

Did I Ever Wake Up By Mod Sun

Questioning the doctrines of conventional society, its economics, politics and religions, to find the answers to the "whys" of the senseless waste, destruction, poverty, violence, crime, drugs, brutality, terrorism, war, weapons of mass destruction, global warming, ozone depletion and other environmental damage, that challenge the notion of human intelligence.

What does a gay son do when his parents tell him a fundamentalist Christian college bent on developing ministers is his only choice? Marty feels conflicted, scared, and miserable, but once on campus, he finds himself infatuated with someone he has to room with when he stays on campus over Thanksgiving break. At first glance, Marty thinks Troy is straight. But incidents and innuendoes develop between them, touchings and brushings, double entendres, and off-campus escapades in the snow. Is Troy gay, too, or hopelessly heterosexual? To find out, Marty hatches a plan to uncover the truth. Will the perfect Christmas gift determine their future together?

The Universal Story Life has a way of catching us off guard, turning our world upside down or even shattering it in a second. We react only to find ourselves in the same "old pit" again. Now what? Waking Up Discover your hidden strategies and reveal your (W)holeness. A different WAY You are the expert! All you need is the Wisdom Map. An invitation Read this and experience surprising relief and potent aliveness. Alaya Chadwick is able to put hands and feet on extremely complex concepts in a way which connects them to the living reality of everyday life...An indispensable tool for assessing oneself in those volatile times. The brilliancy of this path is that once you learn to use the map, the way home is lovingly put into your own hands. -" Martha Harrell, M.S.N. Ph.D., contributing author to Transforming Terror: Reclaiming the World Soul." Alaya confirms what we've long feared: it's a near impossible journey to complete with only a partial understanding of how one integrates psyche and soul. Here, in the hands of this storyteller, therapist-minister extraordinaire, we find what we've longed for. - "Sunny Shulkin, LCSW, BCD, Master Trainer of Harville Hendrix's Imago Relationship Therapy, co-author with Pat Love of the book How to Ruin a Perfectly Good Relationship."

An irreverent and self-deprecating memoir by a successful and ambitious career woman who woke up one morning and realised she didn't want to go to work - not just that day, but ever again. Kasey Edwards had a glamorous, successful and highly coveted career, flying around the world consulting to blue-chip organisations and commanding a six-figure salary. But all of a sudden her job didn't seem quite so challenging or glamorous, the role she'd been playing as a high-powered business woman felt phoney, and her whole life lost its zing. Kasey embarked on a journey of discovery into why she'd lost her purpose and meaning, and what she needed to do to find it again. Kasey also follows the story of her best friend, Emma, a senior marketing executive suffering a similar crisis. Both Emma and Kasey are well and truly over it, yet their approaches - and the results - are very different. Written with great honesty and wit, THIRTY SOMETHING AND OVER IT is a memoir for modern women seeking the key to life, love and happiness.

Do you ever feel like you are failing in life? In this book you'll find practical ways of improving every aspect of your life. The author writes from experience, and how she has learned to change circumstances, from failure to great success. In it you'll learn why do we fail, overcoming the will to fail, righting the direction, the task of imagination and many more principles of success. Practice the skills that will help you rise and find meaning and direction in this life. Thousands of people around the world have learned and practiced the principles found in this book. The lessons are easy to read, and simple to understand."Once more: however remarkable the results, the process is straightforward and uncomplicated. It is worth trying, for it has worked in hundreds of lives. It can work in any life that is not more truly dedicated to failure than to success."As its said above these principles will work for you, and will revolutionize your life completely as long as you commit and dedicate to the principles in this book. The time is NOW, that you turn your life around

The Man's Diet is specifically written by and for middle-aged men who want to lose weight. It is also a guide for overcoming major obstacles in your life. The Man's Diet is written for men, and does not concern itself with rice cakes, dieting shakes; but rather Jack Daniel's and pizza. There is a way to have it all, even at your age, it just takes a decision to do it, some creative thinking, and this book in order to achieve success. You only require the right plan. The Man's Diet is your plan to lose weight and live life to its fullest.

