At a car boot sale in Sussex, three very different women meet and fall for the same vintage teaset. They decide to share it - and form a friendship that changes their lives . . . Jenny can't wait to marry Dan. Then, after years of silence, she hears from the woman who could shatter her dreams. Maggie has put her broken heart behind her and is gearing up for the biggest event of her career - until she's forced to confront the past once more. Alison seems to have it all: married to her childhood sweetheart, with two gorgeous daughters. But as tensions mount, she is pushed to breaking point. Dealing with friendship and families, relationships and careers, highs and lows, The Vintage Teacup Club is heart-warming storytelling at its very best.

Complete Mathematics is the new name for Oxford International Maths. The Primary Checkpoints series is designed to provide ready-made stimulating activities. Familiarises students with a variety of assessment formats, such as, NAPLAN\* Thematic units of work covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains: • a text type, based on a theme that is relevant to the age and ability level of the student • reading comprehension • language convention • numeracy including mental arithmetic questions and problem solving Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as: • science • geography • history • health • nutrition and fitness • social issues Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A removable answers insert.

For the first two years of her life Kari Herbert lived with her mother and father, the explorer Sir Wally Herbert, among the Inuit people in the vast snowy wastes of the High Arctic. Her first words were Inuktun, her first friends the children of hunters and the pull of the place and its people lured the family back several times during her childhood. Then in 2002 she returned to the Arctic alone. She met her childhood friends again, remembered the exhilaration of sledging with dogs across the ice and remembered the language and faces of her early years. She also encountered alarming changes: the uneasy coexistence of modern life and ancient traditions, and of the hopes and tragedy at the heart of this extraordinary and yet deeply familiar community. place of family memories and of savage beauty, where her friends still hunt and eat whale meat; and where she rediscovers a compelling world where light and darkness dominate life.
