Ilsa Lynn has made it her life's goal to avoid the curse that binds her family to serve the Summer Court of Faerie. With her magically talented twin sister given the role of Gatekeeper, Ilsa is content to hide under the radar amongst the regular humans. At least until a mysterious spell book falls into her possession, granting Ilsa with a sudden and inconvenient affinity with the dead, and dangerous magic that makes her into a target. With her family's questionable past quite literally refusing to stay buried, the last thing Ilsa needs is an untrustworthy self-proclaimed faerie bodyguard, even if he does come with a deadly skillset of his own. Dealing with zombies and fae assassins would be difficult enough on its own, but now someone's out to frame her for murder, too. While dodging enemies at every corner, Ilsa must get a handle on her new powers before the armies of Faerie invade Earth. She might just be in over her head...

In ninety-two days, the feathered appendages that link me to the people I loathe finally come off. Dear, winglets, you will not be missed. Celeste has spent the last four years building a life outside of angelic guilds-parties, check-pursuing human ambitions instead of celestial ones-college, check-and shedding feathers across Parisian cobblestones and more recently New York sidewalks-speaking her mind, always check. She swore off angels, but the death of the woman who took her in the night Leigh died brings them soaring back into her

life . . . and not just any angel but the most detestable one, the one complicit in Leigh's death-Seraph Asher. Although Celeste tells the archangel to feather off, the unreasonably pretty and obstinate man doesn't leave her alone. He returns and insists she complete her wings. When she asks him for one good reason to do so, he gives her an unbeatable one: what he did with Leigh's soul. Asher never meant to share his damning secret, but he knows it's the only way to save Celeste-the rebellious Fletching he can't get out of his head . . . or heart.

Ada is gone, taken by a group of magic-resistant warriors with a grudge against the Alliance. Kay is stranded on Earth, with no way to reach her. But he won't accept that Ada is lost. Ada refuses to resign herself to her fate as a weapon of the Stoneskins. Tapping into her own magic might be her key to escape, but now she's in an unknown world, far beyond the reach of the Alliance. And the terrifying StoneKing has his eye on her -- and her magic -- for reasons she never could have seen coming. Kay puts his job, and his life, on the line to get to Ada. But with powers shifting inside and outside the Alliance and an old enemy waiting in the shadows, the countdown to war has begun... and Ada is right at the centre.

The stakes are higher than ever for Devi Lawson. Former celestial soldier Devi Lawson is now working for the warlocks, but the fragile peace between the celestials and the preternaturally gifted rests on a knife's edge. When a mysterious demonic virus sweeps across the city, turning vampires and celestials alike into

bloodthirsty killers, it's up to Devi to work with the enigmatic and dangerous warlock Nikolas to discover the cause before the city is overrun. But with power forces shifting in the demonic realms and the shadows of old enemies pursuing them, it becomes clear that everyone is keeping secrets, none more so than Nikolas himself. To survive and protect those she cares about, Devi must embrace her terrifying new demonic powers, at the risk of losing her soul to the netherworld...

There are no clear demarcation lines between magic, astrology, necromancy, medicine, and even sciences in the pre-modern world. Under the umbrella term 'magic,' the contributors to this volume examine a wide range of texts, both literary and religious, both medical and philosophical, in which the topic is discussed from many different perspectives. The fundamental concerns address issue such as how people perceived magic, whether they accepted it and utilized it for their own purposes, and what impact magic might have had on the mental structures of that time. While some papers examine the specific appearance of magicians in literary texts, others analyze the practical application of magic in medical contexts. In addition, this volume includes studies that deal with the rise of the witch craze in the late fifteenth century and then also investigate whether the Weberian notion of disenchantment pertaining to the modern world can be maintained. Magic is, oddly but significantly, still around us and exerts its influence. Focusing on magic in the medieval world thus helps us to shed light on human culture at large.

Brielle Atwater isn't sure of much, but she knows a few things: 1. Having black wings is not normal. 2. Selling her soul to the demons was a mistake. 3. Lincoln Grey is the biggest jerk she's ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. Now, the humans are assigned one of two fates, being either demon gifted or angel blessed. After wings sprout from Brielle's back at her awakening ceremony, she's sure she's an angel blessed celestial. It's not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father's life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She's immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. Laying eyes on him, her first thought is that her time at the academy might actually be fun, but this theory quickly fades when she and Lincoln clash on day one. To further prove her admission into Fallen Academy is

