After reading Christmas Carol, the notoriously reculsive Thomas Carlyle was "seized with a perfect convulsion of hospitality" and threw not one but two Christmas dinner parties. The impact of the story may not always have been so dramatic but, along with Dickens other Christmas writings, it has had a lasting and significant influence upon our ideas about the Christmas spirit, and about the season as a time for celebration, charity, and memory.

.0000000000Gabriel Oak is only one of three suitors for the hand of the beautiful and spirited Bathsheba Everdene. He must compete with the dashing young soldier Sergeant Troy and respectable, middle-aged Farmer Boldwood. And while their fates depend upon the choice Bathsheba makes, she discovers the terrible consequences of an inconstant heart. Far from the Madding Crowd was the first of Hardy's novels to give the name of Wessex to the landscape of south-west England, and is set against the backdrop of the unchanging natural cycle of the year, the story both upholds and questions rural values with a startlingly modern sensibility. Illustrated by Helen Allingham, with an Afterword by David Stuart Davies.

In what is one of the finest autobiographies to come out of the First World War, the distinguished poet Edmund Blunden records his experiences as an infantry subaltern in France and Flanders. Blunden took part in the disastrous battles of the Somme, Ypres and Passchendaele, describing the latter as 'murder, not only to the troops, but to their singing faiths and hopes'. In his compassionate yet un sentimental prose, he tells of the heroism and despair found among the officers. Blunden's poems show how he found hope in the natural landscape; the only thing that survives the terrible betrayal enacted in the Flanders fields.

Far From The Madding Crowd

Hardy's two versions of a strange story set in the weird landscape of Portland. The central figure is a man obsessed both with the search for his ideal woman and with sculpting the perfect figure of Aphrodite.

'. . . the past was yesterday; the future, tomorrow; never, the next day' It's the 1870s and Bathsheba Everdene is a woman ahead of her time. Within the confines of rural English society, her independence and impulsive nature quickly land her at the heart of a web of love and lies. Three very different men hope to claim her. But Bathsheba is fickle. And as she forges her own path through the politics of love and marriage, disaster follows in her wake.

FAR FROM THE MADDING CROWD is a tale of loyalty, obsession and tragedy from a storytelling master. Soon to be a film starring Carey Mulligan, Michael Sheen and Tom Sturridge.

"A new selection from the national epic of India. Originally composed in Sanskrit sometime between 400 BC and 400 AD, The Mahabharata--with one hundred thousand stanzas of verse--is one of the longest poems in existence. At the heart of the saga is a conflict between two branches of a royal family whose feud culminates in a titanic eighteen-day battle. Exploring such timeless subjects as dharma (duty), artha (purpose), and kama (pleasure) in a mythic world of warfare, magic, and beauty, this is a magnificent and legendary Hindu text of immense importance to the culture of the Indian subcontinent."--Publisher's description.

Love, and the erratic heart, are at the centre of Hardy's 'woodland story'. The romantic entanglements of Giles Winterborne, Grace Melbury, the dissolute Edred Fitzpiers and the wealthy Felice Charmond are bound up with issues of class and social status as they make their marital choices. This is the only critical edition of the novel, based on the manuscript and incorporating Hardy's later revisions.

In *Far From the Madding Crowd*, which is perhaps Thomas Hardy's most popular novel, we leave Gabriel Oak and Bathsheba Everdene newly-married. Now, many years on, Bathsheba's husband and three almost grown-up children have superseded the three diverse suitors of her youth. Bathsheba's caprice and wilfulness has been replaced with the trials and tribulations of family life. All three children reject the careers chosen for them by their parents to become evermore cosmopolitan in their lives and outlook. As the children mature and make fewer demands on her time, Bathsheba becomes involved with Gabriel's mission to improve the working and living conditions of agricultural labourers. She strives against prejudice to form a women's movement to uphold and promote the rights of Union members' wives. But as Industrialisation filters slowly into Hardy's Victorian rural scenes, the Oak family find Wessex life is changing forever. Is this change for the better?

When Farmer Oak smiled, the corners of his mouth spread till they were within an unimportant distance of his ears, his eyes were reduced to chinks, and diverging wrinkles appeared round them, extending upon his countenance like the rays in a rudimentary sketch of the rising sun. His Christian name was Gabriel, and on working days he was a young man of sound judgment, easy motions, proper dress, and general good character. On Sundays he was a man of misty views, rather given to postponing, and hampered by his best clothes and umbrella: upon the whole, one who felt himself to occupy morally that vast middle space of Laodicean neutrality which lay between the Communion people of the parish and the drunken section,--that is, he went to church, but yawned privately by the time the congregation reached the Nicene creed, and thought of what there would be for dinner when he meant to be listening to the sermon. Or, to state his character as it stood in the scale of public opinion, when his friends and critics were in tantrums, he was considered rather a bad man; when they were pleased, he was rather a good man; when they were neither, he was a man whose moral colour was a kind of pepper-and-salt mixture. Since he lived six times as many working-days as Sundays, Oak's appearance in his old clothes was most peculiarly his own--the mental picture formed by his neighbours in imagining him being always dressed in that way. He wore a low-crowned felt hat, spread out at the base by tight jamming upon the head for security in high winds, and a coat like Dr. Johnson's; his lower extremities being encased in ordinary leather leggings and boots emphatically large, affording to each foot a roomy apartment so constructed that any wearer might stand in a river all day long and know nothing of damp--their maker being a conscientious man who endeavoured to compensate for any weakness in his cut by unstinted dimension and solidity.

