The Miracle in a Daddy's Hug has a two-fold meaning: It's about the child who is a miracle full of miracles, and it's about the miracle-producing power of a daddy wrapping his arms, words, and heart around his child. In a world where so many boys and girls grow up deprived of their father's love, we see the repercussions of this depravation in the individual lives of these children and in society as a whole. The Miracle in a Daddy's Hug has a two-fold meaning: It's about the child who is a miracle full of miracles, and it's about the miracle-producing power of a daddy wrapping his arms, words, and heart around his child. This easy to read and understand book shares seven components of the miracle in a daddy's hug: First it examines the miracle of the child and the dad. Then, it looks at the value of touch, words, time, love, and faith. This book helps parents understand their children, it provides vision and strategies for both moms and dads, and it builds confidence in every dad that he can raise miracles called children. 48 Days to the Work You Love offers plenty of smart ideas for thriving in today's changing workforce, this revised edition also includes fresh tips on career search and resume tools, interview skills, negotiating salaries, and more. According to financial expert Dave Ramsey, "Few categories of our lives define us and grow us spiritually, emotionally, relationally, and as people. Our work is one of those defining areas. Sadly, a 'j-o-b' is what most people settle for. But as Dan Miller so powerfully points out in 48 Days to the Work You Love, "a calling lights up your life". As a leading vocational thinker, New York Times best-selling author Dan Miller helps readers better understand and organize their God-given skills, personality traits, values, dreams, and passions. In turn, they'll see clear patterns form that point them toward successful career decisions. 48 Days to the Work You Love is packed with modern insight and timeless wisdom and provides a step-by-step process for creating a Life Plan and translating it into meaningful, satisfying daily work.

Diversity has been a focus of higher education policy, law, and scholarship for decades, continually expanding to include not only race, ethnicity and gender, but also socioeconomic status, sexual and political orientation, and more. However, existing collections still tend to focus on a narrow definition of diversity in education, or in relation to singular topics like access to higher education, financial aid, and affirmative action. By contrast, Diversity in American Higher Education captures in one volume the wide range of critical issues that comprise the current discourse on diversity on the college campus in its broadest sense. This edited collection explores: legal perspectives on diversity and affirmative action higher education's relationship to the deeper roots of K-12 equity and access policy, politics, and practice's effects on students, faculty, and staff. Bringing together the leading experts on diversity in higher education scholarship, Diversity in American Higher Education redefines the agenda for diversity as we know it today.

Emprender es un juego en donde tienes todo en contra. Más del 90% de los emprendimientos fracasan. Solo un pequeño porcentaje de emprendedores tienen éxito. Aún después de convertirse en ese pequeño grupo de emprendedores con negocios exitosos, muchos terminan siendo esclavos de su negocio: estaban buscando la libertad que promete el emprendimiento, y construyeron una operación que depende de ellos: se convirtieron en autoempleados. Una de las razones principales del fracaso de los negocios es la falta de conocimiento. Los emprendedores no han sido educados en los principios, modelos y sistemas para contruir negocios exitosos. En *Emprendedor: Conquista el arte de los negocios*, Victor Hugo Manzanilla, emprendedor en serie y ejecutivo de empresas Fortune 500, nos muestra los principios, modelos y sistemas para construir negocios con éxito. Desde cómo dar el salto del empleo al emprendimiento, hasta los principios para construir marcas exitosas, cómo leer estados financieros y dominar el arte de las ventas, este libro te entregará lo más importante para convertirte en un emprendedor sólido. Este es un libro para cualquier persona que tenga el sueño de crear algo para sí mismo, y que tenga la valentía y el compromiso de llevarlo a la realidad.

Two renowned financial experts equip readers with the knowledge, financial tools, and wisdom needed to build a solid financial future as retirement approaches--a portfolio that provides for one's family, honors God, and blesses the generations that follow with a legacy of stewardship and resources. Original. 20,000 first printing.

Todo líder, en cualquier edad, está familiarizado con la sensación de no estar al mando. Muy a menudo, la falta de autoridad paraliza líderes, creyendo que deben esperar estar a cargo para poder liderar. Uno de los mayores mitos de liderazgo es que debes estar a cargo a fin de liderar. Los grandes líderes no lo creen así. Los mejores líderes conducen con o sin la autoridad para conducir. Porque cada camino de liderazgo se forja en la intersección de autoridad e influencia, aprender a cultivar la influencia sin autoridad es un elemento fundamental para navegar la cultura actual.

