

Born Again Sinner

My heart's about to get wrangled in Chad's wicked little game. I left behind my countryside hometown of Spruce, Texas and my teenage tormentor Chad Landry to start over, pursue a career, and make a new name for myself. Fast forward ten years, and I'm back in Spruce for my high school reunion to confront my past and to face the boy who made my teen years hell. I'm no longer the vulnerable teenager I once was, and I'll guarantee you this: Chad won't have any power over me. But all the mental preparation in the world couldn't possibly prepare me for the sight of the hot, gorgeous, and hunky rancher that Chad has become, nor the secret he's been waiting ten long years to tell me. Chad's got things to say. And I've got a score to settle. Someone's poor little heart is about to get wrangled in a game it is sure to lose.

NOTE: Though the story addresses past bullying, it contains no actual bullying or violence. "Wrangled" is a small-town, enemies-to-lovers romance loaded with humor, high romantic tension, and southern sass. *** This is a southern male/male romance set in the same fictional small town as "Football Sundae", "Born Again Sinner", and "Heteroflexible". Though this book takes place between the last chapter and the epilogue of "Heteroflexible", it can be read entirely on its own. Read all the books set in Spruce, Texas! Football Sundae Born Again Sinner Heteroflexible Wrangled

Jimmy Strong is one devastating son of a gun. He's gorgeous, stubborn, a dancer, fiercely protective of his loved ones (to a fault), and intense. He can steal your heart with his infectious laughter ... and break it with a single glance of his stunning, rich brown eyes. I ought to know. He breaks mine every day. Being his gay best friend and college roomie is, to say the least, frustrating. Especially when you've seen just about every inch of that corn-fed beauty, he's worked his way into every fantasy you can remember having, and he's as straight as they make them. We're heading back to Spruce for the summer. He just broke things off with his latest lady-squeeze, which means I have Jimmy all to myself for three long months of relaxation, bro-time, and kicking back. Until one night alone with Jimmy - and a reckless, unthinkable move - that changes everything. *** This is a southern male/male romance set in the same fictional small town as "Football Sundae" and "Born Again Sinner". Though this book takes place immediately after the events of "Born Again Sinner", it can be read entirely on its own.

There are important Biblical truths overlooked by much of Christianity. The Devil would have it so, and, unfortunately, our naturally sinful hearts find it attractively so. We prefer to be saved in our sins rather than from our sins. The term Gospel is in reference to the salvation of fallen mankind in Christ's future, eternal kingdom of peace. Tragically, great differences in understanding of the Gospel is a major reason for the multitude of differing Christian faiths. The Bible speaks of "One Lord, one faith, one baptism." (Ephesians 4:5). Jesus Christ made the claim: "I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6). Thus, the Scriptures teach that there is only One True Way to the heavenly Father, only One True Gospel—the Man Christ Jesus. When Adam and Eve sinned in the Garden of Eden—embedding the trait of selfishness in humanity's heart—Christ promised them that He would come to earth to take their punishment, and to crush their deceiver Satan's head. As a perpetual reminder, Christ gave them the sacrificial system. They were to confess their sins over the head of an innocent lamb and then to slay it; symbolizing Christ's future death on the cross for the sins of man. When the children of Israel were delivered from slavery in Egypt, Christ gave them a much more complete explanation of the various steps in the salvation process. In the earthly sanctuary and its services—a pattern of the true sanctuary in heaven—He gave a much clearer explanation of the salvation process as to how, when, and where the various steps occur in reality. For some 1500 years Christ worked with the children of Israel in an attempt to lead them, in their tabernacle/temple services to depict to the world the gospel of salvation through the coming Messiah. Unfortunately, Satan succeeded in blinding their eyes to the truths of their own religious services, to the degree, that they rejected and nailed to a Roman cross the long-looked-for perfect Lamb of God. Unfortunately still today, many of Christ's followers are failing to appreciate the important truths of the gospel as depicted for so many centuries in the priestly services of the earthly tabernacle and temples of Israel. We are tending to ignore the New Testament teachings regarding Christ's High Priestly ministry in the true tabernacle of heaven (see Hebrews chapters 3-10). We tend to not appreciate the important prophecy of Daniel 8:14: "And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed." (Daniel 8:14). The dominant Christian faith of the Dark Ages has side-tracked our attention to a still earthly priesthood with the claim to forgive sin. For these and other reasons, Satan is again succeeding to a great degree in blinding Christ's followers to the great truths of the sanctuary services, now going on in heaven. Through failure to understand as to the how, when, and where Christ is working to save repentant men and women from sin, rather than in sin, many will fail to be benefitted by His death on the cross so many years ago. It is the purpose of this publication to search for clarity as to what is the One True Gospel. It has found that a comprehension of Christ's role as Surety, as the Lamb of God, and as the Mediator-High Priest of the human race goes far in achieving that goal. "We need . . . much more knowledge in regard to the plan of salvation. There is not one in one hundred who understands for himself the Bible truth on this subject that is so necessary to our present and eternal welfare. When light begins to shine forth to make clear the plan of redemption to the people, the enemy works with all diligence that the light may be shut away from the hearts of men. If we come to the Word of God with a teachable, humble spirit, the rubbish of error will be swept away, and gems of truth, long hidden from our eyes, will be discovered." Ellen G. White, Selected Messages, book 1, 359, 360.

