What if there was a key that made every prayer more effective--something that would bring all prayers into agreement with the heart of God every single time? This type of praying does exist, says bestselling author and prophetic leader James W. Goll, and it's called prophetic intercession. It is the humble act of holding the needs of people before God while leaning into God's heart for them. There is nothing mystical or elite about this kind of praying, and it's for the new Christian and the most seasoned prayer warrior. All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart, empowered by the Holy Spirit. God wants you to align your heart with his. He wants you to pray more effectively in these turbulent times, and he wants you to help usher in the fullness of his purposes on the earth. Are you ready? Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

In early medieval Europe, monasticism constituted a significant force in society because the prayers of the religious on behalf of others featured as powerful currency. The study of this phenomenon is at once full of potential and peril, rightly drawing attention to the wider social involvement of an otherwise exclusive group, but also describing a religious community in terms of its service provision. Previous scholarship has focused on the supply and demand of prayer within the medieval economy of power, patronage, and gift exchange. *Intercessory Prayer*

and the Monastic Ideal in the Time of the Carolingian Reforms is the first volume to explain how this transactional dimension of prayer factored into monastic spirituality. Renie S. Choy uncovers the relationship between the intercessory function of monasteries and the ascetic concern for moral conversion in the minds of prominent religious leaders active between c. 750-820. Through sustained analysis of the devotional thought of Benedict of Aniane and contemporaneous religious reformers during the reigns of Charlemagne and Louis the Pious, Choy examines key topics in the study of Carolingian monasticism: liturgical organization and the intercessory performances of the Mass and the Divine Office, monastic theology, and relationships of prayer within monastic communities and with the world outside. Arguing that monastic leaders showed new interest on the intersection between the interiority of prayer and the functional world of social relationships, this study reveals the ascetic ideal undergirding the provision of intercessory prayer by monasteries.

Drawing on insights from Scripture, tradition, psychology, and experience, this book offers a comprehensive guide to Prayer in Practice, an essential resource for students and seekers alike. Applying ancient wisdom to contemporary questions, Prayer in Practice responds to the perennial request, "Teach us to pray."

Many of us long to see God move mightily in response to our prayers. We've heard of such stories. And some of us have experienced them. But how can we start a prayer ministry at our own church that is biblically based, responsible, and shows sensitive compassion for others? Praying with God's power is not permission to "get weird," launch into "spooky prayers," or alienate the rest of the church. Walking in our authority in Christ can be done with established ministry protocols that enhance your own church culture. The Praying Church shows us how to build safe, sustainable, team-based ministries of prayer that deepen our trust in each other and ensure that God, alone, gets the glory. Salas shares accounts from his own journey of spiritual formation--from saying "anemic" prayers to declaring life-giving words of blessing and power, ushering him into a deeper intimacy with God that his heart has always longed for. The biblically solid approach in The Praying Church honors theologically conservative traditions while embracing individuals no matter where they are in their faith journey.

Do you desire to grow in your prayer life? This book is a mentoring manual designed to release your destiny in prayer and intercession. You will gain from these insights and be led into a life of fruitful intercession. It is time for intercessors to arise and shine! In

Conversation is the central spiritual exercise in philosophical and theological reflection on language and love. Groundbreaking in its interdisciplinary approach, Conversation, Friendship and Transformation invites readers to an exploration of theological reflection on conversation and friendship as transformative ways of knowing self, others and God. Contemporary contributions in the areas of rhetorical theory, friendship studies, and gender collaboration provide a fruitful lens through which conversation as discourse may be understood as a pathway for theological inquiry. Augustine's De doctrina christiana and Confessions manifest a foundational example of reflection on the nature of language and love in the context of basic questions of Christianity and culture. Two texts from the medieval tradition are brought forth to confirm and develop Augustine's contributions. A glorious spiritual awakening is on the horizon, sparked by the combustible mix of worship and prayer. Dick Eastman calls this combination "intercessory worship," and in this one-of-a-kind guidebook, he explains how worship-saturated prayer rises like a fragrance before God's throne to declare His glory and reign over all circumstances, relationships and governments—and he shows readers how to engage in life-transforming intercessory worship. Eastman reveals why intercessory worship is the greatest last-days prayer movement in history and invites believers to join the worldwide Body of Christ in fanning the flames of revival through biblical worship and scriptural prayer. The world will be transformed as the presence and power of the Spirit pour forth from the heart of God.

Significantly, the book also provides an array of example prayers along with commentary.