"A "brilliantly done" (Sunday Times, London) comedy of manners that explores the unease behind the manicured lawns of suburban America from the Orange Prize-winning author of A Crime in the Neighborhood. Littlefield, Massachusetts, named one of the Ten Best Places to Live in America, full of psychologists and college professors, is proud of its fine schools, its girls' soccer teams, its leafy streets, and charming village center. Yet no sooner has sociologist Dr. Clarice Watkins arrived to study the elements of "good quality of life" than someone begins poisoning the town's dogs. Are the poisonings in protest to an off-leash proposal for Baldwin Park--the subject of much town debate--or the sign of a far deeper disorder? Certainly these types of things don't happen in Littlefield. With an element of suspense, satirical social commentary, and in-depth character portraits, Suzanne Berne's nuanced novel reveals the discontent concealed behind the manicured lawns and picket fences of darkest suburbia. The Dogs of Littlefield is "a compelling, poignant yet unsentimental novel that examines life, love, and loss" (Sunday Mirror, UK)"--

Waking up early was the most life-changing habit I ever did. In just a few weeks I was waking up 2 hours early every day and feeling more productive and happier than ever. This book will show you how I did it. But first, Does this sound like you? Are you dissatisfied with your life? Are you overwhelmed with obligations to everyone else but you? Do you want more time to yourself? Are you confused about your purpose? Are you worried about the future? Do you feel unhappy at work? Are you seeking peace and quiet? Are you feeling depressed and powerless in your life? Do you feel like life is passing you by? That's how I felt. Trust me, I've tried and failed many times! I was addicted to the snooze button and lost momentum when I slept in on the weekends. I couldn't keep the habit and went on Amazon looking for morning routine books. Sound familiar? I was able to string together days, weeks, and months of waking up early every day. I started feeling more alive, more enthusiastic, and more in control of my life. After a few months I felt like I had woken up to a deeper part of my self. My true self. I call this my awakening. There are lots of books out there about waking up early and habit change. What you get with Wake Up is a personal story of how someone just like you put all the advice into practice and saw massive change in his life. It's real, it's honest, it's inspirational. I WOULD LOVE TO WAKE UP EARLY BUT I CAN'T BECAUSE... Let me stop you there, friend. I know what you're going to say. You don't have time, right? You are already get too little sleep and there is NO WAY you could possibly wake up early. Maybe you have kids or family obligations that make it difficult to carve out time for yourself. All I can say is I hear you loud and clear. But this isn't the only excuse I've heard. Do any of these EXCUSES sound familiar? Not enough time I'm not a morning

person Lack of self-discipline I keep hitting snooze I'm too tired in the morning My family makes it difficult I can't keep the habit consistent Fortunately, I help you with all these excuses and more in Wake Up. After reading the book, you will have no excuses left! Now's the time to take action my friend! READ WAKE UP AND YOU WILL LEARN HOW TO: BECOME AN EARLY RISER Develop the habit of waking up early every day. Build a perfect morning routine. Imagine what you could do with an extra hour each morning! FIND YOUR PURPOSE We each have a purpose for being on this planet. Learn how to follow your joy and curiosity, then find the courage to show it to the world. BECOME A HABIT MASTER Most of our actions are habitual. Change your habits, change your life! Create the perfect morning routine to do amazing habits every day, consistently! OVERCOME PROCRASTINATION Procrastination is a symptom of a deeper problem. Sometimes we just can't keep a good habit going or we just can't get started. Learn why. GAIN CLARITY AND INNER PEACE Create a sacred morning ritual that embraces quiet solitude and deep thinking. Start your day in touch with your inner self and genuine desires. OVERCOME DEPRESSION Depression is a symptom of a stifled soul that cannot express its true gifts. Put the power of your life back into your hands and create the life you desire. What would your life be like if you could wake up early every day? Read "Wake Up" and find out. Your true self awaits.

