From The Monk Who Sold His Ferrari author comes an inspiring parable about the skills needed to excel in career and life.

Aleister Crowley crafted Liber DCLXXI vel Pyramidos from an earlier ritual he called the ThROA or Liber 671. Both rituals are based on the Neophyte Ceremony of the Hermetic Order of the Golden Dawn. While the ThoROA ritual was meant to be conducted by several officers with a candidate, Pyramidos would be simplified even more to ensure it could be performed by a single person and would become one of the rituals of self initiation used within Crowley's A?A? even though it was never truly published. While self initiation was the main goal of the ritual, Crowley also designed so that it could be broken down into parts and used in other rituals and formats as well. So presented here in an affordable paperback copy meant to be bent, written in, used and abused is Liber DCLXXI vel Pyramidos: A Ritual of Self Initiation based upon the Formula of the Neophyte along with Journal Pages attached in the back of the book to make note taking that much easier. We've also included the Neophyte Ritual of the Hermetic Order of the Golden Dawn to better assist the student in the understanding of Pyramidos. It is the hope of the Editors here at Bounty of Babalon Publishing that any aspirant to the A?A? may now have access to this important and powerful ritual.

Have you ever. . . envied the guy in the next office who can charm people so easily? retreated to your office to avoid another dose of too-bubbly enthusiasm from the girl down the hall? or wondered how to light a fire under the easygoing partner you were assigned to work with on your latest project? The workplace is full of all types of people. And somehow we're supposed to find a way to work together to get the job done. That's where Personality Puzzle can help. Through real-life situations and amusing anecdotes, personality experts Florence and Marita Littauer show employers and employees how to: * identify and understand the four personalities * create targeted advertisements * recruit certain personality types * respond to coworkers in the best way possible No matter where you work or what organization you belong to, you will benefit from knowing how to identify the personality types around you, appreciate the uniqueness of each person, and work together in the most productive way.

Psychologist and family counselor Steve Biddulph has been hailed as a "childhood guru" (The Guardian) and a "publishing phenomenon" (the Times, London), and this is his landmark book, the foundation for his major international reputation. With unparalleled clarity, common sense, and warmth, The Secret of Happy Children instructs all parents about parent-child communication from babyhood to teens. It gives parents confidence to be more themselves as parents -- stronger, more loving, more definite, more relaxed. Biddulph reveals what is really happening inside kids' minds and what to do about it. He covers a wide variety of issues important to a child's -- and a parent's -- happiness, including stopping tantrums before they begin, curing shyness, the link between food and behavior, and much more. Parents will find themselves letting go of old, negative approaches and freeing up more energy to enjoy their kids and their own lives.

~Shortlisted for the ALA's 2015 Reading List for Best Romance SHE KNOWS BETTER THAN TO SAY "I DO" After a humiliating end to her engagement, investment banker Sidney Sinclair is done with commitment-phobic men. But when her sister winds up engaged after a whirlwind courtship, Sidney is thrown into close contact with exactly the kind of sexy playboy she wants to avoid—the gorgeous best man. She's stuck with him, for better or worse, until her sister walks down the aisle, but that doesn't mean she has to give in to his smooth advances, no matter how tempting they are... BUT HE MAKES IT HARD TO SAY "I DON'T" Special agent Vaughn Roberts always gets his man on the job and his woman in bed. So Sidney's refusal to fall for his charms only makes him more determined to win over the cool and confident redhead. Set in a luxurious grand hotel just outside Lisbon, at the height of the Second World War, Estoril is a delightful and poignant novel about exile, divided loyalties, fear and survival. The hotel's guests include spies, fallen kings, refugees from the Balkans, Nazis, American diplomats and stateless Jews. The Portuguese secret police broodingly observe the visitors, terrified that their country's neutrality will be compromised. The novel seamlessly fuses the stories of its invented characters with appearances by historical figures like the ex-King Carol of Romania, the great Polish pianist Jan Paderewski, the British agent Ian Fleming, the Russian chess grandmaster Alexander Alekhine and the French writer and flyer Antoine de St Exupery, who forms a poignant friendship with a young Jewish boy living alone in the hotel.

Understanding the four personality types helps couples get along better and respect each other's differences.

New enhanced edition of the original underground classic by Clarissa Pinkola EstA(c)s, Ph.D., features rare interview excerpts with this internationally acclaimed Jungian analyst and cantadora (keeper of the old stories). First released three years before the print edition of Women Who Run With the Wolves (Ballantine books, 1997) made publishing history (more than 2 million copies sold worldwide), this landmark audio probes the instinctual nature of women through world myths, folktales, and commentary. Through an exploration into the nature of the wild woman archetype, Dr. EstA(c)s helps listeners discover and reclaim their passion, creativity, and power.

After a bizarre encounter with his lost cousin, Julian Mantle—a former high-powered lawyer who suddenly vanished into the Himalayas—Jonathan Landry is compelled to travel across the planet to retrieve letters and mementos that carry the extraordinary secrets that Julian discovered throughout his life. On a remarkable journey that includes visits to the sensual tango halls of Buenos Aires, the haunting catacombs of Paris, the gleaming towers of Shanghai and the mystical deserts of Sedona, The Secret Letters of The Monk Who Sold His Ferrari reveals astounding insights on reclaiming your personal power, being true to yourself and fearlessly living your dreams.

