The Sith Empire is in flux. The Emperor is missing, presumed dead, and an ambitious Sith Lord's attempt to seize the throne has ended fatally. Still, Darth Karrid, commander of the fearsome Imperial battle cruiser Ascendant Spear, continues her relentless efforts to achieve total Sith domination of the galaxy. But Karrid's ruthless determination is more than matched in the steely resolve of Theron Shan, whose unfinished business with the Empire could change the course of the war for good. Though the son of a Jedi Master, Theron does not wield the Force—but like his renowned mother, the spirit of rebellion is in his blood. As a top covert agent for the Republic, he struck a crucial blow against the Empire by exposing and destroying a Sith superweapon arsenal—which makes him the ideal operative for a daring and dangerous mission to end Ascendant Spear's reign of terror. Joined by hot-headed smuggler Teff'ith, with whom he has an inexplicable bond, and wise Jedi warrior Gnost-Dural, Darth Karrid's former master, Theron must match wits and weapons with a battle-tested crew of the most cold-blooded dark side disciples. But time is brutally short. And if they don't seize their one chance to succeed, they will surely have countless opportunities to die. A fast-paced and tension-fraught tale based on the award-winning video game from BioWare and LucasArts.

After hundreds of years, the Sith Empire has returned to the galaxy, determined to crush the Republic that sent them into exile. For young Sith Teneb Kel, it is his only chance to rise above his lowly beginnings as a slave and prove his worth to the Dark Council. Yet their mission for him is unexpected. Rob had not been in love with her when he'd married her. This, Maria concluded, was why he had not been able to keep his marriage vows. When he betrayed her just a few years into their marriage, she wanted to leave him immediately, despite the fact that she still loved him. But knowing how their separation would devastate their children, she decided to stay, at least until both children were old enough. Later, she would learn about Rob's greater betrayal, committed before they'd even been married. Maria finally found the courage to leave Rob when their children were grown and married. Her leaving came as a great shock to him, who'd assumed his wife would stay forever. She hadn't left him when she had first learned of his betrayals, had she? So why did she have to leave at all? It was only after she was gone that Rob realized how much he needed her. Her absence was almost unbearable. He'd tried to win her back, but it was too late. She had fallen in love with another man. Now, nearly a decade after their estrangement, Rob and Maria find themselves in the same tour group doing the Camino de Santiago. She'd joined the tour, hoping it would help assuage her grief over her partner's death; Rob had joined because he thought it would be 'fun'. Neither of them could have predicted how much the Camino tour would transform their lives. The lives of Nina and Joy, friends and neighbors of Maria who did the Camino with them, and those of the other pilgrims in their group are transformed as well. This is their story too.