Did I Ever Wake Up? A Book

The purpose of the book is to identify certain areas of fraud waste and abuse by officials from both the state and federal government. These officials have been abusing the trust that the American taxpayers have given to our elected officials. For over fifty years the Democratic and the Republican parties have created a system of government that has provided a pot of gold for themselves. This book contains examples of the power structure that the Democrats and the Republicans have created. The book also contains solutions to solve the economic crisis that looms over America. The question is, "Will the American taxpayer take charge of their own future and the future of their children?"

They seek ultimate power. Nothing can stand in their way. Ed Burke has waited a lifetime to become president of the United States. He's not about to let his nemesis, Mac Foster, stop him now...especially when he's sold his soul for the Oval Office. Claudia Duval has lived a rough life. And finally, things have turned around for her after meeting the wealthy Hudson Kinney. But is all what it seems? When a prominent citizen is murdered in Jackson, Tennessee, attorney Jake Reed doesn't want to know the truth. He just wants to get his client off. But as he investigates, he uncovers a sinister scheme. A scheme that would undermine the very democracy of America...and the freedom of the entire world.

Making it in Hell, says Bruce Jackson, is the spirit behind the sixty-five work songs gathered in this eloquent dispatch from a brutal era of prison life in the Deep South. Through engagingly documented song arrangements and profiles of their singers, Jackson shows how such pieces as "Hammer Ring," "Ration Blues," "Yellow Gal," and "Jody's Got My Wife and Gone" are like no other folk music forms: they are distinctly African in heritage, diminished in power and meaning outside their prison context, and used exclusively by black convicts. The songs helped workers through the rigors of cane cutting, logging, and cotton picking. Perhaps most important, they helped resolve the men's hopes and longings and allowed them a subtle outlet for grievances they could never voice when face-to-face with their jailers.

"I don't know about you, but I need all the help I can get when it comes to spiritually jump-starting my day. Some days I get up and it is all I can do to concentrate on a few verses of Scripture. Other days I feel tempted to blow off my twenty minutes of reading because I'm anxious that I have too much to do. On such days I have found it helpful to have a source to direct my thoughts toward God. I need a tool to help me rouse my weary spirit and prepare to take on yet another day of kingdom building. In short, I need a wake-up call. Do you?" So writes Will Davis Jr., in "Wake-Up Calls." "Wake-Up Calls" helps bleary-eyed Christians to better see God's kingdom. It deals practically with such topics as temptation, sin, prayer, relationships, suffering, conflict, death and obedience with honesty and in-your-face clarity. If you need a blast of kingdom reality that cuts through the morning's spiritual fog, then "Wake-Up Calls" is for you.

Mod Sun has his own take on the world. In Did I Ever Wake Up? the drummer-turned-rapper offers his advice on how to succeed in life, just as he's done. Born and raised in Minnesota, Mod's philosophy is about pulling up your bootstraps and taking control of your existence. No one can do it for you. Like he says in Chapter 6, "There's no such thing as hard." Positive thinking can provide the impetus to do great things. Reading this book is one big step in that direction.

When our reality collapses and the mind cannot find an explanation, we have the possibility to change the mental programming. Many times the universe will provoke us to leave our comfort zone, so that we can wake up and see beyond what our eyes can show us. With this book I want to transmit many experiences that will resonate with your being, so that maybe you can incorporate them as tools to change your way of seeing the truth. I am only a being that from my heart wants to help, transmitting with love and total detachment, everything that happened in my life. You cannot change everyone, but if you can change your reality, it will also change the reality of those around you, so that the world will also be a better place. Thank you for giving me the possibility to help you change your way of observing...

