For fans of Kathy Reichs and Patricia Cornwell, a gripping new thriller from British forensic psychologist A.J. Cross. The New Year brings a gruesome discovery for forensic psychologist Dr Kate Hanson and Birmingham's Unsolved Crimes Unit: a mummified body. The victim is Nathan Troy, an art student who has been missing for 20 years. As Kate begins to dig further into Nathan's past, she discovers a series of toxic relationships. Why do his housemates refuse to talk about him? And what was his connection to the beautiful and apparently promiscuous daughter of his professor? Then the disappearance of a local teenager confirms that Nathan's killer is back. Kate and the team must work fast to untangle a web of lies and unmask a murderer who has lain dormant for two decades.

Dima Mayakovsky - once a revered figure inside the elite Special Forces unit - wants no part of it any more. But when a dangerous fugitive surfaces in Tehran, Dima is the man Kremlin wants to bring him in. There is no option: the ex-Spetsnaz legend must lead his team of battle-hardened operatives into combat, not something you can hide from the US recce satellites circling above. This means that Dima and his men become Marine Sergeant Henry 'Black' Blackburn's problem. As Iran descends into chaos, Dima and Black are forced to question everything they believed in, and to fight to survive, for their comrades, their honour and the lives of millions. They're on their own. And the clock is ticking?

When McKenna Jordan, a magazine journalist investigating the story of the heroic and unidentified woman, finds the video footage, she thinks she recognizes her as Susan Hauptmann. But Susan disappeared without a trace ten years earlier, having just introduced McKenna to her future husband, Patrick. McKenna's complex search for her missing friend forces her to unearth secrets that lie deep in all their pasts. A sublimely plotted mystery and a devastating thriller about marriage, private security and journalistic scandal, *If You Were Here* further underlines Dennis Lehane's assertion that 'Alafair Burke is one of the finest young crime writers working today'.

Compulsively readable and masterfully plotted, *Long Gone* does not disappoint. When a popular celebrity chef is found murdered on the steps of the Oslo police headquarters, police investigator Billy T. and long-absent Hanne Wilhelmsen team up for an investigation that reveals that few people really knew the victim or his mysterious activities.

From the million-copy bestseller Amanda Prowse, the queen of heartbreak fiction. Amanda Prowse is the author of *The Coordinates Of Loss* and the no.1 bestsellers *Perfect Daughter*, *My Husband's Wife* and *What Have I Done?* Kathryn Brooker is the headmaster's wife. While her husband spends his days disciplining unruly teenagers in the grand halls of Mountbriers Academy, Kathryn spends hers baking scones for her son's cricket match in a beautiful cottage in the manicured school grounds. In the evenings, when her husband strides home to compliment her cooking and kiss her hello – ignoring jokes from their children about grown-up lovebirds – Kathryn Brooker is the very picture of a fulfilled wife and mother. Anyone who peered through the downstairs sash window at the four figures sat easily around their scrubbed-pine kitchen table would see a happy family without a care in the world. They would envy Kathryn her perfect life. But they would be wrong. Kathryn is trapped in a nightmare. And she is about to do something to change it. Something only a truly desperate woman would do...

Ebbene sì. Eccoci di nuovo qua! Nonostante stavolta la Mission fosse veramente Impossibile, siamo riusciti a scrivere il seguito di Chimica Cheppalle, il nostro primissimo successone, che rimane dal 2015 granitico e stupefacente PRIMO nella classifica dei libri di chimica più venduti su Amazon. Per cercare di ringraziarvi abbiamo cercato di stupirvi ancora. In Chimica Cheppalle Due spieghiamo i numeri quantici coi biglietti del concerto di Benji & Fede e la teoria degli orbitali con l'albero di Natale cinese. Il capitolo sui legami chimici - come dire - assume una cinquantina di sfumature differenti - mentre in quello sugli equilibri chimici ci trastulliamo coi Minion e la vodka, esaminando l'undicesima stagione di The Big Bang Theory alla luce del principio di Le Chatelier e ricorrendo a Bob Marley per analizzare le principali teorie sugli acidi e basi. Sempre tentando in tutti i modi di nominare il più possibile lo stronzio, anche a sproposito. Stronzio. Insomma, anche questo non è il solito libro di chimica. Al solito, consideratelo come un posticino sicuro, dove rifugiarvi dopo avere litigato col libro di testo serio che vi hanno costretto a comprare i vostri professori di chimica. Il programma sarà più o meno lo stesso. Le cose da sapere ci saranno (quasi) tutte. Quello che cambierà sarà la maniera di raccontarvele, con l'intenzione di rendere meno palloso lo studio della chimica a scuola. O magari di farvela piacere proprio. Eccovi il programma degli ultimi anni: cinque meravigliosi

