

## Fish Sticks A Remarkable Way To Adapt To Changing Times And Keep Your Work Fresh

In this third installment in the popular Fish! series, the authors examine change as a necessary, ongoing process that should never stop--at least not if one wants to keep the workplace vital and fully alive. Using a fictitious sushi restaurant as an example, this fable examines the three principles that Lundin, Christensen, and Paul believe are necessary for continuing success: Find It ("it" being each employee's personal vision of the business), Live It, and Coach It. Readers of the authors' previous books--Fish! A Remarkable Way to Boost Morale and Improve Results and Fish! Tales--should find its familiarity comforting. For those new to the series, this standalone volume is easy to read and highly valuable. --David Bombeck

The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe. Includes stories that show how people of various ages, income levels, and expertise can find meaning and significance in their lives, wherever they are. This title helps readers to learn how to establish meaning through daily service in their own lives.

The NHL's New York Islanders were struggling. After winning four straight Stanley Cups in the early 1980s, the Islanders had suffered an embarrassing sweep by their geographic rivals, the New York Rangers, in the first round of the 1994 playoffs. Hoping for a new start, the Islanders swapped out their distinctive logo, which featured the letters NY and a map of Long Island, for a cartoon fisherman wearing a rain slicker and gripping a hockey stick. The new logo immediately drew comparisons to the mascot for Gorton's frozen seafood, and opposing fans taunted the team with chants of "We want fish sticks!" During a rebranding process that lasted three torturous seasons, the Islanders unveiled a new mascot, new uniforms, new players, a new coach, and a new owner that were supposed to signal a return to championship glory. Instead, the team and its fans endured a twenty-eight-month span more humiliating than what most franchises witness over twenty-eight years. The Islanders thought they had traded for a star player to inaugurate the fisherman era, but he initially refused to report and sulked until the general manager banished him. Fans beat up the new mascot in the stands. The new coach shoved and spit at players. The Islanders were sold to a supposed billionaire who promised to buy elite players; he turned out to be a con artist and was sent to prison. We Want Fish Sticks examines this era through period sources and interviews with the people who lived it.

A guide to improving the atmosphere at work, given in the format of a novel: a fictional manager learns how to improve her co-workers' morale and production by following the lead of the remarkably energetic Pike Place Fish market in Seattle.

High school senior and student body president, Natalie likes to have everything under control, but when she becomes attracted to one of the senior boys and her best friend starts keeping secrets from her, Natalie does not know how to act.

Fish! Sticks A Remarkable Way to Adapt to Changing Times and Keep Your Work Fresh Hachette UK

Alaska pollock is everywhere. If you're eating fish but you don't know what kind it is, it's almost certainly pollock. Prized for its generic fish taste, pollock masquerades as crab meat in California rolls and seafood salads, and it feeds millions as fish sticks in school cafeterias and Filet-O-Fish sandwiches at McDonald's. That ubiquity has made pollock the most lucrative fish harvest in America—the fishery in the United States alone has an annual value of over one billion dollars. But even as the money rolls in, pollock is in trouble: in the last few years, the pollock population has declined by more than half, and some scientists are predicting the fishery's eventual collapse. In Billion-Dollar Fish, Kevin M. Bailey combines his years of firsthand pollock research with a remarkable talent for storytelling to offer the first natural history of Alaska pollock. Crucial to understanding the pollock fishery, he shows, is recognizing what aspects of its natural history make pollock so very desirable to fish, while at the same time making it resilient, yet highly vulnerable to overfishing. Bailey delves into the science, politics, and economics surrounding Alaska pollock in the Bering Sea, detailing the development of the fishery, the various political machinations that have led to its current management, and, perhaps most important, its impending demise. He approaches his subject from multiple angles, bringing in the perspectives of fishermen, politicians, environmentalists, and biologists, and drawing on revealing interviews with players who range from Greenpeace activists to fishing industry lawyers. Seamlessly weaving the biology and ecology of pollock with the history and politics of the fishery, as well as Bailey's own often raucous tales about life at sea, Billion-Dollar Fish is a book for every person interested in the troubled relationship between fish and humans, from the depths of the sea to the dinner plate.

"Comprising information for the mistress, housekeeper, cook, kitchen-maid, butler, footman, coachman, valet, upper and under house-maids, lady's maid, maid-of-all-work, laundry-maid, nurse and nurse-maid, monthly wet and sick nurses, etc. etc." (From the title page.)