If you are breathing, thinking, talking, walking, hoping, dreaming, expecting, believing. . . . If you are moving in any shape, form, or fashion, this book is for you. If you have ever been challenged by jobs, people and their peculiar ways, this book is for you. You are on a journey just as I have been. Answering God's Wake-up Call (2013) chronicles 100 days of my journey with the Holy Spirit - a journey that landed me in Antigua. Shared with readers are events, days, prayers, poems, thoughts that represent a very real walk with God. An emphasis is placed on obedience and listening for God and to God. This book picks up in some ways where Yes, God, I'm Listening (2002) left off. As we all know, it is one thing to listen - it is many times more important to be obedient. And we are called to tell others of our experiences. When you get the wake-up call, what will you do? Hit the snooze and roll over? It's a journey! Don't miss the call!! This book is for you. From the rising of the sun to the going down of the same, His name is to be praised. Regina Vincent Clark, Ed.D., says she felt called or sent to Antigua, West Indies in 2010 - the same time that she began formally documenting journal entries which, within a year, would become the basis for this book. Dr. Clark's experience of employment and community outreach were as much a part of her journey as the personal relationships formed with individuals in Antigua and her eye-opening experience of coming to know the Holy Spirit as a person, a friend, a guide, and a dependable confidante.The life story is clearly a testimony that where God guides, He provides many opportunities to us to be used as a Blessing to others. LouiseExcellent testimony!! Always remember, there are no bad days in CHRIST, >only opportunities to grow your faith. Keep studying and be encouraged. Minister JerryThanks for sharing

your spiritual journey . . . It was just what I needed with my morning cup of tea! Victoria>I can relate to everything you wrote. From the challenges of my jobto recognizing the presence of the Holy Spirit in my life, leading, guiding, nurturing me. Muriel

What if you woke up to a new life every day? A collision of universes leaves Abby living two lives at once - and sharing them with her own double. Two worlds. Two guys. Two selves. How will she stay in control?

A story of a man, he came to the edges of space to live life. He worked and made friends, he was like any other person in the galaxy.His entire world changed, his nightmares came to life. He saw everything he worked for fall to pieces. His story begins here. He will be forced on an adventure, that he wanted no part of.Will be followed up by, Memoir of Shadows Revelations.A rewrite will be done to correct mistakes. Let me know through the contact info if you find any.

Includes accounts of people who have studied, investigated, or experienced ghostly activity.

Each chapter is a story and poem told to a young boy by one of his different colored tiddlywinks.

YOU have been CHOSEN...and YOU CAN SURVIVE! GET the KNOWLEDGE and the POWER you need to CLAIM your RIGHTS to SURVIVAL, NOW!

Jessica Jarlvi is a hugely talented writer and definitely one to watch' SOPHIE HANNAH. A breathtaking, heart-pounding, dark debut, sure to delight fans of The Girl on the Train and Before I Go To Sleep. When Anna, a much-loved teacher and mother of two, is left savagely beaten and in a coma, a police investigation is launched. News of the attack sends shock waves through her family and their small Swedish community. Anna seems to have had no enemies, so who wanted her dead? As loved-ones wait anxiously by her bedside, her husband Erik is determined to get to the bottom of the attack, and soon begins uncovering his wife's secret life, and a small town riven with desire, betrayal and jealousy. As the list of suspects grows longer, it soon becomes clear that only one person can reveal the truth, and she's lying silent in a hospital bed... What readers are saying about WHEN I WAKE UP... 'An absolutely fantastic read with brilliant characters. I did not see that coming. Shocked. 5*' 'I was in complete suspense all the way to the end. There were so many jaw dropping moments and it has been a long time since a book has gripped me that way' 'The reader is taken on a gripping and tensely dark ride where you suspect everyone! A great read' 'The action was tension-heavy and fast-paced ... I cannot WAIT to see what Jessica Jarlvi will deliver next'

Columbus's Journey Home is a story told through the eyes of a puppy who faced adversity, abandonment, and fear in search of a loving home which he could call his own. It is a tale of tragedy to begin, resulting in triumph and happiness in the end. Follow Columbus in his journey as he achieves his goal of a safe and secure home of his own.

