In **THE PRODIGAL GOD**, New York pastor Timothy Keller uses the story of the prodigal son to shine a light on the central, beautiful message of Jesus: the gospel of grace, hope and

salvation. Keller argues that the parable of the prodigal son, while Jesus' best-known parable, is also his least understood. He introduces the reader to all the characters in this timeless story, showing that it concerns not just a wayward son, but also a judgemental older brother and, most importantly, a loving father. This short but powerful book is a reminder to the faithful, an explanation to the seeker, and finally an invitation to all – both older and younger brothers – to enter in to the 'unique, radical nature of the gospel': the reckless, spendthrift love of God.

Parenting With A Purpose Parenting is not about ownership; it is about stewardship, and stewardship is about doing a job for God. Parenting is not about being glorified; it is about glorifying God. Parenting is not about lifting up children or being lifted up by children; it is about lifting up Christ by, "Bringing children up in the training and instruction of the Lord." When the objective of parenting is to glorify God, God gets the glory and parents get the joy. And there is no joy like the joy that a parent experiences when his child grows like Jesus grew, "In wisdom and stature, and in favor with God and men." Walter E. McDonald currently teaches a young adult Sunday school class for parents with children in elementary school and middle school. He was ordained a deacon in 1978, and he has been teaching Sunday school since 1965. He has taught children, youth, high school students, college students; young married couples, single adults, and senior adults. He has also worked with youth mission groups such as Royal Ambassadors and Shepherd Boys. His approach to teaching, no matter what age group he teaches, has always been that of the Apostle Paul written in 1 Corinthians 2:2, "For I determined not to know anything among you, save Jesus Christ, and him crucified." This is the full 12 Bible Study guide books in the 'Spotlight On The Minor Prophets' series; Jonah, Obadiah, Joel, Micah, Amos, Hosea, Nahum, Zephaniah, Habakkuk, Haggai, Zechariah and Malachi. Taken from a Christian

standpoint, this is an introduction to the Old Testament Prophets, known commonly as the 'Minor Prophets'. This title in no way implies that they are inferior in any way to the giants amongst the prophets such as Isaiah or Ezekiel; but rather the word 'minor' merely applies to the brevity of the writings of these Old Testament prophets. Bible Study Guide for Group or Individual use These are not intended to be in-depth bible studies as such; but instead an introduction or summary of the Prophets, their times and influences both then and today. This short bible series on the Old Testament Prophets looked at from a New Testament Christian point of view, is intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Studying the minor prophets reveals pearls of wisdom! Job states that "As sure as sparks fly upwards, Man is born to trouble." The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that "if we do not learn from our mistakes, then we are doomed to repeat them." Perhaps it's time to listen to their problems and see what The Lord had to say through his spokesmen - whom we know as the 'Minor Prophets'. I for one fully believe that the guidance offered to these Old Testament characters, can for the most part be profitably applied by the New Testament Christian when looked

La Biblia para niños – Historias de Jesús edición especial bilingüe cuenta la historia que subyace detrás de todas las otras historias de la Biblia. En el centro de la misma se encuentra un niño, el niño del cual dependería todo. Cada relato susurra su nombre. Desde los tiempos de Noé, Moisés y el gran rey David, toda historia apunta hacia él. Es como la pieza que falta en un rompecabezas... la pieza que hace que todas las demás encajen en su lugar. Desde el Antiguo Testamento hasta el Nuevo Testamento, conforme la historia se desenvuelve, los niños recogerán los indicios y armarán el rompecabezas. Siendo una Biblia como ninguna otra, la Biblia para niños – Historias de Jesús invita a los niños a unirse en la mayor de todas las aventuras para descubrir por sí mismos que Jesús está en el centro de la gran historia divina de la salvación... y en el centro de la historia de ellos también.

The Ology by best-selling children's author Marty Machowski is a stunningly illustrated beginner's theology book to help kids of all ages understand who God is and how we, as his children, relate to him. Arranged within a traditional systematic theological framework, each truth in The Ology is also connected to the larger redemptive story of Scripture. This storybook of systematic theology takes abstract concepts in the Bible and makes them easier to understand with the use of creative examples, illustrations, and analogies. The Ology is a starting point to learning theology and aims to create a hunger and desire in children to learn more as they grow older. Designed for six-year-

olds through preteens, this flexible resource includes built-in adaptations so the entire families can enjoy it together. The story begins in the cellar of the old stone cathedral, where Carla and Timothy uncover a life-changing treasure: a carefully wrapped, ancient book known as The Ology. Young readers will discover a tale of adventure, mystery, and wonder, which will lead them to the truth about God, themselves, and the world around them. As a father to six children, Machowski knows how to intentionally create a vivid resource, full of analogies and word pictures to help kids grasp difficult theological concepts. Read The Ology to preschoolers; read it with grade-school kids, and let older kids discover the "hidden" truths by reading the corresponding Scripture passages for each section. However you read it, The Ology will give your children a gift that will last a lifetime—a solid foundation of transformative biblical truth that will point them to the God who loves them and gave himself for them. There is also a companion album to The Ology by Sovereign Grace Music that celebrates these wonderful theological truths through worship music that the whole family can enjoy.

Wedekind's play about adolescent sexuality is as disturbing today as when it was first produced Wedekind's notorious play Spring Awakening was written in 1891 but had to wait the greater part of a century before it received its first complete performance in Britain, at the National Theatre in 1974.