The internationally acclaimed business bestseller FISH! and follow ups FISH! TALES and FISH! STICKS have been a massive global success - with over a million copies sold in the States and over 400,000 copies in the UK. Now, for the first time, we're shown how to put the unique FISH! Philosophy into action in all areas of our lives, ranging from losing weight to improving our personal finances. Using the same easy-to-read parable format used in the original FISH! title, this is a both a true follow-up to that book (featuring two of the original characters) and a stand-alone work that can be read on its own. Through its unfolding story, we witness the many challenges encountered by a newly created family as they start building a life together - working parents, growing family, school tension, economic stress, and weight gain - and just how they are overcome. From this appealing metaphor we can obtain accessible wisdom and applicable insights which can be applied for achieving happiness and wellbeing in our own lives.

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen.

The phenomenal bestseller FISH! has sold more than one million copies worldwide and has appeared on numerous bestseller lists. Now, with the FISH! Omnibus, readers can enjoy the wisdom of FISH! and its sequels FISH! TALES and FISH! STICKS in one book. FISH! is a powerful parable that will help you love the work you do - even if you can't always do work that you love. In this engaging metaphor, a fictional manager transforms a chronically unenthusiastic department into an effective team by applying ingeniously simple lessons learnt from Pike Place Fish, a wildly successful local fishmonger. The parable addresses today's most pressing work issues and offers easy to grasp,

profound wisdom - the hallmark of a business classic. With FISH! TALES, readers can learn how people from four real-life businesses boosted morale and improved results by implementing the FISH! principles. Here are specific and tested techniques that can be put to use immediately in any kind of business or organisation - even at home. FISH! TALES features dozens of success stories, and it details a twelve-week programme with specific steps and action plans to help you find greater fulfilment - while inspiring those around you to do the same. In FISH! STICKS, the authors teach you how to create your own vision for your business - and to keep it alive and renewed through the tough and changing times, such as turnover in management and staff. FISH! STICKS will show you sustainable ways to establish an invigorating management style that really works.

"You can energize your people and delight your customers by modeling the fabulous ideas that come from the World Famous Pike Place Fish Market." -- Ken Blanchard, co-author of *The One Minute Manager* In this revealing business advice book, the magic of the World Famous Pike Place Fish Market proves a dynamic example of what a group of people can create when they are aligned and living a powerful vision. Here for the first time, owner John Yokoyama explains in his own words just how he transformed his business into a workplace that is renowned worldwide. When Fish Fly offers Yokoyama's cohesive strategy for achieving world famous results for owners, managers, and front-line workers alike. Once you understand the generative principles behind the World Famous Pike Place Fish Market you, too, can develop a culture that leads to excellent employee morale and legendary customer service.

Who is mad? Who is sane? Who decides? Welcome to the Dorothy Fish, a hospital in North London. N has been a patient for thirteen years. Day after day she sits smoking in the common room and swapping medication. Like the other patients, N's ambition is never to be discharged. Then in walks Poppy Shakespeare in a short skirt and snakeskin heels. Poppy is certain she isn't mentally ill and desperate to return to her life outside and, though baffled, N agrees to help her. But in a world where everything's upside down, are they crazy enough to upset the system?

Novel based on Pirates and buried gold of Treasure Island (Imaginary place).

Ever since she was a baby, the words people use to describe Elyse have instantly appeared on her arms and legs. At first it was just "cute" and "adorable," but as she's gotten older and kids have gotten meaner, words like "loser" and "pathetic" appear, and those words bubble up and itch. And then there are words like "interesting," which she's not really sure how to feel about. Now, at age twelve, she's starting middle school, and just when her friends who used to accept and protect her are drifting away, she receives an anonymous note saying "I know who you are, and I know what you're dealing with. I want to help." As Elyse works to solve the mystery of who is sending her these notes, she also finds new ways to accept who she is and to become her best self. Over 5 Million Copies Sold! Imagine a workplace where everyone chooses to bring energy, passion, and a positive attitude to the job every day. A powerful parable that will help you see your life and work in a new way. It's a rainy day in Seattle, and on the third floor of First Guarantee Financial, people have stopped believing they can make a difference. To new manager Mary Jane Ramirez, the challenge of bringing life back to her unenthusiastic and unmotivated team seems impossible, until she discovers an incredibly successful workplace down the street where the employees are so alive and passionate that people stop just to watch them work! FISH! is the remarkable story of what happens when Mary Jane seeks the help of these unlikely business "experts" and learns their secret: four simple practices that, when applied daily, help anyone to be more energized, effective, and fulfilled. Filled with inspiration and timeless wisdom that will resonate with anyone in any field or career level, it's easy to see why FISH! is one of the most popular business parables of all time. People in organizations around the world use its practical lessons to improve customer service, build trust and teamwork, bolster leadership, and increase employee satisfaction. They also use the lessons to strengthen personal relationships, fulfill lifelong dreams, and realize their ambitions. FISH! will help you discover the amazing power that is already inside you to make a positive difference—wherever you are in life. Based on a bestselling ChartHouse training video which has been adopted by corporations including Southwest Airlines, Sprint, and Nordstrom.

