Are you ready to turn your ideas into reality and build a wildly successful business? There has never been a better time to say yes! With a computer and an Internet connection you can get your ideas, messages, and business out there like never before and create so much success. In this book, Carrie Green shows you how. Carrie started her first online business at the age of 20—she knows what it's like to be an ambitious and creative woman with big dreams and huge determination . . . but she also knows the challenges of starting and running a business, including the fears, overwhelm, confusion, and blocks that entrepreneurs face. Based on her personal, tried-and-tested experience, she offers valuable guidance and powerful exercises to help you: • Get clear on your business vision • Move past the fears and doubts that can get in the way • Understand your audience, so you can truly connect with them • Create your brand and build a tribe of raving fans, subscribers, and customers • Manage your time, maintain focus, and keep going in the right direction • Condition yourself for success . . . and so much more! If you're a creative and ambitious female entrepreneur, or are contemplating the entrepreneurial path, this book will provide the honest, realistic, and practical tools you need to follow your heart and bring your vision to life.

A surprisingly simple way for students to master any subject--based on one of the world's most popular online courses and the bestselling book *A Mind for Numbers* and its wildly popular online companion course "Learning How to Learn" have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Fans often wish they'd discovered these learning strategies earlier and ask how they can help their kids master these skills as well. Now in this new book for kids and teens, the authors reveal how to make the most of time spent studying. We all have the tools to learn what might not seem to come naturally to us at first--the secret is to understand how the brain works so we can unlock its power. This book explains: • Why sometimes letting your mind wander is an important part of the learning process • How to avoid "rut think" in order to think outside the box • Why having a poor memory can be a good thing • The value of metaphors in developing understanding • A simple, yet powerful, way to stop procrastinating Filled with illustrations, application questions, and exercises, this book makes learning easy and fun.

This course offers thorough preparation for the revised Certificate of Proficiency in English examination (December 2002 syllabus).