Far from the Madding Crowd (1874) is Thomas Hardy's fourth novel and his first major literary success. It originally appeared anonymously as a monthly serial in *Cornhill Magazine*, where it gained a wide readership. The novel is the first to be set in Hardy's fictional county of Wessex in rural south west England. It deals in themes of love, honour and betrayal, against a backdrop of the seemingly idyllic, but often harsh, realities of a farming community in Victorian England. It describes the farmer Bathsheba Everdene, her life and relationships - especially with her lonely neighbour William Boldwood, the faithful shepherd Gabriel Oak, and the thriftless soldier Sergeant Troy. On publication, critical notices were plentiful and mostly positive. Hardy revised the text extensively for the 1895 edition and made further changes for the 1901 edition. Plot: Gabriel Oak is a young shepherd. With the savings of a frugal life, and a

loan, he has leased and stocked a sheep farm. He falls in love with a newcomer six years his junior, Bathsheba Everdene, a proud beauty who arrives to live with her aunt, Mrs. Hurst. Over time, Bathsheba and Gabriel grow to like each other well enough, and Bathsheba even saves his life once. However, when he makes her an unadorned offer of marriage, she refuses; she values her independence too much, and him too little. Feeling betrayed and embarrassed, Gabriel offers blunt protestations that only foster her haughtiness. After a few days, she moves to Weatherbury, a village some miles off. When next they meet, their circumstances have changed drastically. An inexperienced new sheepdog drives Gabriel's flock over a cliff, ruining him. After selling off everything of value, he manages to settle all his debts but emerges penniless. He seeks employment at a hiring fair in the town of Casterbridge. When he finds none, he heads to another such fair in Shottsford, a town about ten miles from Weatherbury. On the way, he happens upon a dangerous fire on a farm and leads the bystanders in putting it out. When the veiled owner comes to thank him, he asks if she needs a shepherd. She uncovers her face and reveals herself to be none other than Bathsheba. She has recently inherited her uncle's estate and is now wealthy. Though somewhat uncomfortable, she employs him....

Thomas Hardy, OM (2 June 1840 - 11 January 1928) was an English novelist and poet. A Victorian realist in the tradition of George Eliot, he was influenced both in his novels and in his poetry by Romanticism, especially William Wordsworth. He was highly critical of much in Victorian society, though Hardy focused more on a declining rural society. While Hardy wrote poetry throughout his life and regarded himself primarily as a poet, his first collection was not published until 1898. Initially, therefore, he gained fame as the author of such novels as *Far from the Madding Crowd* (1874), *The Mayor of Casterbridge* (1886), *Tess of the d'Urbervilles* (1891), and *Jude the Obscure* (1895). During his lifetime, Hardy's poetry was acclaimed by younger poets (particularly the Georgians) who viewed him as a mentor. After his death his poems were lauded by Ezra Pound, W. H. Auden and Philip Larkin. Many of his novels concern tragic characters struggling against their passions and social circumstances, and they are often set in the semi-fictional region of Wessex; initially based on the medieval Anglo-Saxon kingdom, Hardy's Wessex eventually came to include the counties of Dorset, Wiltshire, Somerset, Devon, Hampshire and much of Berkshire, in southwest and south central England. Two of his novels, *Tess of the d'Urbervilles* and *Far from the Madding Crowd*, were listed in the top 50 on the BBC's survey *The Big Read*.

Classic edition of Thomas Hardy's impassioned novel of courtship in rural life. In Thomas Hardy's first major literary success, independent and spirited Bathsheba Everdene has come to Weatherbury to take up her position as a farmer on the largest estate in the area. Her bold presence draws three very different suitors: the gentleman-farmer Boldwood, the soldier-seducer Sergeant Troy, and the devoted shepherd Gabriel Oak. Each, in contrasting ways, unsettles her decisions and complicates her life, and tragedy ensues, threatening the stability of the whole community. One of his first works set in the semi-fictional region of Wessex, Hardy's novel of swift passion and slow courtship is imbued with his evocative descriptions of rural life and landscapes, and with unflinching honesty about sexual relationships. This edition, based on Hardy's original 1874 manuscript, is the complete novel he never saw published, and restores its full candor and innovation. Rosemarie Morgan's introduction discusses the history of its publication, as well as the biblical and classical allusions that permeate the novel. Far from the Madding Crowd, were listed in the top 50 on the BBC's survey The Big Read.