By showing that kitchen skill, and not budget, is the key to great food, *Good and Cheap* will help you eat well—really well—on the strictest of budgets. Created for people who have to watch every dollar—but particularly those living on the U.S. food stamp allotment of \$4.00 a day—*Good and Cheap* is a cookbook filled with delicious, healthful recipes backed by ideas that will make everyone who uses it a better cook. From Spicy Pulled Pork to Barley Risotto with Peas, and from Chorizo and White Bean Ragù to Vegetable Jambalaya, the more than 100 recipes maximize every ingredient and teach economical cooking methods. There are recipes for breakfasts, soups and salads, lunches, snacks, big batch meals—and even desserts, like crispy, gooey Caramelized Bananas. Plus there are tips on shopping smartly and the minimal equipment needed to cook successfully. And when you buy one, we give one! With every copy of *Good and Cheap* purchased, the publisher will donate a free copy to a person or family in need. Donated books will be distributed through food charities, nonprofits, and other organizations. You can feel proud that your purchase of this book supports the people who need it most, giving them the tools to make healthy and delicious food. An IACP Cookbook Awards Winner.

**THE PHENOMENAL INTERNATIONAL BESTSELLER: 1 MILLION COPIES SOLD** Transform your life with tiny changes in behaviour, starting now. People think that when you want to change your life, you need to think big. But world-renowned habits expert James Clear has discovered another way. He knows that real change comes from the compound effect of hundreds of small decisions: doing two push-ups a day, waking up five minutes early, or holding a single short phone call. He calls them atomic habits. In this ground-breaking book, Clear reveals exactly how these minuscule changes can grow into such life-altering outcomes. He uncovers a handful of simple life hacks (the forgotten art of Habit Stacking, the unexpected power of the Two Minute Rule, or the trick to entering the Goldilocks Zone), and delves into cutting-edge psychology and neuroscience to explain why they matter. Along the way, he tells inspiring stories of Olympic gold medalists, leading CEOs, and distinguished scientists who have used the science of tiny habits to stay productive, motivated, and happy. These small changes will have a revolutionary effect on your career, your relationships, and your life. \_\_\_\_\_ A NEW YORK TIMES AND SUNDAY

TIMES BESTSELLER 'A supremely practical and useful book.' Mark Manson, author of *The Subtle Art of Not Giving A F\*ck* 'James Clear has spent years honing the art and studying the science of habits. This engaging, hands-on book is the guide you need to break bad routines and make good ones.' Adam Grant, author of *Originals* 'Atomic Habits is a step-by-step manual for changing routines.' Books of the Month, Financial Times 'A special book that will change how you approach your day and live your life.' Ryan Holiday, author of *The Obstacle is the Way*

DIVThe distinguished educator and philosopher discusses his revolutionary vision of education, stressing growth, experience, and activity as factors that promote a democratic character in students and lead to the advancement of self and society. /div How to rewire your brain to improve virtually every aspect of your life—based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you

would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: Brain-Based Therapy-Adult, Brain-Based Therapy-Child, Improving Your Memory For Dummies and Heal Your Anxiety Workbook Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, Rewire Your Brain will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

'I am with you always, even unto the end of the world . . .' Peter Leigh is a missionary called to go on the journey of a lifetime. Leaving behind his beloved wife, Bea, he boards a flight for a remote and unfamiliar land, a place where the locals are hungry for the teachings of the Bible - his 'book of strange new things'. It is a quest that will challenge Peter's beliefs, his understanding of the limits of the human body and, most of all, his love for Bea. The Book of Strange New Things is a wildly original tale of adventure, faith and the ties that might hold two people together when they are worlds apart. This momentous novel, Faber's first since The Crimson Petal and the White, sees him at his expectation-defying best. WINNER OF THE SALTIRE BOOK OF THE YEAR AWARD SHORTLISTED FOR THE ARTHUR C. CLARKE AWARD AS HEARD ON BBC RADIO 4