The mysterious entity of the initial Emergence novel reappears in the deep hydrothermal vent areas of the Pacific Ocean. Rather than merely explore the reality of the surface world, the entity chooses to adventure into our reality. Research in origins of life, geology and Super String Theory merge to produce an intense tale of scientific inquiry that questions our most sacred assumptions and beliefs.

Accepting Ourselves and Others

On a desperate quest to become legal guardian of her younger sisters, India runs away to find help. In searching to find help, she runs into a loud, cocky bull rider, Chad Watch. She proposes a temporary marriage agreement to gain custody of her sisters. Will India achieve her number one goal—to save her sisters—or will she find disappointment? Chad Watch is a ladies' man, good-looking, cocky, a professional bull rider, a deputy for the local sheriff's department, and a womanizer. He loves parties, rodeos, and women. Chad never gave love, family, or children a single thought. But in meeting India, Chad will agree to anything for just one night. Will Chad agree to an everlasting love and a family?

America is in trouble. Out of control spending! Massive debt! Political ineptness! Constitutional indifference! Corporate greed! Union corruption! Moral chaos! Biblical faith under attack! Militant Islam! Fifth column foes within and powerful enemies without! National weakness from top to bottom! Our very survival is at stake. Is there a way out or is it too late? Our founding Fathers would be appalled, but not surprised, at the depth to which our once legitimately proud nation has plunged. Understanding the biblical view of fallen human nature they built a cultural foundation based on Judeo-Christian Law and values unknown in the world before or since. But as brilliant as they were they could not win the battle to keep the foundation intact for posterity. They charged each generation with that. Restoring Cultural Foundations: A Wake Up Call to America shows through a study of the Ten Commandments that a return to the Judeo-Christian principles on which the Founders built our nation is imperative for an orderly society and lasting liberty. Departing from God's ways, they believed, courted certain disaster. Written for families, businesses and churches the author lays out ways our nation can return to our foundation and regain our lost dignity, security and well-being.

The Series: The Unbreakable Series consists of Book One: Little Miss Straight Lace, Book Two: Little Girl Lost, and Book Three: Daddy's Little Girls. The Story: Unbreakable is the story of Josie Natale, a dedicated researcher who lives and works in the Research Triangle area of North Carolina. When Josie learns a bit too much about her client's new

drug, the horrors from her past seem destined to return. Just as her life begins to spin out of control, a dashing computer security expert arrives from South America and seems the perfect antidote. But is his sudden arrival just the happy coincidence it seems? Find out in these novels of mystery, romance, and suspense that take the reader on a roller coaster ride of murder, mayhem, sex, and drugs—of the pharmaceutical variety, of course—until the very last page. Praise for The Unbreakable Series: “Romana’s characters are portrayed with skill, each is a credible person filled with foibles, warts and gaffes...the various twists and turns are handled with skill, are easily followed, and add depth and dimension often lacking in works provided by newer writers...Maria Romana’s Little Miss Straight Lace is a fast paced, keep ‘em guessing and turning the page type read sure to intrigue readers who enjoy good writing, a bit of romance, a lot of action, and a downright good read.” —Molly Martin, for Midwest Book Review “There is one thing for sure, the reader is in for a rollicking ride. It is full of suspense and mystery along with romance and humor. A very enjoyable read.” —Readers Favorite, an Amazon Vine™ Voice reviewer. “...a great beach read...all the ingredients for a story that’s hard to put down...” —Author A.J. Braithwaite, Inside Hawley Lodge Read a snippet (from Book 3): Robert spoke with open hands and a casual stance, “Look, fella, take it easy. We just—” “O-okay, listen, I-I’ll tell you the whole story. Everything. But I swear, I never did anything to her. Nobody did. Not on my watch, anyway. I took real good care of her. I swear. You gotta believe me!” Nic’s pulse quickened. He took a step closer and cocked a brow at the stocky man, “Who her?” “Y-you know—your girl.” “My girl?” “Y-yeah. You know...petite, brunette, pretty. Kinda...” The guy relaxed a little, pulling his hands away from the fence, and started forming an hourglass shape with them. Nic pursed his lips. “Okay. I know what she looks like.” He lifted his chin at the stocky man, “So what are you talking about? ‘Your watch’. ‘Took care of her’. Where? When?” “Come on, you know...” The tattooed man looked from Nic over to Robert, as if he expected a more reasonable interrogator—a Good Cop to Nic’s Bad. But Nic insisted, “Humor me.” “Well, uh, well...” Nic took another step. The tattooed man gulped and started talking, “Yeah, okay. See, when I took the job, I didn’t know it was her, okay? It was only when I saw her close up, in the light, that I recognized her. I remembered her from the bar. From that night last summer when I pulled her off the stool. I mean, I didn’t know who she really was. I just thought she was your date, your girl or whatever, okay? I didn’t know she was like...one of you.” Keywords: Romance, Romantic Suspense, Romance Suspense, Suspense Romance, Mystery Romance, Romantic Mystery, Romance Adventure, Romantic Adventure, Multicultural Romance, Hispanic Romance, Romance Novel, Books for Android, eBooks for Android