'Hypnotic, delivering acute social commentary on everything from class and race to familial bonds and community . . . I devoured Saint X in a day.' Oyinkan Braithwaite (author of *My Sister, the Serial Killer*), *New York Times* Claire is only seven years old when her college-age sister Alison vanishes from the luxury resort on the Caribbean island of Saint X on the last night of her family's vacation. Several days later Alison's body is found in a remote spot on a nearby cay, and two local men, employees at the resort, are arrested. But the evidence is slim, the timeline against it, and the men are soon released. It's national tabloid news, a lurid mystery that will go unsolved, but for Claire's family, there is only the sad return home to broken lives. Years later, riding in a New York City taxi, Claire recognizes the name on the cab driver's licence: Clive Richardson, one of the men originally suspected of murdering her sister. The fateful encounter sets her on an obsessive pursuit of the truth as to not only what happened on the night of Alison's death, but the no less elusive question of exactly who was this sister she was barely old enough to know: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly

shadows Clive, hoping to gain his trust, waiting for the slip that will uncover the truth, an unlikely intimacy develops between them, two people whose lives were forever marked by a tragedy. Alexis Schaitkin's *Saint X* is a flawlessly drawn and deeply moving story that hurtles to a devastating end.

'A dazzling talent' Malcolm Gladwell When Adam Gopnik and his soon-to-be-wife, Martha, left the comforts of home in Montreal for New York, the city then, much like today, was a pilgrimage site for the young, the arty, and the ambitious. But it was also becoming a city of greed, where both life's consolations and its necessities were increasingly going to the highest bidder. At the Strangers' Gate builds a portrait of this particular moment in New York through the story of this couple's journey--from their excited arrival as aspiring artists to their eventual growth into a New York family. Gopnik transports us to his tiny basement room on the Upper East Side, and later to SoHo, where he captures a unicorn: an affordable New York loft. He takes us through his professional meanderings, from graduate student-cum-library-clerk to the corridors of Conde Nast and the galleries of MoMA. Between tender and humorous reminiscences, including affectionate portraits of Richard Avedon, Robert Hughes, and Jeff Koons, among many others, Gopnik discusses the ethics of ambition, the economy of creative capital, and the peculiar anthropology of art and aspiration in New York, then and now.

The stunning new psychological thriller from the award-winning author of *Darkness Peering* and *The Breathaker*. Sixteen years ago, Kate Wolfe's young sister Savannah was brutally murdered. Forced to live with the guilt of how her own selfishness put Savannah in harm's way, Kate was at least comforted by the knowledge that the man responsible was behind bars. But when she meets a retired detective who is certain that Kate's sister was only one of many victims of a serial killer, Kate must face the possibility that Savannah's murderer walks free. Unearthing disturbing family secrets in her search for the truth, Kate becomes sure that she has discovered the depraved mind responsible for so much death. But as she hunts for a killer, a killer is hunting her...

"In the analytical relationship, the patient must maintain equilibrium between fear and attraction; the analyst must realize that the analytical process animates fantasies of seduction. In a fable told by a patient, an analyst, and a narrator, the secret meanings of the encounter are revealed. This book fosters a clear understanding of the affective roots of seduction that can lead to transformation and the discovery of a new identity."--BOOK JACKET.

An Irish mother faces her destiny in California as the acclaimed trilogy comes to an end—“a vibrant picture of American history in the mid-19th century” (Historical Novel Society). With her two children, Gracelin O’Malley travels to post-Gold Rush San Francisco to meet the sea captain who has proposed marriage to her. But when she arrives, he is nowhere to be found. Destitute in a city filled with gangs, disillusioned soldiers, and professional gamblers, Grace takes a position as a cook for one of the city’s most prominent doctors—only to become caught up in a tangled web of blackmail and betrayal. Determined to make a secure life for her children and find her brother, Sean, Gracelin sets in motion a series of events that change the future of everyone around her, never dreaming that the man she thought she’d lost forever is still alive and determined to find his way back to her. Dickensian in scope, with a full cast of riveting characters, Ann Moore’s *Til Morning Light* is the stunning conclusion to the enthralling story of Gracelin O’Malley, a heroine for the ages.