Joyce Meyer, # 1 New York Times bestselling author, helps readers tap into the life-changing power of positive words and prayer to overcome everyday problems in *Power Words*. Developing the habit of speaking God's Word will unlock the power of transformation in readers' lives. In this compact derivative of her bestselling book, *Me and My Big Mouth*, Joyce Meyer draws from personal experience and Scripture to illustrate how prayer and positive words can be used to overcome every challenge that stands in the way of fulfillment. Joyce teaches readers how to stop talking idly about their problems and use God's Power Words to defeat them.

When Dave Ramsey was experiencing his own Total Money makeover, he found that journaling was very helpful and effective. Dave says, "Take this journal and record everything happening that seems like a big deal. Record the relationship issues, the debt, the emotions, the setbacks, the victories, and anything else that seems important at the time. "The immediate benefits of writing everything down are twofold. First, writing helps you process the problems and victories. The second immediate benefit of journaling is that you can reread your entry just days-even months-later and gain vital perspective on your progress. "Write it down. You will be glad you did."

"What's the best thing you can do with your money? How can your wealth make the biggest impact? In this eye-opening lesson, Dave Ramsey reveals the mystery of The Great Misunderstanding, the mistaken belief that the way to have more money is to hold on more tightly. You'll discover how to be a good manager of your money as you learn to hold your wealth with an open hand. This new perspective will revolutionize every area of your life, as you learn what it means to be a radical giver."--Container. Combines practical advice, inspiration, and common sense to explain how to achieve financial prosperity, offering a balanced approach that emphasizes the importance of family success and marital strength.

The poignant odyssey of a tenacious young girl who braves the dangers of the Texas frontier to avenge her mother's death Early one morning in the remote hill country of Texas, a panther savagely attacks a family of homesteaders, mauling a young girl named Samantha and killing her mother, a former slave, whose final act is to save her daughter's life. Samantha and her half-brother, Benjamin, survive, but she is left traumatised, her face horribly scarred. Narrated in Benjamin's beguilingly plainspoken voice, *The Which Way Tree* is the story of Samantha's unshakeable resolve to stalk and kill the infamous panther, rumored across the Rio Grande to be a demon, and avenge her mother's death. In their quest she and Benjamin, now orphaned, enlist a charismatic Tejano outlaw and a haunted, compassionate preacher with an ageing but relentless tracking dog. As the members of this unlikely posse hunt the panther, they are in turn pursued by a hapless but sadistic Confederate soldier with troubled family ties to the preacher and a score to settle. In the tradition of the great pursuit narratives, *The Which Way Tree* is a breathtaking saga of one steadfast girl's revenge against an implacable and unknowable beast. Yet with the comedic undertones of Benjamin's storytelling, it is also a timeless tale full of warmth and humour, and a testament to the enduring love that carries a sister and brother through a perilous adventure that takes on the dimensions of a legend.

Hitherto we have spoken only of the mystic path; and we have kept particularly to the practical exoteric side of it. Such difficulties as we have mentioned have been purely natural obstacles. For example, the great question of the surrender of the self, which bulks so largely in most mystical treatises, has not been referred to at all. We have said only what a man must do; we have not considered at all what that doing may involve. The rebellion of the will against the terrible discipline of meditation has not been discussed; one may now devote a few words to it.

Jo Beth Jensen is practical. Burned once by a cowboy, she's sworn never to get involved with another one. But sexy Clay Madison is different. A champion rodeo bull rider, Clay is just too easy on the eyes to ignore. With his lean hips and tight buns, Clay is every woman's fantasy. A study of the development of doctrine in the unfolding history of the Christian church. The author describes the relationship between the development of doctrinal ideas and the spread of Christianity, showing how doctrine is, in fact, a reaction to the particular disputes of each era. Reach your financial goals and reduce the stress in your life with this book of biblical principles by the bestselling author of *The Blessed Life*. Who doesn't want to eliminate financial stress? What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of

hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

A simple, straight-forward game plan for completely making over your money habits!