In Desperate Remedies a young woman, Cytherea Graye, is forced by poverty to accept a post as lady's maid to the eccentric Miss Aldclyffe, the woman whom her father had loved but had been unable to marry. Cytherea loves a young architect, Edward Springrove, but Miss Adclyffe's machinations, the discovery that Edward is already engaged to a woman whom he does not love, and the urgent need to support a sick brother drive Cytherea to accept the hand of Aeneas Manston, Miss Aldclyffe's illegitimate son, whose first wife is believed to have perished in a fire; however, their marriage is almost immediately nullified when it emerges that his first wife had left the inn before it caught fire. Manston's wife, apparently, returns to live with him, but Cytherea, her brother, the local rector, and Edward come to suspect that the woman claiming to be Mrs. Manston is an impostor.

This edition of Michael Wood's groundbreaking first book explores the fascinating and mysterious centuries between the Romans and the Norman Conquest of 1066. In Search of the Dark Ages vividly conjures up some of the most famous names in British history, such as Queen Boadicea, leader of a terrible war of resistance against the Romans, and King Arthur, the 'once and future king', for whose riddle Wood proposes a new and surprising solution. Here too, warts and all, are the Saxon, Viking and Norman kings who laid the political foundations of England - Offa of Mercia, Alfred the Great, Athelstan, and William the Conqueror, whose victory at Hastings in 1066 marked the end of Anglo-Saxon England. Reflecting recent historical, textual and archaeological research, this revised edition of Michael Wood's classic book overturns preconceptions of the Dark Ages as a shadowy and brutal era, showing them to be a richly exciting and formative period in the history of Britain. 'With In Search of the Dark Ages, Michael Wood wrote the book for history on TV.' The Times 'Michael Wood is the maker of some of the best TV documentaries ever made on history and archaeology.' "The drab existence of people made vivid with the love of Gabriel and Bathsheba."--Arbookfind.com.

This important book gathers a set of influential international contributors with psychoanalytic and group analytic knowledge to provide a wide-ranging critical analysis of the present state of Europe. Europe is facing huge challenges: waves of immigrants are reshaping its identity and testing its tolerance; Brexit is a destabilizing factor and its outcomes are not yet clear; economic crises continue to threaten; the resurgence of nationalism is threatening an open-borders one-continent ideology. This book tackles some of these challenges. Divided into two parts, the first analyses the current social, political, cultural and economic trends in Europe using psychoanalytic and group analytic concepts, while the second concentrates on existing applications of psychoanalytic and group analytic concepts to help manage national and international change in individual countries as well as on the continent as a whole, including groups for German, Ukrainian and Russian participants; groups organised in Serbia in order to overcome the recent, traumatic past; and the "Sandwich model", developed to enhance communication in situations of conflict, trauma and blocked communication. When we feel threatened, we cling to our in-group and its members. We want to think the same and be the same as our neighbors, but this group illusion of homogeneity conceals the fact that we are different. While homogeneity offers stability, it is diversity that offers freedom. This book will be of great interest to researchers on the present state of Europe from across a range of different

disciplines, from psychoanalysis to politics, sociology, economics and international relations. Thomas Hardy's first major literary success, *Far from the Madding Crowd*, published in 1874, gave the name of Wessex to the landscape of south-west England, and the first to gain him widespread popularity as a novelist. In rural Victorian England, independent and wilful Bathsheba Everdene has come to Weatherbury to take up her position as a farmer on the largest estate in the area. Her valiant presence draws three very different suitors- Gabriel Oak (a generous shepherd), Boldwood (a proud, relentless Farmer) and Sergeant Troy (charming, unethical soldier). Each, in striking ways, perturbs her decisions, entangles her life, and tragedy emerges, threatening the stability of the whole community. Authentically portraying the superstitions and traditions of a countryside community, 'Far from the Madding Crowd' shows the speculative position of a woman in a man's world. The novel depicts the many faces of love, including heartfelt love and unscrupulous and manipulative adoration. It portrays a deep understanding of human sentiment and is undeniably one of Hardy's greatest love stories. While playing an important role in the novel and characterizing many relationships, romantic love is always depicted in a negative light. This paper will begin with a definition of the term Romanticism. Following the definition, the paper will deal with how several elements of Romanticism are incorporated in the novel. The next part will examine the concept of romantic love and how it is criticized in *Far from the Madding Crowd*. After a definition of what is meant by romantic love, two different characters of the novel, who both suffer because of their romantic love towards another person, will be focused on. Finally, the ending of the novel, where the two protagonists are united, will be analysed and the type of love that characterizes their relationship will be discussed.
