Problem-solving skills opportunities

From the first day your students begin to learn the vocabulary of algebra until the day they take final exams and standardized tests, these programs strengthen student understanding and provide the tools students need to succeed.

Provides an articulated, coherent sequence of content, ensures that content standards and units of study are introduced, reinforced, and assessed and that instruction is targeted on student needs and the California Standards. Accomplished these goals with back-mapping, balanced in-depth content, ongoing assessment, intervention and differentiated instruction and professional development.

The Glencoe Math Accelerated Interactive Study Guide engages students in the lesson, helps them stay on task, and strengthens their note-taking skills. Pages are 3-hole punched so they fit neatly into class binders.

The Complete Classroom Set, Print & Digital includes: 30 print Student Editions 30 Student Learning Center

High school algebra, grades 9-12.

Prepare students for 21st century success with... - Seamlessly integrated print, digital, and interactive content that connects with students anytime and on any device. - Complete alignment with the Common Core State Standards - Support and resources for tailoring instruction to all levels of learners. - Built-in, frequent assessments that monitor student understanding and progress to ensure all students master concepts. Includes Print Student Edition

Study Guide and Intervention/Practice Workbook provides vocabulary, key concepts, additional worked out examples and exercises to help students who need additional instruction or who have been absent.

The Homework Practice Workbook contains two worksheets for every lesson in the Student Edition. This workbook helps students:

Practice the skills of the lesson, Use their skills to solve word problems.

Glencoe Algebra 2 is a key program in our vertically aligned high school mathematics series developed to help all students achieve a better understanding of mathematics and improve their mathematics scores on today's high-stakes assessments. Help all students become better problem solvers with our unique approach to interweaving skills, concepts, and word problems in the Get Ready for the Chapter, in Study Guide and Review, and throughout the Exercises. Provide students with more personal assistance in understanding key examples with Personal Tutor a virtual teacher available in every lesson. Use Concepts in Motion animations and labs to visually and dynamically demonstrate mathematical content. References to the Concepts in Motion features in the Student Edition are readily accessible online at glencoe.com, on Interactive Classroom, and on StudentWorks Plus. Prepare students for standardized tests with questions that are aligned in format, content, and design to those found on today's high-stakes assessments. Help students organize their notes and prepare for tests with Glencoe's exclusive Foldables™ study organizers.

One Program, All Learners Flexibility Print and digital resources for your classroom today and tomorrow Appropriate for students who are approaching, on or beyond grade level Differentiation Integrated differentiated instruction support that includes Response to Intervention (RtI) strategies A complete assessment system that monitors student progress from diagnosis to mastery More in-depth and rigorous mathematics, yet meets the needs of all students 21st Century Success Preparation for student success beyond high school in college or at work Problems and activities that use handheld technology, including the TI-84 and the TI-Nspire A wealth of digital resources such as eStudent Edition, eTeacher Edition, animations, tutorials, virtual manipulatives and assessments right at your fingertips Includes print student edition
