Bible and Koran Those who study the Koran must also study the Bible, so frequent are the references, themes and figures which bring us back to the Old and the New Testaments. Reciprocally, those who study the Bible cannot ignore the ties that bind it to the Koran. It is only by accepting this stringent condition that people from Jewish, Christian and Islamic backgrounds can hope to have an honest and open dialog. This ebook begins with Jacqueline Chabbi from the University of Paris VIII, who focuses on the chronology of the constitution of the Koran and the historical context in which Islam originated. Geneviève Gobillot, from the University of Lyon III, delves into the text of the Koran to illustrate its various and complex links with the Bible. Emilio Platti from Cairo and Maurice Borrmans from Rome then examine biblical figures in the Islamic tradition, and finally Alain George from the University of Edinburgh discusses the production of the Koran in Syriac workshops.

It is said that Buddha's mother conceived her son while in a state of blissful meditation under a banyan tree. Mary conceived Jesus in more or less the same way. It's also been said that Zoroaster, Leonardo Da Vinci, Mary and Hanna, Mary's mother, and Moses (floating down a river in a basket?) plus Athena and Athena's mother, Plato, Alexander the Great, and scores more geniuses, visionaries, leaders and healers throughout history are claimed to have come about this way. If many of the lower species can and do conceive parthenogenetically, I don't think it's too absurd or irrational to assume that humans can too. There are more questions than answers regarding this. This book's the result of 45 years of searching, researching and contemplation. It thoroughly explores this "subject of subjects" through science, mythology, archaeology, religion, indigenous people and yes, personal testimonies.

This book is comprised of sixteen articles written by Elijah Muhammad in the Nation of Islam's official Newspaper, Muhammad Speaks, beginning May, 1973. What had previously been known as Ezekiel's Wheel or his vision of the wheel, was in fact called The Mother Plane, because it is today in fact, not visions, a humanly built planet, or the "mother" of all planes, so teaches Elijah Muhammad. The bible's Ezekiel did not see an actual wheel, but only a vision of one that would be in the future. This book analyzes Ezekiel's vision and brings it to bear with what Elijah Muhammad says that God taught him about it. What's called "UFO's today is in fact the wheel which eludes the scientists of this world. Elijah Muhammad interprets Ezekiel's Wheel in modern terms.

Jusus found in Egipt is one of the long awaited works or Dr York. The secrets within the book were kept sacred from those innocent souls who have been blinded by belief and faith, to keep them under control and available to use to destroy the lives of others. This is all done under the pretence that it is their god's will.

In Christianity Before Christ, comparative religion scholar John G Jackson explores ancient traditions from many societies, asserting that Christianity is the recasting of beliefs which are older and pervasive through many cultures.

"And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years; And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance." - Genesis 15:13-14 For most of our lives we've been taught that the church has replaced Israel, Israel migrated and mixed with all nations, and that God no longer cares about Israel... but if that's the case, how can the church trust anything that comes out of the mouth of God if he'd just back out on all the promises made to Israel? + God never abandoned Israel. + Christianity did not replace the nation of Israel. + Much of Christian doctrine was designed to reinforce white supremacy. One of the biggest travesties of the Transatlantic Slave Trade is that black culture prior to coming to America was completely erased on purpose. What couldn't be erased was eventually white washed until we were so uncertain of our identity that we began to identify with two lands... African American... + In the late 1400s Portugal began deporting black Hebrews to the West Coast of Africa. + European journals written before and after the Transatlantic slave trade confirm Hebrews were black. + French, English, Portuguese, and German maps show The Kingdom of Judah located in Africa. + A 1766 Spanish map has Negroland marked as "populated by Jews." The reason it is so hard to uncover our true history is because of Eurocentric Christian racism. Most of them and many of our own people simply refuse to look at the evidence, so they deflect in order to avoid it. + "Salvation isn't about race." + "Why does it matter?" + "You need to repent." They will say anything to keep us from teach OUR HISTORY from OUR BOOK. They want to teach the deception of a light, Middle Eastern, and olive Israel, while ignoring all the references to black Hebrews in the Bible. + Moses, Joseph, and Paul were all mistaken for Egyptians. + Job said, "my skin is black upon me." + Solomon's lover said, "I am black but lovely." When questioned about these inconsistencies with what we see in movies and on TV, the common Christian cop out is to try to explain it away as meaning something other than what the text indicates. + Daniel describes Christ as having skin the color of bronze in the book of Daniel. + John describes Christ as having skin the color of bronze in the book of Revelation. + Christ describes his own feet as the color of bronze in the book of Revelation. Ultimately, this book was written for TRUTH SEEKERS that want to know the true history of black people in America. This book isn't about race based salvation, God caring about skin color, or any other false reason false teachers look for in order to avoid the subject. The truth is that scripture was not written about Europeans, it wasn't written by Europeans, but it does address what's coming to the Europeans as payment for everything they've done on the planet. Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free." - John 8:31-32 Are the tribes of Israel really "lost" or were they hidden as prophesied in Psalms 83? The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are. If this is true, then history as we know it has been hijacked, and it is only through searching that we will find the truth. In this book, you'll find the answers to the following questions, just to name a few: Why does a 1747 English map place the tribe of Judah on the "slave coast" of Africa? Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships? Why did slaves sing songs in Hebrew and call out to Yah for help? Why did Christ mention the slavery of Israel as a sign of the end of the age? Are "the times of the Gentiles" coming to an end? If you are 100% honest with yourself as you find the answers to these questions, your eyes will be opened. If you're ready to start this eye opening adventure through scripture then keep

reading. ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE! "Thus saith the LORD, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name: If those ordinances depart from before me, saith the LORD, then the seed of Israel also shall cease from being a nation before me for ever. Thus saith the LORD; If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith the LORD." – Jeremiah 31:35-37
