Alita storms Nova's laboratory alone, where she learns the horrifying secret of the Zalemmites. When she gets trapped in Nova's Ouroboros brain-trap, it turns into a battle of wills. Meanwhile, Den sieges the Scrapyard without his feared cannon. With each side battered, bruised, and near the end of the line, what will be the ultimate fate of our warriors?! At long last, the conclusion to Battle Angel Alita, the classic of sci-fi manga!!

The cyber-martial arts saga that has spanned a solar system and over two decades in print returns, with creator Yukito Kishiro's new sequel that reveals the true story of Alita's childhood on Mars, and the mind-bending adventures that still await her... For centuries, war has raged on the dusty, red surface of Mars. This apocalyptic crucible will produce the solar system's most fearsome warrior, Alita. But for now that warrior is just a little girl named Yoko. The future and past of the battle angel fan out across the reaches of space in the final chapter of one of the greatest sci-fi epics of all time!

The official prequel novel to the highly anticipated science fiction film Alita: Battle Angel, based on Yukito Kishiro's Battle Angel Alita manga, set to be released on December 21, 2018. A long time ago there was the Great War. The reasons for the war have been lost to time. On the shattered surface of the Earth, there is a metropolis that lives amidst the garbage thrown down from the inhabitants of a sky city floating above it. Welcome to Iron City. A lonely doctor specialising in cyborg repair, Ido, is doing his best to help the citizens of Iron City. But Ido has a double life, another persona born from the pieces of his broken heart. Hugo, a young man surviving on a life of crime, spots the ultimate steal: an object that will unearth secrets from his own past. And Vector, the most powerful businessman in the city, has his sights set on a new technology that will change the future of Iron City forever.

After a mission of vengeance in Helsinki, James Bond returns to London and assumes the workload of a fallen 00 Section agent. His new mission takes him to Berlin, presumably to break up an agile drug-trafficking operation. But Bond has no idea of the forces ranged in secret against him, the full range of an operation that's much scarier and more lethal than he could possibly imagine. Berlin is about to catch fire... and James Bond is trapped inside. Dynamite Entertainment proudly presents VARGR, the debut storyline in the all-new James Bond comic book series, as crafted by masterful writer Warren Ellis (Transmetropolitan, The Authority) and artist Jason Masters (Batman Incorporated, Guardians of the Galaxy). James Bond is trapped in Los Angeles with a MI6 agent under fire and a foreign intelligence service trying to put them both in bags... and possibly more than one foreign intelligence service. And things may not be any safer in Britain, with bodies dropping and ghosts moving in the political mist..

Beautiful battle angel Alita's adventures continue as she awakens in a new cyborg body and encounters a world filled with bizarre and tormented characters.

New York Times bestselling author Sabaa Tahir joins writer Nicole Andelfinger and artist Sonia Liao for an all-new original graphic novel introducing the dangerous world of An Ember in the Ashes to new readers and revealing an untold story of Elias and Helene's beginnings at Blackcliff Academy in this stirring standalone chapter in the series' mythology. Before they were on different sides of a revolution, Elias and Helene were comrades at Blackcliff Military Academy. When they're sent on a dangerous mission to steal a heavily-guarded poison on Isle

South, they soon find themselves up against surprising enemies—including other recruits. As the true horror of their assignment is revealed, they will begin to confront the harrowing realities of Martial rule, their place in the system...and the choices they must make to survive.

Alita wakes to find that she has been moved into a different cyborg body, as beautiful as ever, but more powerful. She also finds that while she was "gone," Nova revealed the terrible secret of Tiphares. Now, those that know the truth are being hunted down by killer robots, and a group of children needs Alita's help. But who can she trust?

Following her parting with Figure Four, Alita starts a new life as a TUNED agent with new powers. As she travels the desert, she's reunited with Koyomi, meets the eccentric blind psychometrist, Kaos--and comes into contact at last with Den, terrifying leader of Barjack. What is Alita's past, that Kaos claims to see? What is the purpose of the Barjack Rebellion, which spreads like wildfire?! As the cast expands, the "Barjack" arc reaches its most explosive point yet!!