Man has a problem and God has an answer in Christ. How do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. How to Be Born Again is at once universal and personal, for the new Christian and for the Christian along the way – an irresistible primer for finding salvation, a guidebook for continuing growth.

The Missouri Harmony was the most popular of all frontier tunebooks, with a history going back to 1820, when singing master Allen Carden introduced it into his St. Louis school. The 185 selections in The Missouri Harmony, compiled from earlier tunebooks, were old favorites used in churches and singing schools which sometimes convened in taverns. Abraham Lincoln and his sweetheart, Ann Rutledge, are said to have sung from The Missouri Harmony at her father's tavern in New Salem, Illinois. Shirley Bean points out in her introduction the importance of tunebooks and frontier singing schools in teaching Americans to read music. The Missouri Harmony, continuing the European tradition of shaped notes, contained the largest collection of compositions for congregations and choirs. Carden included thirty-seven fuguing tunes, among them "Lenox" and "Sherburne." The Supplement, added in the seventh edition in 1835, contains twenty-three hymn tunes, four choral numbers, a sacred song, and a duet; Isaac Watts was the author of most of the texts. This Bison Book edition duplicates the 1846 reprint of the popular ninth edition, which first came out in 1840. Shirley Bean's introduction provides a historical framework that will be welcomed not only by scholars but also by the modern shape-note singing community.

"Cody Davis is gonna make a sinner out of me." Yes, I know exactly who he is. The wounded soldier at the end of Willow Street. Intimidating. Devastatingly handsome. Muscular body chiseled from stone. Deep dark eyes that dare you to come near. Attitude for days. And I just became his caregiver. Everyone warned me to stay away from him - including my father, the respected minister of our small town of Spruce. But clearly I'm too stubborn to heed good advice, especially when Cody Davis is as frustratingly attractive - and persistent - as they come. As the preacher's son, I have strict morals I must live by. But each day spent with that aggravating hunk makes me question them. My safe and fragile world is turning upside-down, and I'm not sure I have the strength to stop it. And even worse: I'm not sure I want to. Temptation this bad never looked so good. This soldier is gonna make a sinner out of me. * This is a standalone male/male romance set in the same fictional small town as "Football Sundae". Steam, humor, and a whole lot of southern sass guaranteed. *

Rusty was always pretty hardheaded. It seems life's lessons for him had to be experienced first hand. As he walked down the road of life, he fell numerous times, but knew that he was never too smart to ever think that there was no more to learn. He takes you on a short journey through some incredible experiences that will have you laughing at times and crying at others, yet astonished at still other times. Although it would seem that Rusty didn't follow the right path that was thrust upon him earlier on in his adventures, he knew it was running parallel to him at all times. Be it a scare tactic by an unseen force, a love motive, or the belief that God is right there by his side, he zigzags across that line, which truly is the only way to happiness.