'Mind-blowing. It kept me guessing from the beginning to the end' Reader review * * * * * The pitch-black bestselling psychological thriller for fans of Friend Request by Laura Marshall and I Am Watching You by Teresa Driscoll. Alex Taylor wakes up tied to an operating table. The man who stands over her isn't a doctor. The choice he forces her to make is utterly unspeakable. But when Alex re-awakens, she's unharmed - and no one believes her horrifying story. Ostracised by her colleagues, her family and her partner, she begins to wonder if she really is losing her mind. And then she meets the next victim. So compulsive you can't stop reading. So chilling you won't stop talking about it. Don't Wake Up is a dark, gripping psychological thriller with a horrifying premise and a stinging twist . . . Readers are completely gripped by Don't Wake Up: 'A gripping read right up to the end . . . fast-paced, well written and exciting' * * * * * 'Full of twists . . . one of the best books I've read in a while' * * * * * 'A perfect balance of suspense, drama, crime and mystery. A superbly executed book I could not stop reading!' * * * * * 'Couldn't put it down' * * * * * 'An outstanding debut novel' * * * * * 'One of my favourite reads this year' * * * * * 'Gripping, fascinating, slightly terrifying, and moved at a quick pace. Overall a great psychological thriller' * * * * * 'This is a fantastic novel that will hook you right in and leave you suspecting every single character' * * * * *

The Elevator Ride is a life-inspiring book that has many real life situations that everyone has been exposed to. This book is inspired by the author's life history and marriage. Dealing with friends, family and a career path is more than enough for one person to deal with. Now, throw in a cheating husband, ex-girlfriend, secret lover and sister-in-law that you can't seem to get along with now your really dealing with some drama. Life brings change and you have to deal with what comes your way. You can't trust who you think you can trust and you can't be afraid to move on in life. Life is what you make of it.

From fashion to food and their famous je ne sais quoi attitude toward life itself, everybody wants to be French. But a passion can quickly turn into an obsession. The City of Light begins to dim when the body of a teenage girl is discovered floating in the Seine—and then another—and it quickly becomes clear that the Paris police are out of their depth. When the desperate American mother of a newly missing teen comes to beg for Claire’s help to find her troubled daughter before it’s too late, how can Claire say no?

Teachers, entrepreneurs, successes and stars come together in this volume to reveal their keys to personal success in relationships, in business and in life. From self-realization guru Dr. Wayne Dyer to basketball superstar Jerry "Dr. Memory" Lucas, each one of these contributors speaks to a slightly different perspective. Overcoming obstacles, perceiving your truest purpose, finding the courage to be passionate about what you do best: everyone can learn from these leaders in business, training, teaching and industry. Success isn't a gift; you have to seize it. This is the manual.

This is the story about a boy who runs away from home when he sees his widowed mother sleeping with a white man, the varied experiences he undergoes and how he finally comes to terms with life's realities.
