From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Some guys will go all the way to get to the top. In some cultures it's still seen as 'unmanly' to take a cock up your ass, although it's hard to associate the image of someone supposedly 'less than a man' with some of the muscle studs who grunt like a pig to get fucked. Let's face it, oft times it's the bottom who's the power behind the fuck, using his sphincter in such a way that a whole universe of pleasure resides in one tight black hole. In these eleven stories you'll meet power bottoms from Victorian England and the Renaissance, vampires, marines, men at the top of the world, an elf who discovers humans make the best tops, a group who take out their frustration on a mate's boyfriend's ass, a straight boy who'll do anything to get ahead, a net date who's horny for Satan's dick, and a student aching for hard Arab cock. The Boy Is A Bottom includes, Marine Biology, Marine Animals, Attack of the Ass Bandits, The Arab Downstairs, The Extraordinary Victorian Clockwork Derriere, Creaming the Party Dip, Top of the World, Route 666: Signal Driver, The Butler Did Him, Fifty Shades of Fey, and Spinning the Bottom, all previously published as individual eBooks by loveyoudivine Alterotica. Excerpt from Marine Biology: The sight that greeted me as I opened my bedroom door was the hairy butt crack and dangling scrotum of my beefy big bro, Karl. There wasn't time for it to register as erotic as I watched him slide the entire length of his substantial cock into his girlfriend du jour before he screamed, "Get the fuck outa here!" That he'd glanced over his shoulder to see who the intruder was meant that he didn't mind sharing. Just not with his kid pro bro. If I hadn't forgotten my key, of course, none of it would have happened. But I was in such a hurry to surprise my parents for their thirtieth wedding anniversary, I pretty well floored the Toyota Camry for two hundred miles from my uni campus in the capitol to Redneck Central, as I not-so-fondly called my home town. It didn't feel much like a home town any longer. I was particularly out of favor with the populace, as I'd become an outspoken opponent of the country's military policy. Perhaps not a good idea in a town that supplied a rather large contingent to the Marine Corps. They were heroes. I was a traitor. They'd seen action in a war zone. I'd been on the receiving end of a police baton charge at an anti-war demo. I had a cabinet full of swimming medals. Karl had a chestful of bravery awards. It was a no brainer. My brother and his marine buddies are all big gorillas of men. Karl is 6'4" of almost solid muscle and, I'm pleased to say, an increasing amount of fat, and weighs in at 240lbs. Cropped dark hair and an attitude so belligerent that it would feed the messianic zealotry of any medium level dictator. Naturally, he attracts chicks like horse manure attracts flies. Me, I take after mom. She's petite, dwarfed by my dad, with blonde hair and the friendliest disposition you'd ever care to meet. I take after her—except for the disposition. Like my brother, I get that from my dad. And, of course, like my dad, I have a dick. Besides that, I have blond hair, a slim pro swimmer's body that weighs in at 120lbs, and a face that's much too pretty for its own good. Got me beat up a few times. And it's a constant source of friction between me and my bro and his buddies who call me 'Pretty Boy' to my face, as well as behind my back. It's not meant as a compliment. Our parents discourage mutual homecomings, and we're both happy to oblige. This, however, was one occasion where there was a scheduling error. Now the 'wrong' son was crashing the party. I could have turned around and driven away to a hotel or back to the college, but I was simply too stinking tired. And too stinking poor. I banged loudly on the door and there was a whoop from inside. "The chicks are here at last!" The door was yanked open. The smile of expectation became a snarl of recognition...