Your husband or your son... whose life do you save? Emma's life seems perfect. Living in a quiet town with her hard-working husband, Darren, and her loving teenage son, Frank, everything is going to plan. That is until a killer holds her family at gunpoint and makes her choose: Darren or Frank? Only one of the two people she loves most in the world can live. If she doesn't sacrifice one, the psycho in the mask will kill them both. After 'the event,' as Emma's therapist calls it, her mind protects itself by omitting the decision she made. Now locked away in a psychiatric hospital, she must deal with the choice she made that day or face a life of uncertainty. As Emma's mind travels from before and after 'the event,' she comes to realize that her life wasn't so perfect. Secrets and a troubled past will emerge from the dark, forcing her to remember who she chose. Will she be able to face reality, or will the truth destroy her mind forever? *Don't Let Me Die* is a gripping psychological thriller with a shocking twist that will keep you hooked until the final word. For fans of Adam Croft, Gillian Flynn, and K.L. Slater.

One of Japan's most popular mystery writers delivers "scenes of fastidiously executed decadence" in a "tale of sexual obsession" (The New York Times Book Review). Kinue Nomura survived World War II only to be murdered in Tokyo, her severed limbs discovered in a room locked from the inside. Gone is the part of her that bore one of the most beautiful full-body tattoos ever rendered. Kenzo Matsushita, a young doctor who

was first to discover the crime scene, feels compelled to assist his detective brother, who is in charge of the case. But Kenzo has a secret: he was Kinue's lover, and soon his involvement in the investigation becomes as twisted and complex as the writhing snakes that once adorned Kinue's torso. The Tattoo Murder Case was originally published in 1948; this is the first English translation. "Clever, kinky, highly entertaining." —The Washington Post Book World "A delightful, different book, not only because of its unusual setting and premise, but because Takagi is a powerful plotter and constructor of fascinating, complex characters." —The A.V. Club "Has all the mind-boggling braininess and dazzling artifice of mystery's Golden Age, spiced with voyeuristic close-ups of a dying art in which postwar Japan remains supreme: full-body tattoos . . . Intricate, fantastic, and utterly absorbing. More, please." —Kirkus Reviews

It was not without considerable trouble that she had induced Mr. Brown to come as far as Paris. Most unwillingly had he left Pau; and then, twice on his journey—both at Bordeaux and Tours—he had made an attempt to return. From the first moment he had pleaded his throat, and when at last he had consented to make the journey, he had stipulated for sleeping at those two towns and at Paris. Mrs. Brown, who, with no slightest feeling of fatigue, could have made the journey from Pau to Stratford without stopping, had assented to everything, so that they might be at Thompson Hall on Christmas-eve. When Mr. Brown uttered his unavailing complaints at the first two towns at which they stayed, she did not, perhaps, quite believe all that he said of his own

From the Edgar Award finalist, the captivating third book in the series featuring the brilliant and tough police investigator Hanne Wilhelmsen, who must investigate the grisly murder of an orphanage director. In a foster home outside Oslo, a twelve-year-old boy is causing havoc. The institution's steely director, Agnes Vestavik, sees something chilling in Olav's eyes: sheer hatred. When Vestavik is found murdered at her desk, stabbed in the back with an Ikea kitchen knife—with Olav nowhere to be found—the case goes to maverick investigator Hanne Wilhelmsen, recently promoted to chief inspector in the Oslo Police. Could the child be a murderer? As police canvass the city for Olav, Hanne, working alongside the foulmouthed detective Billy T., orders an investigation of the home's employees. But despite her supreme deductive skills, she is hopeless at delegating, hopeless at pooling information, hopeless at

sharing responsibilities. Can Hanne learn to trust others before her bullheaded instincts lead her astray—in the workplace and on the home front? Meanwhile, Olav makes his way through the city, looking for the mother who was forced to consign him to the state's care. A dark and captivating new chapter in this brilliant, rollicking series, *Death of the Demon* examines that murky intersection between crime and justice.

Iqbal Masih was gunned down by an assassin in cold blood. He was just 13 years old. Andrew Crofts, the bestselling ghostwriter of *"The Little Prisoner and The Kid"*, tells the heart-wrenching story of this courageous child martyr, who died trying to end child slavery. After six years of bonded labour in a Pakistani carpet factory, Iqbal escaped the clutches of his tyrannical carpet-master, and then tirelessly worked to spread the word to other enslaved children that they could be free too. He addressed international conventions on behalf of the Bonded Labour Liberation Front and participated in raids on illegal factories. He was awarded the Reebok 'Youth in Action' Award, and a scholarship to study law in Boston. But before he could study, his life was cut short by a hail of bullets from the gun of an unknown sympathiser with the carpet-masters.

