact volume has instructed officers and tacticians for more than 2,000 years. From its origins in China, The Art of War traveled the world to inform the strategies of Napoleon and World War II generals. More recently, it has taken on a new life as a guide to competing successfully in business, law, and sports. All of The Art of War's concepts retain their value to modern readers, from the prudence of circumventing a strong opponent and taking advantage of a weak one to the wisdom of preparedness and flexibility. Other topics include strategy, tactics, maneuvering, communications, the treatment of soldiers, and the worth of well-trained officers. History enthusiasts, business thought leaders, and anyone intrigued by competition and rivalry will appreciate this elegant edition of the classic work.

To avenge a long-ago death, a killer puts Toby Peters in his sights. On December 10, 1938, Atlanta burned again. In the back lot at David O. Selznick's studio, sets from a dozen old pictures were pushed together and set alight to provide a backdrop for the climax of what Selznick promised to be the movie of the century: *Gone with the Wind*. Toby Peters, then just a studio security guard, was on hand to help keep the dozens of Confederate extras in line. When the fire was over, he found one of them dead, impaled on his own sword. Five years later, Toby scratches out a living as a private detective for Hollywood's finest, several of whom have just been marked for death. On the back of a cryptic poem is a list of names of men who were on the scene the night the extra died. Two are already dead. One is Clark Gable. The other is Toby himself.

Unabridged version of *The Mis-Education of the Negro*, by Carter Godwin Woodson, offered here for chump change. An underappreciated classic, anyone studying influence, the psychology of persuasion, or social controls would do well to study this book. Woodson states it straight and deserves greater study by all in power, "When you control a man's thinking you do not have to worry about his actions. You do not have to tell him not to stand here or go yonder. He will find his 'proper place' and will stay in it." For those that read *The Art of War*, *The Prince*, *Meditations*, or *How to Win Friends and Influence People*, this book, *The Mis-Education of the Negro*, should be added to their book shelf of classics Contents Foreword 3 Preface 3 Chapter I: The Seat of the Trouble 5 Chapter II: How We Missed the Mark 7 Chapter III: How We Drifted Away from the Truth 10 Chapter IV: Education Under Outside Control 13 Chapter V: The Failure to Learn to Make a Living 16 Chapter VI: The Educated Negro Leaves the Masses 21 Chapter VII: Dissension and Weakness 24 Chapter VIII: Professional Education Discouraged 28 Chapter IX: Political Education Neglected 31 Chapter X: The

Finalist for the National Book Award and the National Book Critics Circle Award in Poetry One of the New York Times Critics' Top Books of 2018 A powerful, timely, dazzling collection of sonnets from one of America's most acclaimed poets, Terrance Hayes, the National Book Award-winning author of *Lighthouse* "Sonnets that reckon with Donald Trump's America." -The New York Times In seventy poems bearing the same title, Terrance Hayes explores the meanings of American, of assassin, and of love in the sonnet form. Written during the first two hundred days of the Trump presidency, these poems are haunted by the country's past and future eras and errors, its dreams and nightmares. Inventive, compassionate, hilarious, melancholy, and bewildered--the wonders of this new collection are irreducible and stunning.

When Gaby Bailleux released the Angel Worm into Australia's prison system, allowing hundreds of asylum seekers to walk free, she also let the cat out of the bag. The Americans ran the prisons, like so many parts of her country, and so the doors of some 5000 American places of incarceration also opened. Both countries' secrets threatened to pour out. Was this a mistake, or had Gaby declared cyberwar on the US? Felix Moore - known to himself as 'Australia's last serving left wing journalist' - has no doubt. Her act was part of the covert conflict between Australia and America. That conflict dates back to the largely forgotten Battle of Brisbane in 1943, stretches forward to America's security interests in Pine Gap and commercial interests everywhere, and has as its most outrageous act the coup of 1975. Funded by his property-developer mate Woody Townes, Felix is going to write Gaby's biography, to save her, and himself, and maybe his country. But how to get Gaby to co-operate? What role does her film-star mother have to play? And what, after all, does Woody really want?