With her eighteenth birthday fast approaching, crown princess Josselyn deLure knows it's her duty to choose a husband, but that doesn't mean she has to be happy about it. She'd much rather be practicing her swordplay with her best friend, Edmund, or teasing her straight-laced guard, Alex. Ballgowns and suitors? No, thank you. Marriage will be the least of her worries, however, when a plot to overthrow the kingdom sends her fleeing for her life, with nothing more than a dagger and her loyal guard to defend herself with. That, and a secret even she didn't know existed within her..... let sleeping beasts awaken in this exciting, first installment of E.P. Stavs' The Shendri Series. THE MARKED PRINCESS is a fast-paced adventure filled with witty dialogue, forbidden romance, and just enough fantasy to captivate the reader's imagination. The first in a four book series, it sets the stage for a fairytale-like epic that will put four, young women on the path to love, loss, and some kick-ass fight scenes. Devi Lawson has a talent for breaking the rules. It's second only to her skill at hunting down demons -- too bad the angelic guild of celestial soldiers didn't appreciate her efforts. In fact, they kicked her out. And now she's being accused of murdering one of their own. To clear her name, she must work hand in hand with the demons she used to hunt, including the enigmatic warlock Nikolas Castor. Not only is his magic entirely too close to the killer she's pursuing, but he seems to think Devi is marked by a demon, too. Before long, Devi is neck-deep in trouble.

Distrusted by her former allies and in serious danger of the real reason she left the guild making it into the light, Devi must catch the killer before he unleashes a literal hell on Earth.

Some problems can't be solved with the roll of a die...After a major betrayal shook up my life, I'm attempting to lie low. Naturally, that's when the King of the Dead decides to show up on my doorstep again. since I accidentally blew up a vampire's house, I could use the cash -- even if it involves dealing with hot-tempered fire mages. Problem is, everyone in the Court of the Dead has their own agenda. And with an upcoming school reunion threatening to drag up dangerous memories of my lessons in spirit magic, I find myself at a crossroads in my life, in more ways than one. In the Parallel, not everything stays buried for long, and if I'm not careful, the Court of the Dead's many secrets will spell my own end.

After pissing off the head of the supernatural lab, failing at befriending my fellow inmates, and pitching a temper tantrum in the underground cafeteria, it was only a matter of time before I had to do something about this whole captivity thing. For me, Cassandra Thorn, being born as a human, raised by an elite group of supernaturals, and struggling to reach my twentieth birthday was far more fun than this. Then again, anything would be. In this case, "this" refers to being taken against my will--kidnapped--and trapped in an underground lab for supernatural shifters. Pretty ridiculous, considering I was a mere mortal. Or so I was told. Turns out there are a lot of things I was told, not all of them true. Now a family secret has been revealed and destiny is just waiting for me to fulfill it...but I was stuck in Prison Boringville with a bunch of not-so-friendly detainees. Being a supernatural inmate isn't my style, so with the very new powers bestowed

When Earth suddenly gains inexplicably high levels of magic, all fingers point at the Alliance. With griffins and unicorns running amok around London and dangerous monsters escaping from the Passages, Ada and Kay are sent to seek out the source of the trouble. On a distant world, where magic-fuelled forces of nature rule over humans, a disaster is sweeping the land. When Kay and Ada travel there with the other Ambassadors, they encounter a terrifying force of nature tied to their own magic in ways they never expected. Worse, the rising magic level sends their own abilities haywire. While Ada barely has a handle on the magic she still fears, Kay becomes more reckless than ever when testing the boundaries of his own abilities. Faced with living magic, their mission turns into a fight for survival -- and the future of the Multiverse.

With Earth on the brink of war with Ada's homeland, the Alliance has reached crisis point. While Ada faces the truths her guardian, Nell, kept from her all her life, Kay faces the backlash from his father's last, terrible act as a council member. Nobody can be trusted, and betrayal lurks at every corner. As the inevitable cross-world war threatens everything

they care about, Ada and Kay must make devastating choices. If the Alliance falls, so does the Multiverse. And this time, there's no going back...

The end is here for Devi Lawson... Devi may have killed the arch-demon Lythocrax, but in the process, something much worse has been unleashed. The Divine Agents, rogue angels, have given Devi an ultimatum: join them, or watch Earth crumble to ashes. Preparing for war would be difficult enough without the nether realms getting involved, but two demonic overlords would like a piece of Devi, too. Meanwhile, her warlock partner Nikolas fights a battle of his own, for leadership over Earth's warlocks. And in the background, an old enemy might not be as dead as Devi thinks. The celestials want her as their saviour. The demons want her dead. The rebel angels want the worlds to burn. And to save the ones she loves, Devi must make an impossible choice...