This book is an ultimate guide to understanding salvation through Jesus Christ. In this classic book, you will understand how much Jesus loves you, how you can be born again, how you can avoid going to hell and what it means to be a new creature in Christ Jesus. Give this book to anyone and they will understand what it means to be saved through the blood of Jesus Christ. Twenty-two years ago, I was cut from a cold, sodden womb, and cradled in the filth and poverty of Chicago's concrete arms. Statistically, I wasn't supposed to survive these streets past the age of eighteen. Fate had a different plan. I was bred for one purpose and one purpose only: to unleash death and destruction on my world. My thoughts are power. My words are weapons. Evil created me then grace tried to save me. But first... they tried to kill me. They call themselves the Se7en. They are sin and salvation, and everything we've feared from the beginning of time. And their leader is the deadliest of them all. He doesn't lose. He doesn't compromise. And most importantly, he doesn't distract himself with mortal weakness. Not until me. Kill one to save a million. That's what he told me when he took me as his prisoner. Kill one to save a million. That's what he's been trying to tell himself ever since he took me into his arms.

A tiny premature infant is delivered into the caring hands of NICU nurse, Annie Billodeaux. His father, Matthew Keaton, is the newly hired running back for the New Orleans Sinners football team. His mother is deceased, victim of a stray bullet fired in a gang war. Matt blames himself for having brought his wife to the city. Annie's heart goes out to little Daniel and his suffering father. As she teaches Matt the ins and outs of the NICU and the handling of his child, her affection for both grows into a love she cannot confess so soon to the grief-stricken man. Matt feels the pull of Annie's tenderness, but won't act on it out of respect for his wife's recent death. When Daniel is able to go home, how can Matt keep Annie near until the right time comes for him to voice his love for the Angel of the NICU?

Dane Cooper is gorgeous, thick-headed, and dangerously hot. He's an ex-cop with an attitude - and my bad ex-boyfriend. Dane wasn't always such an insufferable jerk. Back in the day, we were young, reckless, and madly in love. Then I went and broke his heart. Now, after a string of shocking vandalisms puts my neighborhood in a tizzy, I'm forced to go begging for his help in catching this mystery troublemaker. And you thought you were having a bad day. Can I keep from being seduced by his devilish charm? Have I learned from all the foolish mistakes I made before? Or am I doomed to fall for my bad ex-boyfriend all over again? "My Bad Ex-Boyfriend" is a hot and hilarious second-chance M/M romance from Daryl Banner, author of the Amazon top-selling Bromosexual, Hard For My Boss, and Football Sundae.

SINNER is the book that every Maggie Stiefvater and paranormal romance fan has been waiting for! SINNER is a companion book to the #1 bestselling SHIVER, LINGER and FOREVER trilogy. You thought it ended with FOREVER, but there's another story to tell - the one of Cole and Isabel... and this time they're in LA. There will be wolves, and there will be yearning. But most importantly there will be love. And no one does love like Maggie.

Vann, the gorgeous, leather-jacket-clad new bad boy in school, just set his eyes on me. I'm not really good at making friends. That's simply a fact. I'm happy enough if I can just get through the school day, avoid eye contact with anything that breathes, and make it home where my family can continue ignoring my existence and I can play video games in peace. But then he crashes into my life like a tidal wave. The hot new senior at Spruce High. The bad boy everyone can't stop talking about. The one with the leather jacket, smoldering eyes, and cloud of danger following him. The one called Vann. My whole life changes overnight. Now, I want different things. I want an end to my lonesomeness. I want to stand up to the jocks who keep pushing me around. But most importantly, I want to know what Vann's lips taste like. And why he looks pained every time his dark eyes catch mine in class. And why he keeps paying attention to me when the rest of the town doesn't. And why every time I open my mouth to speak, my racing heart chokes me. I don't know what's coming for me in my last year at Spruce High, but I sure hope I'm ready for it. REBEL AT SPRUCE HIGH follows introverted gamer and Biggie's Bites employee Toby as he enters his senior year at Spruce High. The arrival of a gorgeous, leather-jacket-clad new student has the whole high school abuzz with rumors and scandal - especially when the bad boy sets his eyes on Toby. *** This story is set in the same fictional small town as "Football Sundae", "Born Again Sinner", "Heteroflexible", and "Wrangled". Though this is the fifth book in the series, it can be read entirely on its own. NOTE: Rebel At Spruce High is a mature young adult coming-of-age romance full of angst, humor, and steam. As the story deals with certain issues some teens face that may be triggering, reader discretion is advised. For full content disclosure, please refer to the "look inside" feature.