The mission is to prevent the leader of a major drug cartel from abandoning his illegal operation thereby upsetting the status quo in the war on drugs. Major economies are financially dependent of the controlled flow of narcotics and the super secret international organization know as "The Process" has fielded a team of contractors to thwart the cartel leader's plans to replace his income through other means. As they pursue their goal the team encounters stolen Nazi art, super fast boats, cold temperatures and they learn of the danger in trusting their lives to vehicles totally controlled by computer.

Originally published on the eve of the 1848 European revolutions, *The Communist Manifesto* is a condensed and incisive account of the worldview Marx and Engels developed during their hectic intellectual and political collaboration.

Formulating the principles of dialectical materialism, they believed that labor creates wealth, hence capitalism is exploitive and antithetical to freedom. Leave a Cheater, Gain a Life is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity -- but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters -- their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, Leave a Cheater, Gain a Life offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh\*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

Hendon begins *Black Enough/White Enough: The Obama Dilemma* with Obama's announcement of his presidential bid on February 10, 2007, and follows his entire campaign in a journal-like fashion, all the way to the November 4, 2008 election. This running account is peppered with Hendon's own observations, insights, inside information, and personal anecdotes of his long history with Barack Obama. Hendon pulls no punches and offers a warts-and-all look at how Obama's campaign tiptoed across a tightrope to gain the confidence of white Americans without angering African Americans-the latter not always being successful.

The shocking failure of Israel and the West to suppress Iran despite thirty-years' secret struggle While many now fear a looming war with Iran, few know that this war is already raging and has been doing so for the past three decades. Starting from the aftermath of the Iranian revolution, intelligence expert Ronen Bergman details the complex array of political manoeuvring, assassination attempts, arms trading, and suicide bombs that have characterised the secret war between Iran and the intelligence services of Israel and the United States. Drawing on interviews with a plethora of intelligence agents from all sides, this is a riveting exploration of the growing influence of Iran in the Middle East, and the covert activities of the CIA and Mossad to tackle Iran and its political ambitions.

Traveling salesman, Gregor Samsa, wakes to find himself transformed (metamorphosed) into a large, monstrous insect-like creature. living writers of English prose. This book makes a bold claim: The Internet is among mankind's great masterpieces—a massive work of art. As an idea, it rivals monotheism. But its cultural potential and its societal impact often elude us. In this deep and thoughtful book, Virginia Heffernan reveals the logic and aesthetics behind the Internet, just as Susan Sontag did for photography and Marshall McLuhan did for television. Life online, in the highly visual, social, portable, and global incarnation rewards certain virtues. The new medium favors speed, accuracy, wit, prolificacy, and versatility, and its form and functions are changing how we perceive, experience, and understand the world. In “sumptuous writing, saturated with observations that are simultaneously personal, cultural, and strikingly original” (The New Republic), Heffernan presents “a revealing look at how the Internet continues to reshape our lives emotionally, visually, and culturally” (The Smithsonian Magazine). “Magic and Loss is an illuminating guide to the Internet...it is impossible to come away from this book without sharing some of Heffernan's awe for this brave new world” (The Wall Street Journal).

“Wise, witty, razor-sharp” Stephen Greenblatt, author of *The Swerve: How the Renaissance Began* Interested in Machiavelli? That may be a bad sign. We always turn to Machiavelli at crisis points in history – he is the philosopher for dark times. But what do we really know about this man? Is there more to his work than that perennial term for political evil, Machiavellianism? In this concise, elegant book, Patrick Boucheron undoes many assumptions about this most complex of figures. By honing in on Machiavelli's role in the political life of his own time, Boucheron shows how his thought remains essential to understanding not only how authoritarianism works, but also how it can be fought.

The gripping life story of the great war correspondent Marie Colvin told by one of her closest friends **SHORTLISTED FOR THE COSTA BIOGRAPHY AWARD WINNER OF THE JAMES TAIT BLACK AWARD** Marie Colvin was glamorous, hard-drinking, braver than the boys, with a troubled and racketsy personal life. She reported from the most dangerous places in the world and her anecdotes about encounters with figures like Colonel Gaddafi and Yasser Arafat were incomparable. She was much admired, and as famous for her wild parties as for the extraordinary lengths to which she went to tell the story. Fellow foreign correspondent Lindsey Hilsum draws on unpublished diaries and interviews with friends, family and colleagues to produce a story of one of the most daring and inspirational women of our times.
