Almost overnight, EPUB has become the favored standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.

Meet Pamela Evans. Much more than a typical Manhattan cab driver, she also happens to be a badass monster fighter who wields an enchanted tire iron. Yeah, that's right. Welcome to the year of her greatest adventure. MCMLXXV is modern mythology for a new generation, from JOE CASEY (NEW LIEUTENANTS OF METAL, JESUSFREAK) and IAN MacEWAN (PROPHET: EARTH WAR, SEX). Collects MCMLXXV #1-3

Meet the boy who can't stop creating art! He loves colours, shapes, textures and EVERYTHING inspires him: his socks, the contents of the fridge, even his cat gets a new coat (of paint!). But there's just one problem: his mum isn't quite so enthusiastic. In fact, she seems a little cross! But this boy has a plan to make his mum smile. He's about to create his finest piece yet and on a very grand scale . . . Funny, irreverent and perfect for creative children and adults, I Am An Artist by Marta Altés is a sharp, silly, fabulous book which shows that art is EVERYWHERE!

Kit can't stand reading She'd MUCH rather be outside, playing games and getting muddy, than stuck inside with a book. But when she's dragged along to the library one day by her two best friends, she makes an incredible discovery - and soon it's up to Kit and her friends to save the library... and the world.

Once a year, hordes of the dead rise and roam the streets of the Hole, hungry for live flesh. And every year, Caiman and Nikaido sign up for the local zombie-killing contest! Whoever sends the most zombies back into the ground will win some fantastic prizes. But the fun ends quickly when En's cleaners finally track down Caiman and Nikaido. Somebody's going to lose their head. Literally. -- VIZ Media This graphic novel is set in Italy in 2048. Raniero is a fifty-something psychologist whose marriage is failing. In the sky, strange bright triangles appear, bearing mysterious messages from an extraterrestrial civilization. Dora, his young patient, is part of the "New" Convention, a movement of young people preaching free

love and alternative models to coupling and family. She declares that her telepathic abilities can parse the signal ? a warning of some kind. Initially skeptical, Raniero's curiosity and attraction grows. The Interview is a science fiction novel that eschews the stars in favor of the delicate, fragile, interior world of human emotion.

The author of *The Mental Load* returns with more "visual essays which are transformative agents of change." After the success of *The Mental Load*, Emma continues in her new book to tangle with issues pertinent to women's experiences, from consent to the "power of love," from the care and attentiveness that women place on others' wellbeing and social cohesion, and how it constitutes another burden on women, to contraception, to the true nature of gallantry, from the culture of rape to diets, from safety in public spaces to retirement, along with social issues such as police violence, women's rights, and green capitalism. And, once more, she hits the mark.

*Worlds of Amano* provides a rare look inside the creative process of one of the most influential popular-culture artists working in Japan in the last thirty years. Originally published in France, *Worlds of Amano* presents a unique overview of Yoshitaka Amano's diverse work. This vast introduction allows one to take in the full measure of the immense talent of this famous Japanese illustrator, who is so well known for his designs of the *Final Fantasy* video games. Eclectic and apparently without limit, Amano's art is stunning. Drawing on numerous projects from over the last thirty years with many rarely seen illustrations, this book captures the rare beauty and inspiration of Amano's vision. \* Available for the first time in English.

"Since 2007, Richard Renaldi has been working on a series of photographs that involve approaching and asking complete strangers to physically interact while posing together for a portrait. Working on the street with a large format eight-by-ten-inch view camera, Renaldi encounters the subjects for his photographs in towns and cities all over the United States. He pairs them up and invites them to pose together, intimately, in ways that people are usually taught to reserve for their close friends and loved ones. Renaldi creates spontaneous and fleeting relationships between strangers, for the camera, often pushing his subjects beyond their comfort levels. These relationships may only last for the moment the shutter is released, but the resulting photographs are moving and provocative, and raise profound questions about the possibilities for positive human connection in a diverse society. -- Provided by publisher."--Publisher's description.