For many Jewish people in the mid-twentieth century, Zionism was an unquestionable tenet of what it meant to be Jewish. Seventy years later, a growing number of American Jews are instead expressing solidarity with Palestinians, questioning old allegiances to Israel. How did that transformation come about? What does it mean for the future of Judaism? In *Days of Awe*, Atalia Omer examines this shift through interviews with a new generation of Jewish activists, rigorous data analysis, and fieldwork within a progressive synagogue community. She

highlights people politically inspired by social justice campaigns including the Black Lives Matter movement and protests against anti-immigration policies. These activists, she shows, discover that their ethical outrage at US policies extends to Israel's treatment of Palestinians. For these American Jews, the Jewish history of dispossession and diaspora compels a search for solidarity with liberation movements. This shift produces innovations within Jewish tradition, including multi-racial and intersectional conceptions of Jewishness and movements to reclaim prophetic Judaism. Charting the rise of such religious innovation, Omer points toward the possible futures of post-Zionist Judaism.

"Thirty-four-year-old marine biologist Kyra Winthrop remembers nothing about the diving accident that left her with a complex form of memory loss. With only brief flashes of the last few years of her life, her world has narrowed to a few close friendships on the island where she lives with her devoted husband Jacob. But all is not what it seems. Kyra begins to have visions--or are they memories?--of a rocky marriage, broken promises, and cryptic relationships with the island residents, whom she believes to be her friends. As Kyra races to uncover her past, the truth becomes a terrifying nightmare"--

overcome too. She has learned the hard way that truth comes at a price and sometimes that price isn't worth paying. Her pursuit of truth and justice has cost her the love of her life, a glittering career in the Police Department and the Ministry of Justice, and she is crippled by a bullet lodged in her spine. This is the first installment of a unique crime series that will move back in time, telling the story of a contradictory modern heroine, who although intelligent, well-educated and attractive isn't always at ease with herself or the modern world, and who doesn't always take the right path or make the right decisions.

In 1995, Adam Gopnik and his wife, and their infant son left the familiar comforts and hassles of New York for the urbane glamour of Paris. Charmed by the beauties of the city, Gopnik set out to experience for himself the spirit and romance that has so captivated American writers throughout the Twentieth century. In the grand tradition of Stein and Hemingway, Gopnik planned to walk the paths of the Tuilleries, to enjoy philosophical discussion in cafes in short, to lead the fabled life of an American in Paris. Of course, as readers of Gopnik's beloved 'Paris Journals' in the New Yorker know, there was also the matter of raising a child and carrying on with everyday, not so fabled life. Evenings with French intellectuals precede middle-of-the night baby feedings; afternoons are filled with trips to the Musee d'Orsay and pinball games; weekday leftovers are eaten while three star chefs debate a 'culinary crisis'. With singular wit and insight, Gopnik manages to weave the magical with the mundane in a wholly

What has happened to America, and what's become of the American dream? Behind the self-confident image of world's most influential country, we now see a nation tearing itself apart. The United States may be arguably the world's only superpower, but its internal tensions are a symptom of suffering and division, a condition only exacerbated by the election of President Donald Trump. In this searing account, expatriate journalist Alan Friedman returns after thirty years in Europe and examines the real America through the mouths of its citizens. Set against the backdrop of the 2016 presidential election campaign and the inauguration of President Trump, Friedman tells a vivid story of terrible inequality - from the excesses of Wall Street to the grinding poverty of Mississippi - and explores the issues, from racism and gun control to Obamacare, that have polarised a nation. Drawing on his personal interviews with Trump and with Russia's President Putin, Friedman paints a detailed portrait of the new leader of the free world and explores the real risks of the Trump presidency for America and for the world. the shocking new novel from Alex Marwood - THE POISON GARDEN is out now
An unusual, hauntingly atmospheric crime novel from a stunning new talent. Daisies for innocence; irises for hope; asphodel for eternal sorrow... Clara Marsh is an undertaker. She spends her solitary life among the dead and bids them farewell with a bouquet from her own garden. But Clara's carefully structured life shifts when she discovers a neglected little girl, Trecie, playing in the funeral parlour, desperate for a friend. It changes even more when Detective Mike Sullivan starts questioning her again about a body she prepared three years ago, an unidentified girl found murdered in a nearby strip of woods. Unclaimed by family, the community christened her Precious Doe. When Clara and Mike learn that Trecie may be involved with the same people who killed Precious Doe, Clara must choose between her solitary but steadfast existence and the perils of binding one's life to another. Clara's search for the girl pulls her into a spiralling series of events that threaten to endanger the few people Clara has grown to love - and finally brings her own tragic and long-buried past to the surface. 'Taut, tense and at times almost unbearably real' Sunday Times bestseller Ruth Ware 'A smart twist on the apocalypse' Reader Review 'Shows what impact our times have on the ways we think. A compelling entry into the post-apocalypse genre' Kirkus *** She wanted an adventure. But what if it never ends? When Zoo