No one said escaping her bloodthirsty fated mate would be easy. Half Fae half wolf-shifter Tavi Alderidge's only chance to dodge a dangerous and disturbing arranged marriage is to attend the Fae Academy for Halflings. There's just one problem: shifters aren't allowed. Her hope comes in the form of a potion to suppress her shifter half while she works to earn her ticket to Faerie, the cost steep but one she's willing to pay for a chance to escape. However, surviving the Academy's cullings meant to weed out the weaker students isn't all it's cracked up to be when a murderer begins taking out the top students. Soon, Tavi finds herself doing the one thing she swore she would never do: falling for another student. And when she discovers he's the Crown Prince of Faerie, she realizes the one person she thought she could trust is the last person who can ever learn her secret. Fans of Sarah J. WITH AN AFTERWORD FROM THE AUTHOR 'A major work of mounting tensions in which the human mind is the guinea-pig... Mr Fowles has taken a big swing at a difficult subject and his hits are on the bull's eye' Sunday Times On a remote Greek Island, Nicholas Urfe finds himself embroiled in the deceptions of a master trickster. As reality and illusion intertwine, Urfe is caught up in the darkest of psychological games. John Fowles expertly unfolds a tale that is lush with over-powering imagery in a spellbinding exploration of human complexities. By turns disturbing, thrilling and seductive, *The Magus* is a feast for the mind and the senses.

Before its modern incarnation of predictive horoscopy, Astrology was in centuries past integrated with science, magic, mysticism and philosophy. In this groundbreaking anthology, ten of today's most influential esoteric astrologers write concerning Astrology's hidden occult aspects, from herbalism to witchcraft, to philosophy and practical sorcery. Contributing authors include Demetra George, Austin Coppock, John Michael Greer, Jason Miller, Freedom Cole, Benjamin Dykes, Daniel Schulke, Al Cummins, Lee Lehman, Eric Purdue, and Mallorie Vaudoise.

The story of the beliefs and practices called 'magic' starts in ancient Iran, Greece, and Rome, before entering its crucial Christian phase in the Middle Ages. Centering on the Renaissance and Marsilio Ficino, this richly illustrated and groundbreaking book treats magic as a classical tradition with foundations that were distinctly philosophical.

The balance of his future inevitably shifts as she gently infiltrates his heart. Meanwhile, unknown to him, a plot is being devised by the tribe's council to eliminate a threat that has long been rumored to jeopardize the decree which ensures the safety of their species. Coincidentally this threat happens to involve Simone and Jovianus must now make a dangerous choice: Join the quest to eradicate the risk that compromises their mere existence or betray his tribe in order to protect Simone and become the hunted?.

I'm Ivy Lane, and if I never see another faerie again, it'll be too soon. Twenty years after the faeries came and destroyed the world as we knew it, I use my specialist skills to keep rogue faeries in line and ensure humans and their magically gifted neighbours can coexist (relatively) peacefully. Nobody knows those skills came from the darkest corner of Faerie itself. When a human child disappears, replaced with a faerie changeling, I have to choose between taking the safe road or exposing my own history with the faeries to the seductively dangerous head of the Mage Lords. He's the exact kind of distraction I don't need, but it's work with him or lose my chance to save the victims. It'll take all my skills to catch the kidnapers and stop Faerie's dark denizens overrunning the city - but if the faerie lords find out about the magic I stole last time I went into their realm, running won't save me this time... In the last half of 1509 and the first months of 1510, Cornelius Agrippa, known in his day as a Magician, gathered together all the Mystic lore he had obtained by the energy and ardor of youth and compiled it into the elaborate system of Magic, in three books, known as Occult Philosophy, the first book of

which--Natural Magic--constitutes the present volume. This is true and sublime Occult Philosophy. To understand the mysterious influences of the intellectual world upon the celestial, and of both upon the terrestrial; and to know how to dispose and fit ourselves so as to be capable of receiving the superior operations of these worlds, whereby we may be enabled to operate wonderful things by a natural power--to discover the secret counsels of men, to increase riches, to overcome enemies, to procure the favor of men, to expel diseases, to preserve health, to prolong life, to renew youth, to foretell future events, to see and know things done many miles off, and such like as these. These things may seem incredible, yet read but the ensuing treatise and thou shalt see the possibility confirmed both by reason and example.

The Darkworld is open, and nothing will ever be the same. Reeling from recent events, Ash and her friends are forced to flee Blackstone. A captivating debut fantasy inspired by the legend of the Chinese moon goddess, Chang'e , in which a young woman's quest to free her mother pits her against the most powerful immortal in the realm and sets her on a dangerous path--where choices come with deadly consequences, and she risks losing more than her heart. Growing up on the moon, Xingyin is accustomed to solitude, unaware that she is being hidden from the powerful Celestial Emperor who exiled her mother for stealing his elixir of immortality. But when Xingyin's magic flares and her existence is discovered, she is forced to flee her home, leaving her mother behind. Alone, untrained, and afraid, she makes her way to the Celestial Kingdom, a land of wonder and secrets. Disguising her identity, she seizes an opportunity to learn alongside the Crown Prince, mastering archery and magic, even as passion flames between her and the emperor's son. To save her mother, Xingyin embarks on a perilous quest, confronting legendary creatures and vicious enemies across the earth and skies. When treachery looms and forbidden magic threatens the kingdom, however, she must challenge the ruthless Celestial Emperor for her dream--striking a dangerous bargain in which she is torn between losing all she loves or plunging the realm into chaos. Daughter of the Moon Goddess begins an enchanting, romantic duology which