Contents- Out of blue sky; Iron Maiden; Rainy days; Bitter dreams; Beyond the clouds.

Against her better judgment, Alita is now working as an agent of Zalem, as the price for the conclusion of the Zapan incident. She rides as security on the Factory's freight trains going through the wilderness away from the hustle and bustle of the Scrapyard--until the roving bandit Barjack forces attempt a train robbery! This kicks off the "Barjack" arc, the longest and biggest of the series, as Zalem, Barjack, and Nova grapple in the desert sands!!

Beautiful cyborg Alita has had a long career as a deadly hunter-warrior. Now it's another resurrection and a third lease on life for North America's new, tough manga sweetheart: Alita's death sentence is commuted in exchange for her services in an elite force of the utopian city Tiphares. Her first assignment: protect a nuclear-powered train from the infamous brigands known as Barjack. But en route there's even more trouble when a brash, handsome mercenary catches her eye.

WHAT DOES IT MEAN TO BE HUMAN? The lovely, deadly cyborg Alita returns in 664 pages of cyberpunk action! Alita wakes up alone in the sky city of Tiphares, her brain and body reconstructed by the mad scientist Desty Nova. There's no time to wonder why Alita's greatest enemy would resurrect her, though – the royal city has been thrown into chaos by Nova's revelation that the Tiphareans have had their brains replaced by bio-chips! Everyone needs answers – and Alita will fight to get them! INCLUDES TWO ORIGINAL STORIES BY YUKITO KISHIRO NEVER BEFORE PUBLISHED IN ENGLISH!

A FIREFIGHT ACROSS THE GENERATION GAP! Nanotechnology made humanity immortal, and the resulting population explosion pushed the Solar System's resources to the breaking point. As a result, new births are banned and even the planets' disparate governments cooperate to annihilate any children already born. With the tournament looming, Alita and her comrades find themselves caught between a spacefaring refuge for young innocents and a bloodthirsty mob intent on killing the children for sport!

Like most kids his age, Punpun is in high school. In fact, he has made it into the best high school in town. He is such a good student. He studies so he doesn't have to think about his life. Maybe a meteor will crash into Earth and destroy everything. A guy can wish, Punpun... -- VIZ Media

As Alita confronts mad scientist Desty Nova for the last time, she finally learns the chilling secret of her past. Meanwhile, the leader of the Barjack's rebellion, Den, launches a kamikaze assault on both the Scrapyard and Tiphares, which Alit a finally views with her own eyes for the first time just before it is annihilated.

After Daisuke Ido discovers the head of a cyborg in a trash dump, he reconstructs her body and names her Alita.

"In a dump in the lawless settlement of Scrapyard, far beneath the mysterious space city of Zalem, disgraced cyber-doctor Daisuke Ido makes a strange find: the detached head of a cyborg woman who has lost all her memories. He names her Alita and equips her with a powerful new body, the Berserker. While Alita remembers no details of her former life, a moment of desperation reawakens in her nerves the legendary school of martial arts known as Panzer Kunst. In a place where there is no justice but what people make for themselves, Alita decides to become a hunter-killer, tracking down and taking out those who prey on the weak. But can she hold onto her humanity as she begins to revel in her own bloodlust?"--Publisher's website.

On assignment as a member of the Tuned, an elite force of the utopian city of Tiphares, Alita is on a quest to find her surrogate father, Doc Ido.

After hearing a rumor that Alita is dead, Figure Four sets out to find the truth, and finds Ido, a doctor who has lost all his memories.

As a young child, Senri Nakajou saw his family murdered before his eyes, and he's lived for revenge ever since. From his daily activities to his studies, everything is about attaining the power and money necessary to find the killer and make him pay-even if it means getting a little dirty himself...
