What happens when you're an alpha male but you can't pay your bills? Antonio's solution is to go get drunk and get laid by a stranger—all at the expense of his long-suffering wife Abigail. But after Antonio meets mystery woman Jennifer, he gets an indecent proposal. Jennifer and her husband have the solution to Antonio's financial problems but they want a piece of his soul in return - namely the sexual services of his wife! Antonio laughs the deal off...until his wife tells him that she's willing to sign a contract and perform, IF it will solve their debt crisis. What follows is a shocking journey into sexual depravity, where macho man Antonio will have to unlearn his big ego and watch his wife surrender herself to one orgasmic experience after another at the hands of men she'll be dreaming about for the rest of her life. The psychological torments he must endure mount through each encounter as he discovers what it means to be truly cuckolded by his wife, inside and out. Real life cuckoldress Raven Merlot continues her exploration of the psyche of a hotwife and her cuckold. She can't wait to share with you the thrills that Abigail experiences at the hands of better lovers than her husband. As always, the author wants you to understand what is going on in minds of both the liberated hotwife and the increasingly submissive cuckolded husband.

Explores the image of the white Negro in American popular culture from the late eighteenth century to the present.

Mr. and Mrs. Susan and Thomas Parker. We were newly wed and very much in love. It had always been Susan's dream to see the Appalachian mountains and their glorious fall colors so how could I say no? London was so drab in the autumn anyways. Not my first pick but I wanted only her happiness. The wedding had been perfect and I knew the next week would be too. The cabin in the woods was remote, secluded, perfect for a twenty-something couple on their honeymoon. We had wanted a family together almost since we first met and what better time to start trying? Well, we got what we wanted. Just not exactly the way we thought... I shouldn't have had the extra glass of wine that first night. I shouldn't have been driving. If we'd just taken a cab we wouldn't have been pulled over in the middle of the night in the woods. And everything would have been different now.

It may well be the sheer virtuosity of its writing that has deprived English audiences hitherto of an opportunity to appreciate *Los cuernos de Don Friolera*. This comic masterpiece by Spain's most innovative modern dramatist provides a provocatively sardonic treatment of marital infidelity and honourable revenge. Intricate in construction and thoughtful in the issues it raises, the play is nonetheless vivid in its impact as it veers disconcertingly between witty debate, uproarious farce and ludicrously overblown melodrama. The traditions and institutions which, in the 1920s (and, in some cases, for most of this century), blocked Spain's path to modernization and progress are mercilessly lampooned. The translation seeks to convey the dramatic point of the dialogue, its innuendos, allusions and shifts of register, rather than a strict literalness.

Jason hooks up with Maddie on an app. She's just what he's looking for in a casual sex partner: older, sexy, and without reservations. He's just what she's looking for: young and gullible. Jason's just looking for casual sex. She's looking for a bull to enter into the cuckolding relationship she has with her husband. Jason has no idea what he's getting into but he doesn't turn back from the seductiveness of Maddie. This is a 50,000 word story intended for adult audiences. Originally published in five parts. This is a 50,000 word erotic novella that contains explicit sex and sexual descriptions in a cuckolding relationship. It focuses on explicit sex, group sex, multiple partners, voyeurism, cheating spouses, complicated sexual relationships, and other sexually explicit themes and language that not all members of the public will enjoy. All characters are 18 or older. Excerpt: Once inside she took his hand. "Are you ready for this?" "For what?" She didn't give him a verbal answer. She had to go up on her toes to kiss him but he didn't pull back. His lips were cold but warmed up quickly as the kiss lingered. She pressed her body against his and slipped her hands inside his jacket. His body was warm and hard. "We shouldn't be doing this. You're married." "And yet you came over to my house for me anyway," she said. "Come to my bedroom." Maddie tugged once on his hand and then walked away from him, heading for the stairs. She had only gotten a few steps up before she heard him following. She was certain he had gotten a good look at her bottom in the process. "You've got a nice home," he said, trying to keep the conversation off the subject at hand. "It's huge." "Yes. My husband works all the time. I'm a bored and lonely housewife. I love to spend my husband's money. Now that we've gotten all of that out of the way, shall we go to bed?" She opened the door to her bedroom. The bed was huge. It was nicely decorated, expensive without being gaudy. She perched herself on the edge of the bed. There was a single step up to the bottom of the bed. That was the most over the top thing in a bedroom that Jason had ever seen. "Shouldn't we...shouldn't we do it in a guest room or some other place?" "No. We need to do this in my marriage bed."

This collection presents solo violin/fiddle arrangements from the Maggie's Music CD *Early American Roots* by the Hesperus Early Music Ensemble. It includes a cross-section of popular American instrumental music from before, and just after, the American Revolution, including country dance tunes, improvisations, and shape note hymns. The dance music in this collection represents two basic genres of dance: country dances and cotillions. All the tunes in this book are playable on the standard-tuned fiddle (violin). The tunes have been arranged in the order found on the album as much as possible. Chords are provided to identify the harmonic structure of each piece as well as to give the opportunity for the use of an accompanying instrument, such as the guitar.

Ranging from fatherhood to machismo and from public health to housework, *Changing Men and Masculinities in Latin America* is a collection of pioneering studies of what it means to be a man in Latin America. Matthew C. Gutmann brings together essays by well-known U.S. Latin Americanists and newly translated essays by noted Latin American scholars. Historically grounded and attuned to global political and economic changes, this collection investigates what, if anything, is distinctive about and common to masculinity across Latin America at the same time that it considers the relative benefits and drawbacks of studies focusing on men there. Demonstrating that attention to masculinities does not thwart feminism, the contributors illuminate the changing relationships between men and women and among men of different ethnic groups, sexual orientations, and classes. The contributors look at Mexico, Argentina, Ecuador, Brazil, Colombia, Peru, Venezuela, Chile, and the United States. They bring to bear a number of disciplines—anthropology, history, literature, public health, and sociology—and a variety of methodologies including ethnography, literary criticism, and statistical analysis. Whether analyzing rape legislation in Argentina, the unique space for candid discussions of masculinity created in an Alcoholics Anonymous group in Mexico, the role of shame in shaping Chicana and Chicano identities and gender relations, or homosexuality in Brazil, *Changing Men and Masculinities* highlights the complex distinctions between normative conceptions of masculinity in Latin America and the actual experiences and thoughts of particular men and women. Contributors: Xavier Andrade, Daniel Balderston, Peter Beattie, Stanley Brandes, Héctor Carrillo, Miguel Díaz Barriga, Agustín Escobar, Francisco Ferrándiz, Claudia Fonseca, Norma Fuller, Matthew C. Gutmann, Donna Guy, Florencia Mallon, José Olavarría, Richard Parker, Mara Viveros
