Business Communication: Process and Product, 6th Brief Canadian Edition, prepares students for a career in an increasingly digital and global workplace. Through innovative resources and comprehensive coverage, this new edition enhances what has made this product so successful in the past: the 3-x-3 writing process, pioneered by Mary Ellen Guffey, the two-part case studies, and coverage of the latest technologies impacting business today. With content delivered in both print and our digital platform, MindTap, our product provides students with information, instruction, and opportunities to practise and apply what they are learning. MindTap has been completely reimagined to bring a more focused and applicable learning experience to students. Within the MindTap platform there are several experiential learning activities for the students to apply what they have learned and build a portfolio that can be used in the future to showcase their work. For instructors, we have a well-developed and curated site of additional resources that are built to support any course using our learning resources. Guffey, Loewy, Griffin: Your authoritative and trusted brand in Business Communication!

For over a decade, Canadian Business English has helped thousands of students improve their language skills and increase their employability. Providing structured self-teaching guidance, this hands-on workbook presents a variety of exercises and sample test questions that review chapter concepts and key terms. Totally revised, the Study Guide also helps students enrich their vocabularies, master frequently misspelled words, and develop language competency with bonus C.L.U.E. exercises. The Study Guide presents application exercises for all of the writing chapters in the text. Each application exercise includes special tutoring tools to help students complete the activity effectively but independently. Nearly all exercises are self-checked so that students receive immediate feedback. The Study Guide is especially helpful for students with weak language skills and for short-term, evening, or distance-learning classes. Its question-oriented format ensures better student performance on chapter tests. Never HIGHLIGHT a Book Again! Business Communication: Process and Product introduces a unique teaching/learning package that solves a major problem for instructors and students today. It provides the atmosphere of an exciting real-life business environment for business communication -- without sacrificing sound pedagogy. This means that students experience the enrichment of real people and real business situations while at the same time learning a hands-on process that they can carry with them to apply long after they leave the classroom...Business Communication: Process and Product takes students inside some of the country's best-run and most respected organizations, such as Liz Claiborne, Ben & Jerry's, American Airlines, Bank of America, and Walt Disney Imagineering. More importantly, though, it balances this exposure with a well-developed and consistently applied process approach to communication. Students need more than real business settings in which to frame their learning. They need a process that outlines specific steps to follow in solving future communication problems, a tangible strategy they can apply in their careers. In addition to a process, we provide ample products of that process.
