Those who want to be our rulers have to provide food to all citizens at reasonably affordable prices as well as to ensure that those who produce food have reasonable dividends for their products and labour. If there is rural indebtedness, then a solution has to be found; if there is a surplus production, then the farmers must not be made to incur a loss; if there is a shortage of pulses, wheat, or rice then the government must import, whatever the cost. Different players, internal and external, with different and varying assets, potential, resources and capacities compete to hijack the governmental policies in their favour. This is the basic stuff of political economy. Politicians and policy-advocates are battling in a game over which they do not have total control. The consequences are uneven, sometime even cruel.

The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

We all have our habits to "help" when life gets hard. Yet there's only one force that can offer us true healing from life's pain. Join award-winning writer Seth Haines in *The Book of Waking Up* for a guided experience into the Divine Love of God that transforms a life. The inevitable pain of life gives us many reasons to check out - and many ways to do it. Alcohol, entertainment, pills, shopping, porn, chasing success, cashing checks, and collecting social media "likes" - these and so many other things anesthetize us from the wounds of everyday living. As Seth Haines wrote in his award-winning book, *Coming Clean*, "We're all drunk on something." In his compelling follow-up, *The Book of Waking Up*, Seth invites you into the story of healing. He invites you to see your coping mechanisms for what they are - lesser lovers, which cannot bring the peace, freedom, and wholeness you crave. Through guided reflections, sustainable soul practices, and stories from Seth's life and others, *The Book of Waking Up* invites you to wake to your coping mechanisms, find the why behind your pain, and walk into the Divine Love of God. As Seth writes, "Addiction is misplaced adoration." Now, join him on a journey toward the only Love worth adoring, the only Love that cures a soul. Join him on the journey to waking up.
