.0000000000Charles Dickens' fascination with ghosts and the macabre is traced to his childhood, to the grim and ghoulish stories told him by his nursemaid, Mary Weller, whom he referred to as Mercy, 'though she had none on me'. Along with the horrors of the 'penny dreadful' magazine, The Terrific Register - a publication which made Dickens 'unspeakably miserable and frightened the very wits out of my head' - the stories recounted by Weller were so powerful as to colour Dickens' imagination and shape much of the enduring fiction he created. This collection brings together all Dickens' ghost stories - twenty in all - including several long tales. Here are chilling histories of coincidence, insanity and revenge.Illustrated by various artists, with an Afterword by David Stuart Davies.

Seventy-seven tales of the supernatural, intended to frighten and excite and bring to heel their medieval audience, gathered from medieval chronicles, sagas, heroic poetry and romances. "A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).