Mary Anning, born in a poor family, lived in Lyme Regis and from an early age was fascinated by the fossils, then called snake stones and devil's toenails, that could then be picked up on the beaches. She became far more interested when she realised that these could be sold to the gentry who had grown into avid collectors. She was supported by her family in her enterprise but was often ripped off by the buyers and derided by the scientists. One person came to her rescue: Elizabeth Philpot, daughter of a wealthy family who had settled in Dorset to escape the stultifying respectability of genteel London society. The two women, of different ages and very different class and background, became unlikely friends but the relationship was to take on stranger twists as the excitement of the fossil discoveries - Mary Anning finds the first complete plesiosaur - turns to religious difficulties as the importance of these finds begins to spread.

Winner of the Guardian Children's Fiction Award, GOODNIGHT MISTER TOM is of one of the best-loved stories set during the Second World War. 'Everyone's idea of a smash-hit novel: full-blown characters to love and hate, moments of grief and joy, and a marvellous story that knows just how to grab the emotions' - Guardian Goodnight Mister Tom by Michelle Magorian is the unforgettable story of young Willie Beech, evacuated to the country as Britain stands on the brink of the Second World War. A sad, deprived child, he slowly begins to flourish under the unlikely care of grumpy old Tom Oakley. But then his new-found happiness is shattered by a summons from his mother to come back to London. As the weeks pass by Tom begins to worry when William doesn't answer his letters, so he goes to London to find him, and there makes a terrible discovery. A 40th anniversary reissue with a new introduction by the author, Michelle Magorian.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

The bestselling "Fish!" philosophy is now applied to keeping any company's vision alive and renewed, using the example of a fictional sushi bar that is always two steps ahead of the competition. The business parable employs the same kind of easy-to-read story that was used in "Fish!" to illustrate its three major principles of continued success: Commit, Be It, and Coach It. Copyright © Libri GmbH. All rights reserved.

MORE THAN SEVEN MILLION COPIES SOLD The beloved and bestselling novel and winner of the Booker Prize, Life of Pi. New York Times Bestseller \* Los Angeles Times Bestseller \* Washington Post Bestseller \* San Francisco Chronicle Bestseller \* Chicago Tribune Bestseller "A story to make you believe in the soul-sustaining power of fiction."—Los Angeles Times Book Review After the sinking of a cargo ship, a solitary lifeboat remains bobbing on the wild blue Pacific. The only survivors from the wreck are a sixteen-year-old boy named Pi, a hyena, a wounded zebra, an orangutan—and a 450-pound royal bengal tiger. The scene is set for one of the most extraordinary and beloved works of fiction in recent years. Universally acclaimed upon publication, Life of Pi is a modern classic.

Once upon a time, the New York Islanders were the embodiment of greatness: four-time Stanley Cup champions and a model franchise in the National Hockey League during the early '80s. The dynasty quickly crumbled, however, and the team found itself in a seemingly never-ending freefall. One embarrassing episode after another befell the once-mighty Islanders: Kirk Muller balked at being traded to the team; the team's classic logo was replaced with one that was vehemently ridiculed, earning the team the nickname "Fish Sticks"; a slick con artist managed to buy the team with nothing more than his charm; the team failed to make the playoffs seven seasons in a row as miserly owners purged players salaries; Hall of Fame great Bryan Trottier feuded with the team and blocked the retirement of his jersey; embattled general manager "Mad Mike" Milbury couldn't do anything to get himself fired. Yet, having finally hit bottom after enduring countless trials and near-unbelievable tribulations, the team has begun its climb to the top. New owner Charles Wang has brought not only a desire to return the Islanders to their place of pride, but also the money to do it. The team experienced a remarkable resurgence during the 2001-02 season. Ticket sales have skyrocketed since that breakthrough success, with the team expecting to fight its way back into the playoffs for a second straight season.