Fran Diaz has never been one to pull punches. From her stunning debut with Pompis to her sexy rough group sex stories, she's always unapologetically explicit. In this collection, she takes on familiar topics like backdoor excitement but also talks of bondage and latex laden BDSM, reluctant sex, and more. She even through in a sweet first lesbian sex story. We think she was

trying to let us catch our breath but it didn't work. That story left us breathless, too. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal sex, orgy sex, bondage, BDSM, spanking, slapping, hair pulling, reluctant ass to mouth, and more. Only mature adults who won't find that offensive should read this collection. 1. Donny Likes to Spank (And He Likes Rough Anal Sex, Too!) A First Anal Sex Erotica Story I was excited about finally letting Donnie go all the way, and I even dressed up in some slutty (and really uncomfortable) lingerie to make it all even more exciting. When Donnie saw me, I could tell he liked the sexy outfit. Then, he almost immediately showed me the kind of sex he liked...when he bent me over his knee and spanked me! That wasn't it, either. I had my very first anal sex, too! 2. The Girl at the Orgy (Who Expects a First Lesbian Experience at a Party?) A Group Sex Erotica Story I didn't even want to go to the party in the first place! My friend kind of pressured me into it, and before I knew it, I was seeking a safe place to sit down. Well, I ended up falling asleep on a couch and when I woke up, it wasn't just a party anymore. Hell, people were having sex. Everyone was having sex. No. Not everyone. I wasn't having sex. I was on the couch, and I was getting the hell out of there. At least, that's what I thought would happen. Then a girl kissed me, and things got even crazier. Before I knew it, I was experiencing lesbian sex for the first time, right in the middle of some kind of orgy! 3. Happy Time for Max (My Husband Got a Threesome!) An FFM Ménage a Trois Erotica Story My friend Sherlynn and I had done plenty of experimenting back in college but those days were over now that I was married. At least...that's what I thought. When her pussy suddenly descended to my face while my husband was already screwing me, my perspective changed! It was time for my husband to have both of us. 4. Friday Night's Sex Doll (Covered in Latex and Strapped to the Table) A Double Team Erotica Story with Bondage It was crazy to look at myself in the latex fetish suit. I really was just like a doll, red and black latex and no features that made me anything other than an ass, tits, a pussy, and a mouth. It was objectifying and demeaning and sexy all at once. I was nervous but the client didn't seem to give a damn about my nerves. Before I knew it I, I was strapped to the table with my arms tied behind my back. That wasn't it! My legs were tied ankle to thigh, too. Then THEY took me. What a crazy way to find out I had more than one client! 5. The Wife Wants It Rough (And the Husband is Happy to Oblige) A Sexy Wife Erotica Story with Very Rough First Anal Sex I couldn't help myself. I'd let my mouse wander and ended up watching an online video with very rough sex. For four days in a row as my husband made love to me I felt horribly unsatisfied and then horribly guilty about it! He didn't know that the damned video had filled me with curiosity and with dissatisfaction with just normal sex. He finally noticed something was wrong and before I could help myself the whole story came out. What happened next was completely unexpected. Rough doesn't even begin to describe the sex we had. I guess I'm a complete slut wife because I even liked it when he slapped me, spanked me, and gave me a hard and unannounced first anal sex experience!

In the Black Country in the 1950s, ex-boxer Norman Alonso is a determined and humble Jamaican who has moved to Britain with his wife to secure a brighter future for themselves and their children. Blighted with unexpected illness and racism, Norman and his family are resilient in the face of such hostilities, but are all too aware that they will need more than just hope to survive. At the turn of the millennium, Jesse seeks a fresh start in London - escaping from a broken immediate family, a repressive religious community and the desolate, disempowered Black Country - but finds himself at a loss for a new centre of gravity, and turns to sex work to create new notions of love, fatherhood and spirituality. Rainbow Milk is a bold exploration of race, class, sexuality, freedom and religion across generations, time and cultures. Paul Mendez is a fervent new writer with an original and urgent voice.

I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout "MEDIC!" training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR.