"Travel Light is the story of Halla, a girl born to a king but cast out onto the hills to die. She lives among bears; she lives among dragons. But the time of dragons is passing, and Odin All-Father offers Halla a choice: Will she stay dragonish and hoard wealth and possessions, or will she travel light?" —Amal El-Mohtar, NPR, You Must Read This From the dark ages to modern times, from the dragons of medieval forests to Constantinople, this is a fantastic and philosophical fairy-tale journey that will appeal to fans of Harry Potter, Diana Wynne Jones, and T. H. White's *The Sword in the Stone*. "No one knows better how to spin a fairy tale than Naomi Mitchison."—The Observer "Read it now."—Ursula K. Le Guin "You will love this book."—Holly Black "The enchantments of *Travel Light* contain more truth, more straight talking, a grittier, harder-edged view of the world than any of the mundane descriptions of daily life you will find in ... science fiction stories." — Paul Kincaid, SF Site "A gem of a book." — Strange Horizons "Every page is full of magic and wonder....well worth seeking out."— Rambles "Combines the best of Rowling and Pullman, being full of magic and fantasy with the hard edge of reality sharp at its edges." — The New Review/LauraHird.com

Anyone with a little persistence and the desire can learn to draw well - this is the starting point for *The Fundamentals of Drawing*, a practical and comprehensive course for students of all abilities. Opportunities for practice and improvement are offered across a wide spectrum of subjects - still life, plants, landscapes, animals, figure drawing and portraiture - and supported by demonstrations of a broad range of skills and techniques, including perspective and composition. The methods used in *The Fundamentals of Drawing* have been practised through the centuries by art students and professional artists. They are time-honoured and proven. Barrington Barber brings his invaluable expertise as a working artist and teacher to the task of showing you how to use them effectively to create successful drawings. No matter what your level of expertise, you will find his clear approach encouraging and his way of teaching inspirational.

Death arrives in this darkly humorous and brilliantly illustrated tale created by Nicholas Gurewitch, author of *The Perry Bible Fellowship Almanack*! Death becomes a patient of a recently-bereaved psychoanalyst. The topic of discussion? His frolicsome child, who has no apparent interest in grim-reaping! Featuring an unfathomable number of lines which have been hand-chiseled into inked clay, this labor of love by Nicholas Gurewitch invokes the morbid humor of his comic strip (*The Perry Bible Fellowship*) and the spooky silent-film qualities of the late Edward Gorey.

1814, off the Durham coast, near the village of Hartlepool, a war-ship in the Napoleonic fleet founders during a storm and sinks. At day-break, fishermen discover a survivor: a monkey dressed in full military regalia, the mascot. The good people of Hartlepool despise all Frenchmen, though they have never seen one in the flesh. Nor have they ever see a monkey. But this brutish, bestial castaway tallies with the impression they have of the enemy, and the ape is court-martialled. Inspired by this famous legend, this is a tragi-comic fable of war and jingoism.

Juggling work and family can be... hell. Calvin & Hobbes meets Call of Cthulhu as the

sensationally popular heavy metal webcomic Belzebubs comes to print in a grim, goofy, and gorgeous hardcover. Belzebubs is a "true kvlt mockumentary" focusing on the everyday challenges of family life: raising kids, running a small business, and making time for worship. Except the kids are named Lilith and Leviathan, the business is a black-metal band, and the worship... isn't exactly aimed upstairs. In a few short years, what started out as improvised social-media doodles has now become a wildly successful webcomic with hundreds of thousands of fans. The irresistible cartooning of JP Ahonen (Sing No Evil) combines relatable slice-of-life humor with over-the-top occult antics and references from metal music to Lovecraftian horror, making Belzebubs a devil of a good time.

"This marriage is not supposed to happen." Lombardy, 1628, a time of oppressive Spanish occupation of Northern Italy, and of the Thirty Years' War. The young lovers Lorenzo and Lucia, both from peasant families, are planning their wedding. However, the villainous Don Rodrigo has designs on Lucia, and the lovers are forced to flee their village. Their dangerous journey in exile takes them through one of the most dramatic epochs in Italian history, filled with war, famine and plague - will they ever be able to find happiness together? Dave Eggers says, of the series: "I couldn't be prouder to be a part of it. Ever since Alessandro conceived this idea I thought it was brilliant. The editions that they've compiled have been lushly illustrated and elegantly designed."