Dianne Duvall portrays a world of temptation, loyalty, and heartbreak. . .a world where danger and desire walk hand in hand. . . Ami isn't much for trusting strangers. She has a

hard time trusting anyone. But she's no coward, and she's no pushover in the protection department either. So when she comes across a mysterious warrior taking on eight deranged vampires on his own, she doesn't hesitate to save his bacon. Of course, that was before she realized what one little rescue would get her into. . . Marcus Graden has been an Immortal protector of humanity for eight hundred years, and he's not interested in backup. From the moment Ami arrives in his life, he can't deny that she's strong, smart, and extremely skilled at watching his back. But she's also destroying his protective solitude and stirring desires he can't bear to awaken. After all, whatever her secrets--how can she defeat death itself? "A thrilling and chilling new paranormal series. Fantastic!" --Romantic Times "These dark, kick-ass guardians can protect me any day!" --Alexandra Ivy Joe Dispenza draws on research conducted at his advanced workshops since 2012 to explore how common people are doing the uncommon to transform their lives. Readers will learn that we are, quite literally, beings of light; how we can tune in to frequencies beyond our material experience to receive a more orderly stream of consciousness and energy; and how, if we do this enough, we can develop a more efficient, coherent, healthy body, mind and spirit

The best news of all regarding business success is that nature is neutral. If you do what other successful people do, you will get the results that other successful people get. And if you don't, you won't. It is as simple as that. Some of these laws may seem simplistic or self-evident. Some repeat themselves in different ways in different categories. Don't be fooled into discounting or dismissing them on that account. Great success and mastery in any field always go to those who are brilliant on the basics. As you read, take a few moments with each law and honestly evaluate your own conduct and behavior with regard to that law. One insight or new idea that you did not have before can be all that it takes to change the direction of your life. When you apply The 100 Absolutely Unbreakable Laws of Business Success and you live your business life in harmony with them, you will gain a distinct advantage over those who do not. You will enjoy levels of success and satisfaction you may never have imagined possible. You will accomplish more in a few months or years than many people accomplish in a lifetime! . Brian Tracy, Solana Beach, California, March 2000

Of course you try to do your best when others are watching. But what about when you are alone? That's when character really counts--when it's just between you and God. Six studies, drawn from Bill Hybels's Who You Are When No One's Looking, focus on the qualities that are the foundation of character: courage, discipline, vision, endurance, compassion and self-sacrifice. With this foundation and God's guidance, you can do your best at all times--even when you face temptations and troubles, even when no one is watching.

New York Times bestselling author Eckhart Tolle — Learn the transformative power of living in the now Attaining Eckhart Tolle's state of presence: In Stillness Speaks, Eckhart Tolle illuminates the fundamental elements of his teaching, addressing the needs of the modern seeker by drawing from all spiritual traditions. At the core of the book is what the author calls "the state of presence," a living in the 'now' that is both intensely inspirational and practical. The power of now: When the pressures of future and past thinking disappear, fear and frustration also vanish, conquered by the moment. Stillness Speaks takes the form of 200 individual entries, organized into 10 topic clusters that range from "Beyond the Thinking Mind" to "Suffering and the End of Suffering." Each entry is concise and complete in itself, but, read together, take on a transformative power. If you have read The Untethered Soul by Michael Singer, Buddha's Brain by Rick Hanson, or other Eckhart Tolle books such as The Power of Now, you will want to own and read Stillness Speaks.

Start today to transform your dreams into wonderful reality. . . . Simon Potter was a "ragpicker" and salvager of human lives. When this wise and humble man departed from life, he left author Og Mandino a precious legacy: the distilled wisdom of his unique collection of the greatest books about self-motivation and success--books he called "hand of God" books because they seemed to have been written with God's hand guiding the author's own. In this tender and inspiring book, Og shares with his millions of readers his old friend's bequest. It is nothing less than a blueprint for success, telling us in plain language exactly what we must do to mount the seven rungs of life's ladder--from material achievement and worldly success to the highest spiritual development. Whatever your most cherished dream may be, Og and his good angel Simon will show you the way to bring it within reach.

In order to gain an understanding of the dynamics of human individual and average growth patterns it is essential that the right methods are selected. There are a variety of methods available to analyse individual growth patterns, to estimate variation in different growth measures in populations and to relate genetic and environmental factors to individual and average growth. This volume provides an overview of modern techniques for the assessment and collection of growth data and methods of analysis for individual and population growth data. The book contains the basic mathematical and statistical tools required to understand the concepts of the methods under discussion and worked examples of analyses, but it is neither a mathematical treatise, nor a recipe book for growth data analysis. Aimed at junior and senior researchers involved in the analysis of human growth data, this book will be an essential reference for anthropologists, auxologists and paediatricians.

Explains how to recognize and relate to those who need encouragement, and shows how to use kind words to "build them up"

"When I listen to the evening news or read the morning paper these days my reaction is always the same: what's wrong in our world will not be set right until people who love God and who refuse to cave to these overwhelming challenges put the things they believe into action, things like courage and discipline and love." Bill Hybels Who You Are When No One's Looking has pointed the way to godly character for more than twenty years. Now Bill Hybels's essential book is completely revised and updated, featuring a new introduction, a new concluding chapter ("World-Change: When Character Counts Most") and a discussion guide for groups.
