In business you should Free the Idea Monkey to focus on what matters most. This book shows (in an extremely entertaining way) how the most innovative leaders and organizations work and play to find this balance. Walt Disney partnered with Roy Disney (Walt handled the Imagineering; Roy made sure they made money at it.) Orville Wright partnered with his brother Wilbur. Steve Jobs partnered with Steve Wozniak. Great leaders and great organizations have found the balance between the enthusiastic and inspiring Idea Monkeys and the focused and empowering leaders, the people who turned their ideas into a reality. Written by the leaders of the globally recognized Innovation Agency, this book contains entertaining stories, fun illustrations and practical tips to inspire and empower both Idea Monkeys—and the (Ring) Leaders who must somehow focus those creative people's energy and ideas.

When a virus keeps Mira indoors and isolated, she misses her friends. She misses karate. She even misses school. To return to normal life, she must fight the nasty germs, and her imagination runs wild. In the end, it's Mira's use of hygiene and healthy habits that save the day. Written and illustrated by three moms during the COVID-19 outbreak, microbiologist and epidemiologist Dr. Kristy Bondurant, author Jen Holman, and award-winning artist Cary Smith, this book is meant to help parents explain tough topics like pandemics and social distancing. The beautifully-illustrated picture book delicately reveals to children how viruses spread, what "pandemic" means, and what they can do to help. Included in the back of the book are a history and timeline of pandemics, as well as a glossary-- all simplified so children can better understand the science behind how viruses affect the world.

For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is her pet fish, Waldo. Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem

and thus enhance his social standing. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho. What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator Sam Pierce in disguise. A man who definitely doesn't need his masculinity enhanced!