agrees to take part in a new reality TV show, In The Dark, she's hoping for a challenge. Facing eleven competitors, she's prepared for her physical and mental strength to be tested in a series of unforgiving survival tasks. But as her fellow contestants are overcome by hunger, injury and psychological breakdown, Zoo becomes increasingly afraid. Because the deserted TV set and gruesome props are starting to feel all too real. Is there something they're not telling Zoo about the world outside?

It's 1935. Rita Feuerstahl comes to the university in Krakow intent on enjoying her freedom. But life has other things in store--marriage, a love affair, a child, all in the shadows of the oncoming war. When the war arrives, Rita is armed with a secret so enormous that it could cost the Allies everything, even as it gives her the will to live. She must find a way both to keep her secret and to survive amid the chaos of Europe at war. Living by her wits among the Germans as their conquests turn to defeat, she seeks a way to prevent the inevitable doom of Nazism from making her one of its last victims. Can her passion and resolve outlast the most powerful evil that Europe has ever seen? In an epic saga that spans from Paris in the '30s and Spain's Civil War to Moscow, Warsaw, and the heart of Nazi Germany, The Girl from Krakow follows one woman's battle for survival as entire nations are torn apart, never to be the same.

Charming lessons in life, death and kindness . . . Hugely moving' Observer This is the story of Mary, a young girl born in a beautiful city full of rose gardens and fluttering kites. When she is still very small, Mary meets Lanmo, a shining golden snake, who becomes her very best friend. The snake visits Mary many times, he sees her grow and her city change, as bombs drop and war creeps in. Lanmo wonders, can having a friend possibly be worth the pain of knowing you will lose them?

Winner of the Barbara Ramsden Prize, 1990. This was life: no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again. Born into a world without welcome, Isobel observes it as warily as an alien trying to pass for a native. Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes. Later she meets Byron, W.H. Auden and T.S. Eliot. Isobel is not so much at ease with the flesh-and-blood people she meets, and least of all with herself, until a lucky encounter and a little detective work reveal her identity and her true situation in life. I for Isobel, a modern-day Australian classic, was followed by Isobel on the Way to the Corner Shop, winner of the Age Book of the Year Award. Amy Witting was born in Annandale, an inner suburb of Sydney, in 1918. She attended Sydney University, then taught French and English in state schools. Beginning late in life

she published six novels, including *The Visit*, *I for Isobel*, *Isobel on the Way to the Corner Shop* and *Maria's War*; two collections of short stories; two books of verse, *Travel Diary* and *Beauty is the Straw*; and her *Collected Poems*. 'When we come to write the history of Australian writing in the twentieth century, the strange case of Amy Witting will be there to haunt us. Here is a writer who not only has great gifts - the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine-lined American naturalist like William Maxwell - but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal, the sort of appeal that Helen Garner could command in her fiction-writing days. And yet this woman who published in the *New Yorker* and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing. It wasn't until the publication of *I for Isobel*...that Witting gained a national profile.' Peter Craven 'Australia's Amy Witting is comparable to Jean Rhys, but she has more starch, or vinegar. The effect is bracing.' *New Yorker* 'Isobel is instinctively searching for a lost part of her substance, the very memory of which has been obliterated. Prompted by her inexplicable sense of loss, she goes on her way, deviating, baffled, yet rejecting substitutes. To call the ending happy is to say both too much and too little. Was

the lost part also searching for her? Amy Witting's admirers will find this novel as distinctive and compelling as her stories and her poetry.' Jessica Anderson '[Witting] lays bare with surgical precision the dynamics of families, sibling, students in coffee shops, office coteries. One sometimes feels positively winded with unsettling insights. There is something relentless, almost unnerving in her anatomising of foibles, fears obsessions, private shame, the nature of loneliness, the nature of panic.' Janette Turner Hospital 'A beautifully but unobtrusively honed style, a marvellous ear for dialogue, a generous understanding of the complex waywardness of men and women.' Andrew Riemer 'Terrific - incredibly wise...When I finished it I went straight back to the first page.' Cate Kennedy
