The life, death and rock'n'roll rollercoaster career of AC/DC frontman Bon Scott. Bon Scott was once asked if he was AC or DC. 'Neither,' he grinned, 'I'm the lightning flash in the middle.' And that's how he lived his life. No one had the same skill with lyrics as Bon, who called his words 'toilet poetry', his 'dirty ditties'. He could also vividly depict life on the road, best heard in the AC/DC classics 'Long Way to the Top' and 'Highway to Hell'. When Bon appeared on Countdown in March 1975, the impression he left was indelible. The ugliest schoolgirl to ever grace the small screen, Bon was a mess of tattoos and pigtails, wearing an awkwardly short skirt, all the while puffing on a ciggie. His bandmates, not just the audience, were in hysterics. The video quickly became part of Oz rock folklore. Bon was always the joker in the AC/DC pack. He'd happily pose for a photograph with a joint dangling from his lips or be interviewed in cut-off shorts with a banana provocatively stuffed into his waistband. Anything to elicit a laugh. The off-stage stories surrounding Bon are legendary. After spending a lively couple of days with Bon, Ol' 55 singer Jim Manzie said, 'My rock-and-roll education was pretty much complete.' Bad Boy Boogie is the first biography to focus on Bon's remarkable gifts as a lyricist, frontman and rascal. In short, the real Bon Scott.

From USA Today bestselling author Meghan Quinn comes a forbidden romance about an Irish rebel who falls in love with the wrong girl. Dear Diary, I might have gotten myself into a wee bit of trouble-and I'm not talking about the "court mandated community service," or "therapy sessions from bashing a bloke in the head" kind of trouble. I wish it were that simple. Nope. I'm talking about the "falling in love with one of my client's daughters," kind of trouble . . . The kind of problem I can't talk my way out of when the truth gets out. How I ended up with her phone is a long story-and when she called to get it back, I took things a bit too far. One innocent exchange wound up leading to so much more. Fun, new, and totally immune to my charm, Sutton is different. And I had no idea she was the daughter of Foster Green. Blame it on the dark colored stout running through my veins, pushing me toward one bad decision after another. Pushing me toward her even though I know right from wrong; even though she's my client's daughter. Dating her might be the best or worst decision I've ever made. Only time, whiskey, and one more roll around the mattress with her will tell. Roark

He's a warrior with no battle. A cop with no bad guy. A man with no purpose. When my best friend and ERU partner was blown up by a bomb I should have been able to defuse, I vowed to never let anyone get that close again. I'm just drifting through life, and that's okay with me. If I can't feel, I can't hurt. Until I meet my neighbor. I've been doing my best to avoid the too-pretty pregnant girl next door. She stirs too many things inside me I have no business feeling. She's too young, too fresh, too pregnant with someone else's kid for me to be fantasizing about. Until

the day I can't ignore her anymore. Hillary is a born caretaker, but nobody takes care of her. She's alone in the world, but not for much longer, not with the way that baby dances in her belly. She's all the things I try to stay away from—optimistic, uncommonly sweet, and oh, yeah, she's somehow still a virgin. Author's Confession: You read that right. She's a pregnant virgin. I probably don't need to say anything else to get you to one-click at this point, but I'll go ahead and tell you the bomb technician will make your heart go BOOM. He's the alpha caretaker you want guarding your six. And your nine...

Banks isn't back, and that's the problem. If DCI Alan Banks had been in his office when his old neighbour came calling, perhaps it would have turned out differently. Perhaps an innocent man would still be alive. And perhaps Banks's daughter wouldn't be on the run with a wanted man. But Banks is on holiday, blissfully unaware of the terrible chain of events set in motion by the discovery of a loaded gun in a young woman's bedroom, and his daughter's involvement with the ultimate bad boy . . .

This is the story of a bad boy. Well, not such a very bad, but a pretty bad boy; and I ought to know, for I am, or rather I was, that boy myself. Lest the title should mislead the reader, I hasten to assure him here that I have no dark confessions to make. I call my story the story of a bad boy, partly to distinguish myself from those faultless young gentlemen who generally figure in narratives of this kind, and partly because I really was not a cherub. I may truthfully say I was an amiable, impulsive lad, blessed with fine digestive powers, and no hypocrite. I didn't want to be an angel and with the angels stand; I didn't think the missionary tracts presented to me by the Rev. Wibird Hawkins were half so nice as Robinson Crusoe; and I didn't send my little pocket-money to the natives of the Feejee Islands, but spent it royally in

peppermint-drops and taffy candy. In short, I was a real human boy, such as you may meet anywhere in New England, and no more like the impossible boy in a storybook than a sound orange is like one that has been sucked dry. But let us begin at the beginning.

This bad boy is ready to work some magic... Identical twin and Las Vegas performer Max Dalton has always been the number one bad boy in his family, and he's appreciated the women and fame that comes along with his reputation.