The 'o-FISH!-al' follow-up to the phenomenal bestselling Fish! and Fish! Tales, Fish! Sticks is a stand-alone business parable that shows you how to come up with a vision for your business and how to keep it alive, vital, and renewed through tough times, such as turnover in management and staff or a troubled economy. Using the example of a hugely successful, fictional sushi restaurant as a model for a vision of continual renewal, Fish! Sticks employs the same kind of easy-to-read story that was used in Fish! to illustrate its three major principals of continued success: Commit, Be It, and Coach It. When Stephanie, a new manager, takes over from a wildly popular and now promoted boss, she is faced with the problem of how to keep spirits up in a corporate unit that has, frankly, started to get bored and cranky and revert to its old ways. But then she visits the amazing Taka Sushi (formerly Taka Teriyaki), with its lines of customers cheerfully waiting for hours to get in. Soon, she realizes that the way to keep her employees motivated and her customers delighted can be learned from a bunch of waiters

who teach one another everything they need to know. And when she finds out just how the owner of Taka knew to switch her main bill of fare from teriyaki to sushi long before anyone else, what she really discovers is the secret of keeping your work fresh.

Pippi Longstocking is one of the most popular children's characters of all time and is still much loved by millions of children today. This anniversary edition of Pippi Longstocking will introduce Pippi and her adventurous spirit to a whole new generation of readers. Nine year old Pippi is an unusual and unpredictable character, she lives alone with a monkey, a horse, and no rules whatsoever! Every day is a crazy adventure with Pippi, but what else would you expect from the daughter of a swashbuckling pirate captain?!

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

'A fantastic, provocative book about where we are now and where we are going' Phil Simon Huffington Post Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions: - How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? - Why does the stock market forgive them for sins that would destroy other firms? - And as they race to become the world's first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

This inspiring follow up to FISH! offers exciting case-studies of how companies are applying the fish philosophy to meet their unique goals and needs. FISH TALES features four real-life stories of the fish principle in action - to help you 'reel' in new possibilities in the workplace - and four short chapters, also from actual organisations, on the four principles of the FISH! philosophy. Using a short, easy-to-read format, it effectively communicates a message that applies to every kind of business. These stimulating examples of re-energised companies are perfect for those wanting to dive deeper into the FISH! philosophy and create that amazing environment in their own workplace.

Truman Capote's boyhood Christmas memoir, rereleased with a beautiful new packaging. The classic story of Truman Capote's childhood Christmas ritual is more endearing than ever in this newly redesigned package. In celebration of A Christmas Memory's enduring appeal, this repackaged edition retains Beth Peck's evocative watercolors and Capote's original text. First published in 1956, this is the story from Capote's childhood of lovingly making fruitcakes from scratch at Christmas-time with his elderly cousin, and has stood the test of time to become known as an American holiday classic.

A Carnegie Medal Honor Book Twelve-year-old Smith is a denizen of the mean streets of eighteenth-century London, living hand to mouth by virtue of wit and pluck. One day he trails an old gentleman with a bulging pocket, deftly picks it, and as footsteps ring out from the alley by which he had planned to make his escape, finds himself in a tough spot. Taking refuge in a doorway, he sees two men emerge to murder the man who was his mark. They rifle the dead man's pockets and finding them empty, depart in a rage. Smith, terrified, flees the scene of the crime. What has he stolen that is worth the life of a man? Smith is a gripping, engrossing, and utterly diverting tale of high adventure related by a writer whose scintillating style is matched only by the dazzle of his plotting. In the words of Lloyd Alexander, "Garfield is unmatched for sheer exciting storytelling. The reader simply can't stop reading him."

It's two minutes to 8:00. Time to put on your tights and cape. As an educator, every time that bell rings, you face dozens of challenges. Students with overwhelming personal and academic needs. Creativity-stifling mandates. Administrivia. Cynicism. Apathy. The things that keep you from being the educator you want to be. The FISH! Philosophy--four simple principles: Be There, Play, Make Their Day, and Choose Your Attitude--has helped educators around the world build more effective, fulfilling relationships that lead to better learning. It is also backed by tons (OK, about a hundred pounds) of research on classroom management. Schools of FISH! is full of inspiring and instructive stories about people just like you--with hopes and challenges just like yours. It's about real-life heroes who give the best in themselves to help their students find the best in themselves. Schools of FISH! offers practical ideas on classroom management. It addresses the issues you deal with every day--improving learning, respect and personal accountability, self-discipline and internal motivation, and finding ways to make learning more fun. Because you're not just teaching students to learn . . . you're inspiring them to want to learn.