I brought them to the wilderness because we couldn't cope with our reality. The plan was to make a new life that didn't include heartache. No people. No technology. No interference. Just us. A chance to piece together what was broken. But the wilderness is untamed and harsh. Brutal and unforgiving. It doesn't give a damn about your feelings. Tragedy lives there too. No escaping the truths that won't let you go. All you can do is survive where love, no matter how beastly, is the only thing you can truly count on. Confusing. Wrong. Twisted. Beautiful. Sick. Love is wild. And we're going to set it free. WARNING: The Wild is an extremely taboo story. Most will find that the themes in this book will make you incredibly uncomfortable or maybe even offend you. This book is only for the brave, the open-minded, and the ones who crave love in even the most dismal of situations. Extreme sexual themes and violence in certain scenes, which could trigger emotional distress, are found in this story. If you are sensitive to heavy taboo themes, then this story is not for you. Seriously, you've been warned. Don't say I didn't try. You're probably going to cringe many, many, many times. Even if you're on the fence, it's probably not a good idea to proceed. However, if you're intrigued and fearless and kind of sort of trust me, then carry on. This book is for you.

Sex, drugs, and insatiable bottoms. Who doesn't love a good bottom boy? The men in these stories are better than good...they're totally insatiable, they simply can't get enough of what keeps them happy. Whether it's the guy who misses his stop on the last train of the night and ends up with three hunky workman repairing the tracks, a bottom who falls, literally, at the feet of three hot workers putting in a speed hump outside his door, a sex shop worker who goes to the aid of his favorite porn star bottom, a straight boy who bets his ass on a sure thing in a card game, a top man who finds his real calling at a private sex club, or the lead singer in a Korean boy band, these boys give new meaning to Entry at the Rear. Excerpt: I'm such a fuckwit. How else would you explain my predicament? The facts speak for themselves; it's two o'clock in the morning, it's the middle of winter, and I'm pissed off my brain - at least I think I'm pissed because it could be drugs - wearing nothing but a T-shirt, and jeans, with bare feet. I lost my sneakers somewhere during the night. Where am I? Your guess is as good as mine. Godknowswhereville, attempting to hitch a ride outa here. The whole thing is my own fault. There, I freely admit it. Are you laughing yet? Why are gay men so fuckin' boring? They'd rather sit around discussing the latest Lady Gaga clip or gay rights for Antarctic penguins than get down to the nitty gritty. Where are the real men? Gay guys who like it rough and ready at the click of their fingers, who want nothing better than to ram a moderately hot just-past-twink-years bottom like me? I spent the night bored off my brain at a gay pub where a group of gay swingers thought they were on to a good thing by inviting me on a date. Better that they had just thrown me on the ground and had their way with me. A fuckin' date! Do I look like someone who wants to go on a date? Fuck me. My filthy mouth always gets me into trouble. I'm too direct. There, I managed to restrain myself. I was gonna put the F word before at least three or four more of those words in those couple of sentences but I've learned too much of a foul mouth and you sound like one of those wussy porn movies where the actors sprout bad dialogue while looking as bored as I'd felt all fuckin' night. After the pub almost sent me catatonic I headed to a disco where the music almost burst my ear drums and the only action in the Men's was of the snorting or injecting kind and I don't mean injecting in my ass. Somewhere between when I'd paid to go into the disco and leaving the leather den, I lost my wallet - or else it'd been lifted by some skanky fag - and I no longer had taxi fare home. Proof enough that I must have been in a bad way, it took me some time to realize I'd left my shoes inside the leather den but when I went back the door was closed and no amount of banging got me an answer. Plus for the first fuckin' time in living memory the weather bureau got it right and the cold front had moved in: a bitterly cold wind that froze my balls off. Only thing in its favor was it made my nipples hard as

icicles. Problem was, no one was sucking. My lack of mates, the sort who'd allow me to sleep on their living room floor let alone share their bed, sank any chance of a warm place to kip. I guess I must have looked the worse for wear because guys were giving me a wide berth as I walked up the street. In frustration, I shouted at one pissy bunch who giggled like high school girls at the fact I had no shoes. "Have I got two fuckin' heads or something?" No cash for a cab meant sleeping in a park or a shop doorway for the night. I glanced up at the clock on top of the gay pub on the corner. Shit! If I hurried, I might just make the subway. Last train was due to leave in about fifteen minutes. I'd have to jump the turnstiles but that wouldn't be the first time.
