When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. "Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Dandelion Clocks by Rebecca Westcott will be loved by fans of Jacqueline Wilson, Cathy Cassidy or Annabel Pitcher. Liv takes us on a journey through her life from "Thirteen Weeks Before" to "Six Months After". We discover Liv's passion for photography, her brother's obsession with sticking to the rules, the stupidity of Moronic Louise at school, and how the family copes as Mum's terminal illness takes hold . . . Guided by Mum's own childhood diaries, Liv finds a new way to live. This book is real, funny, utterly touching and absolutely heartwarming. Despite the sadness at the heart of the story, every reader will laugh and keep on turning the pages, charmed by Liv and her mum.

Eve's older sister, Rosie, was bright and alive and always loved being the centre of attention. Then one day, she is

brutally murdered. Six months later, Eve meets Antony and discovers that he was there the night Rosie died and did nothing to help. Is there any way she can ever get past that? Inspired by the tragic murder of Sophie Lancaster, which saw Sophie and her partner Rob viciously attacked in Stubbylee Park, Bacup, Lancashire because of the way they dressed, this is a hard-hitting real-life thriller about friendship, courage, loss, forgiveness and about our society and communities.

Greg Heffley tells about his summer vacation and his attempts to steer clear of trouble when he returns to middle school and tries to keep his older brother Rodrick from telling everyone about Greg's most humiliating experience of the summer.
